RECONSTRUÇÃO COM
TRABALHO E TRANSPARÊNCIA

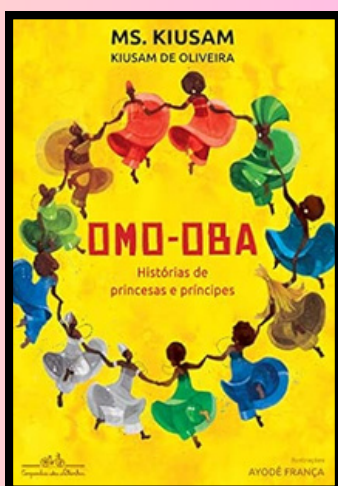

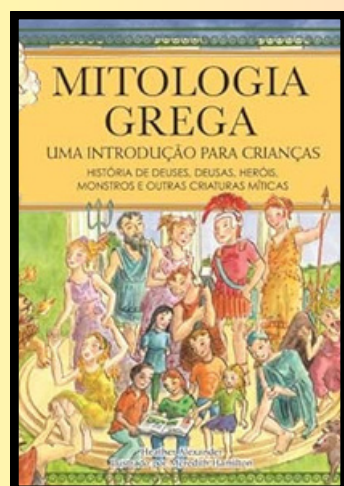

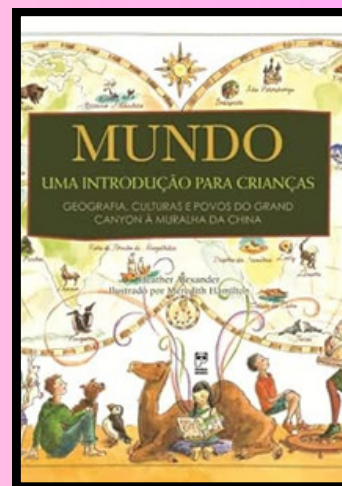

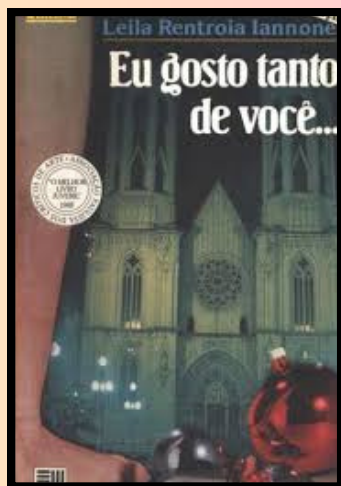

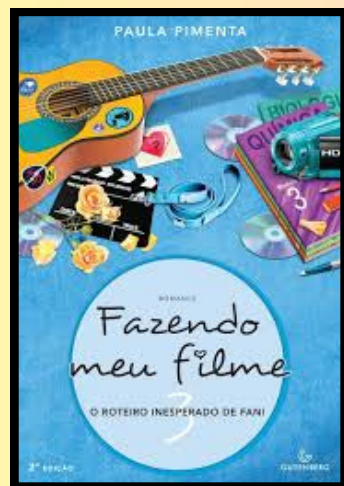

Clara é uma menina que adora esportes e um dia sonha em participar de uma Olimpíada. Para conseguir tal façanha, ela já está começando a treinar junto com as pessoas e os animais de que mais gosta na vida.

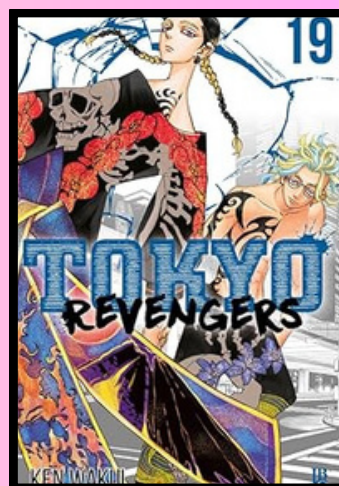

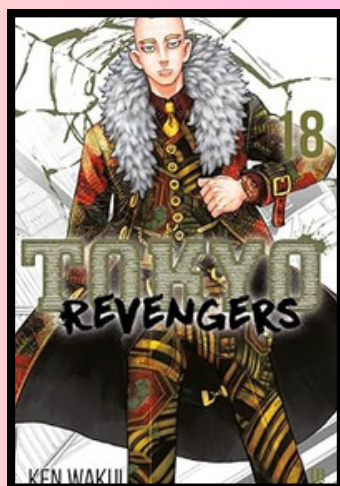

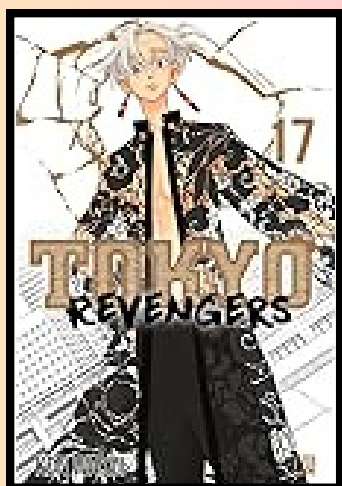

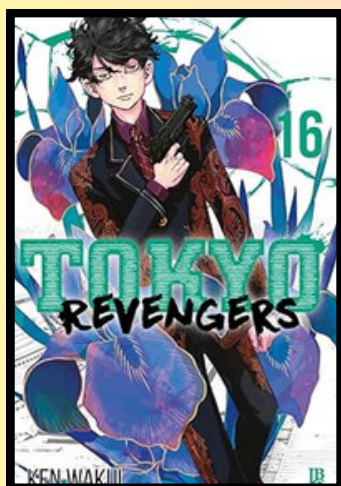

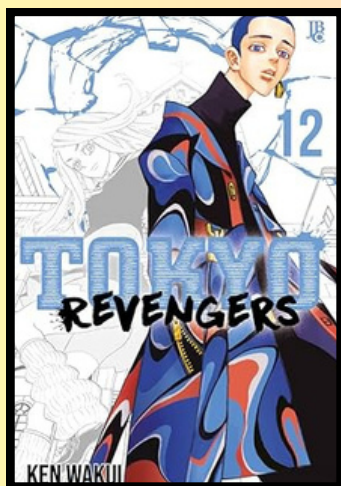

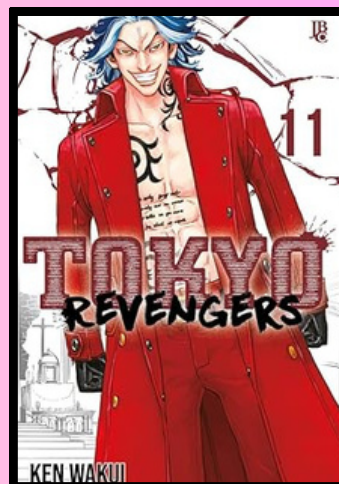

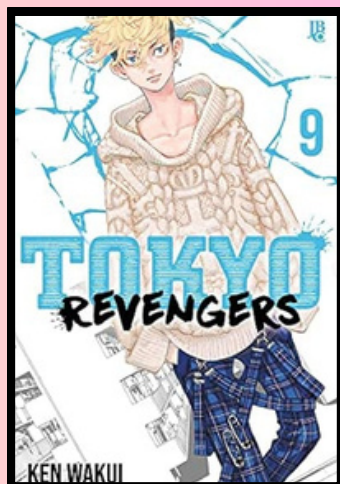

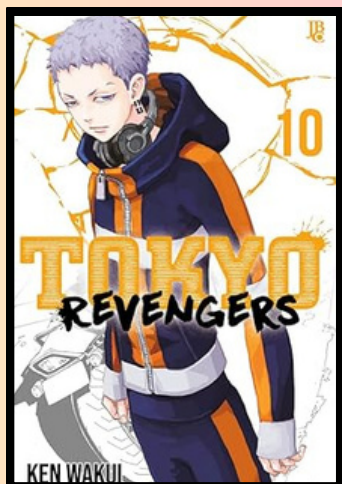

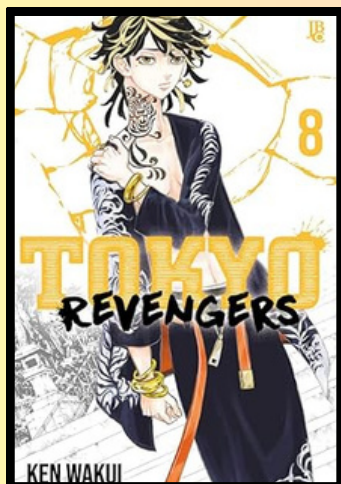

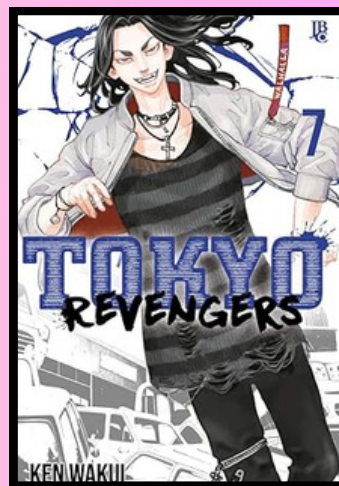

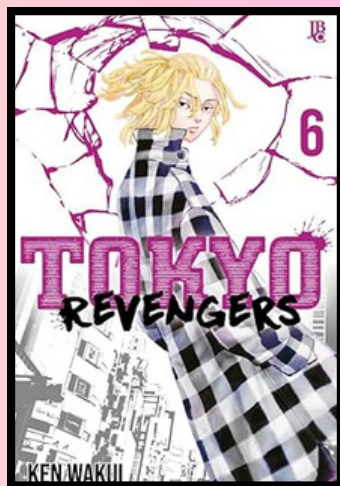

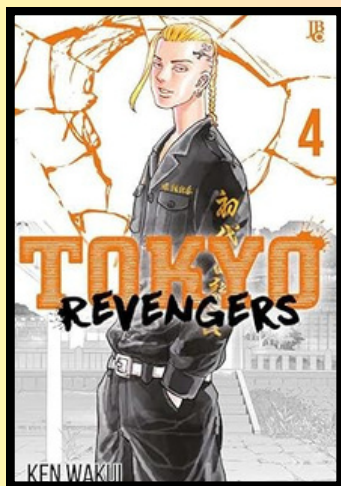

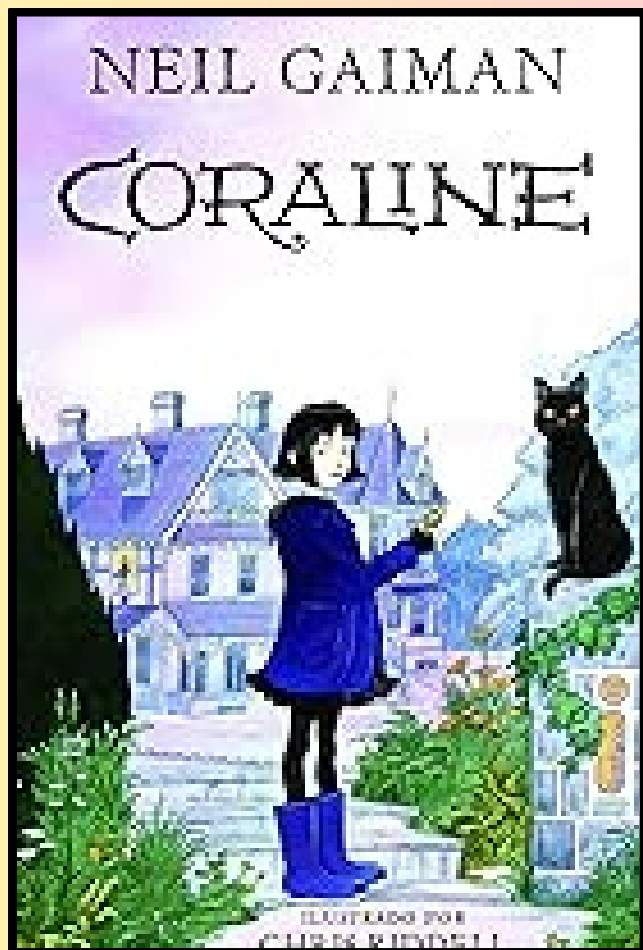

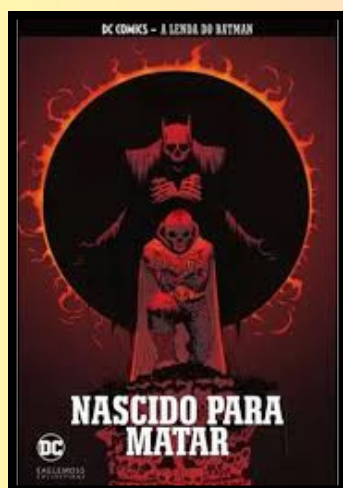

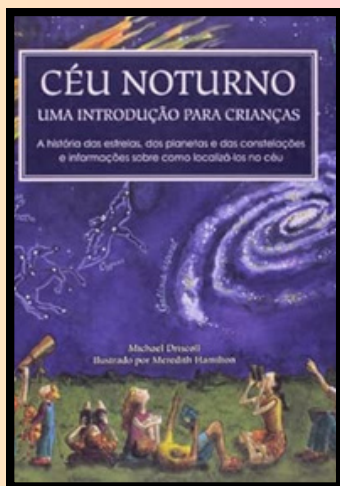

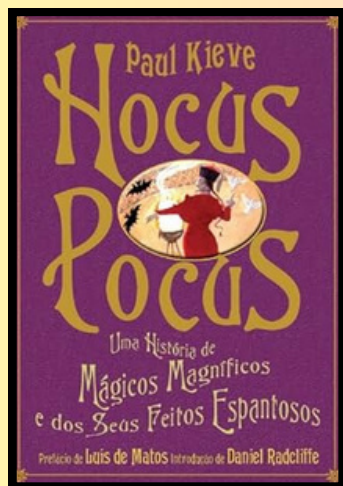

Narra a história de Violet Markey, uma garota enlutada que perdeu a irmã em um acidente e se isolou do mundo, e Theodore Finch, um jovem peculiar com seus próprios traumas. Eles se aproximam quando são designados a trabalhar juntos em um projeto escolar, que envolve visitar diferentes locais interessantes no estado de Indiana. Durante suas andanças, eles se tornam o apoio um do outro, superando seus medos e traumas e se apaixonando.

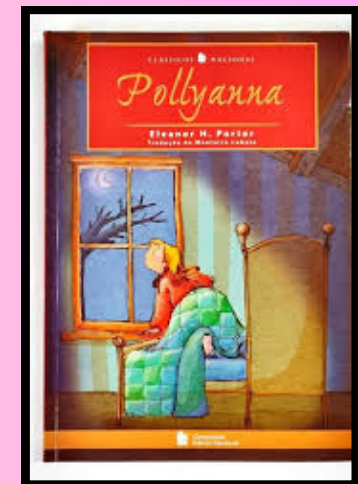

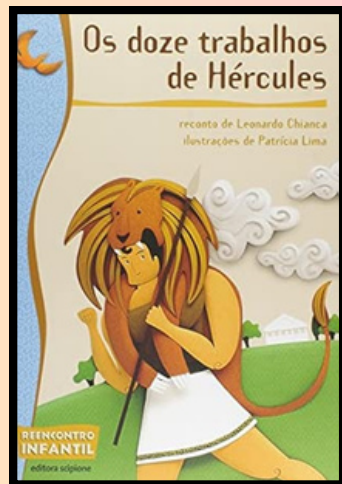

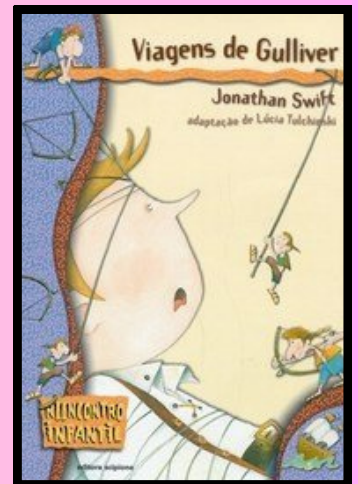

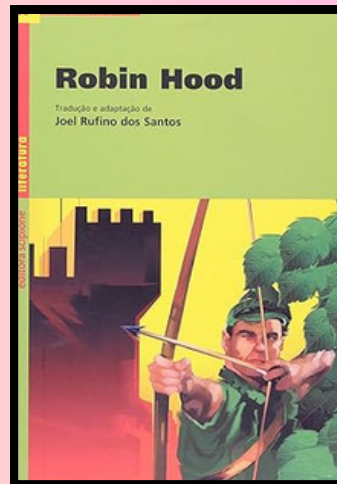

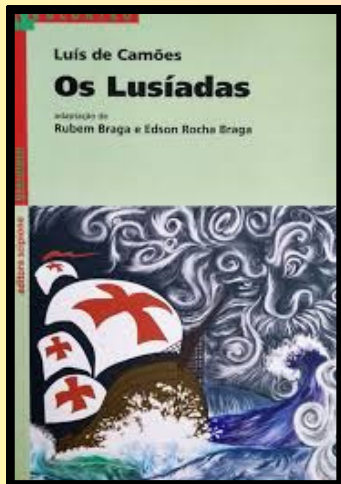

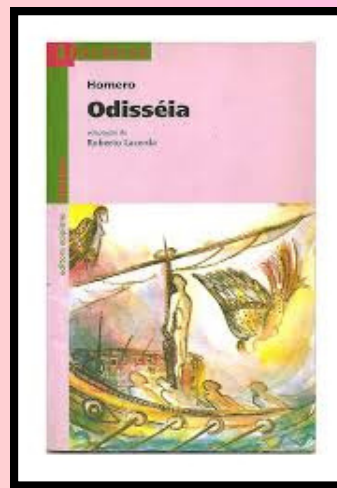

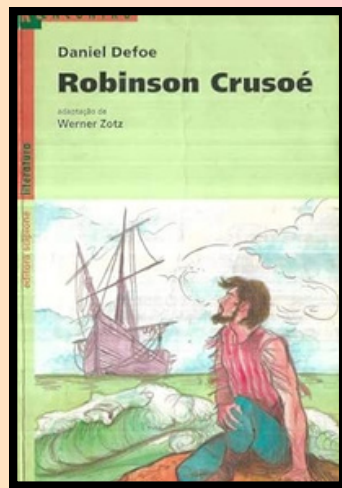

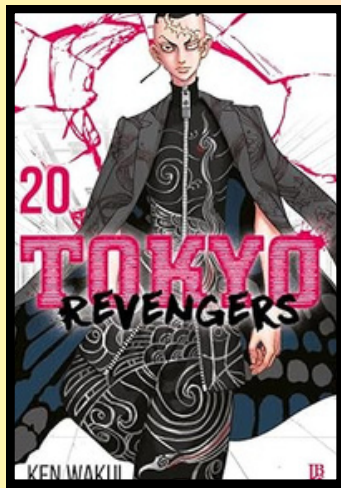

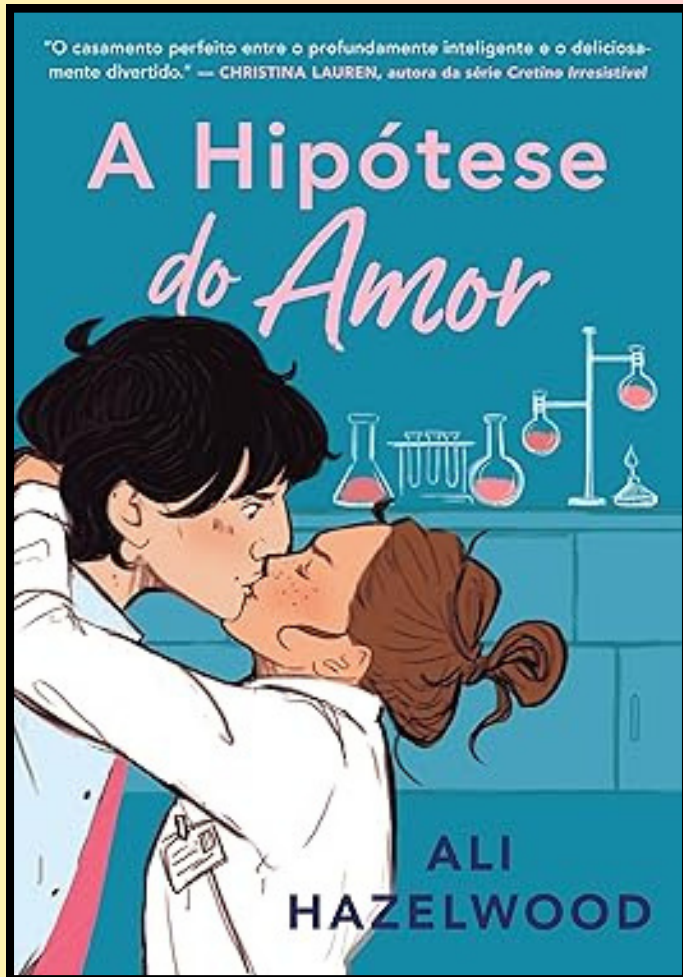

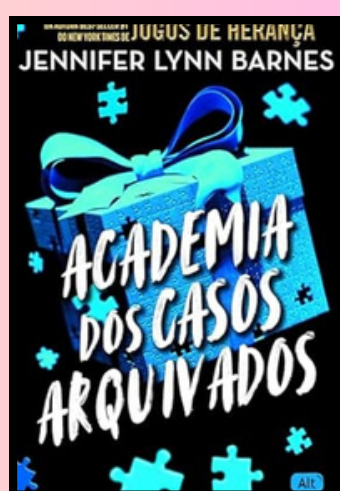

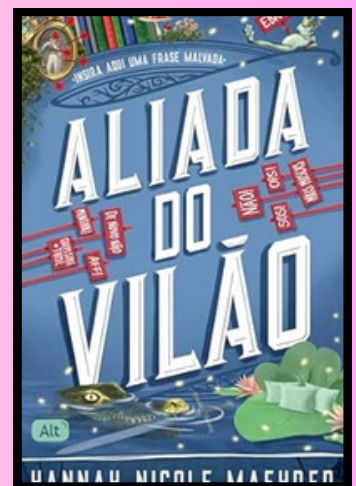

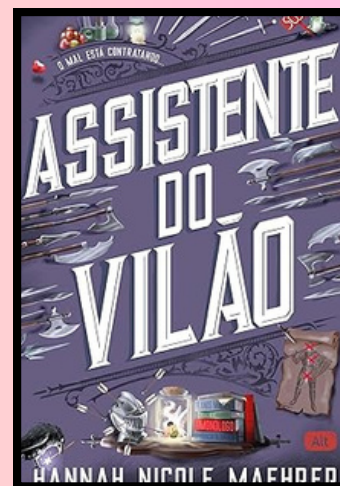

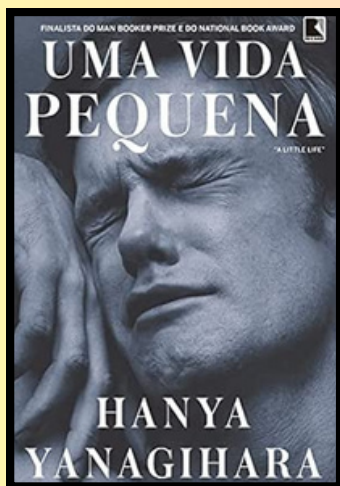

Coraline é sobre uma menina entediada que descobre uma porta secreta em sua nova casa que a leva a uma versão alternativa de sua vida, mais perfeita no início. No entanto, ela logo percebe que os "outros pais" têm botões no lugar dos olhos e que seu mundo é uma armadilha, levando-a a uma aventura perigosa para salvar sua família e a si mesma.

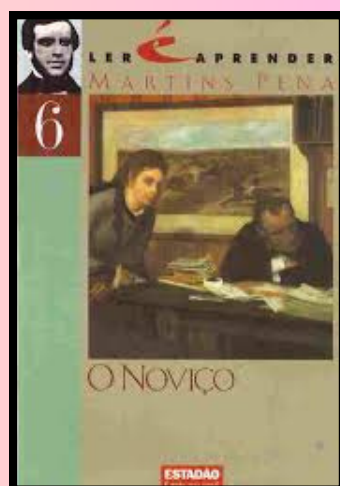

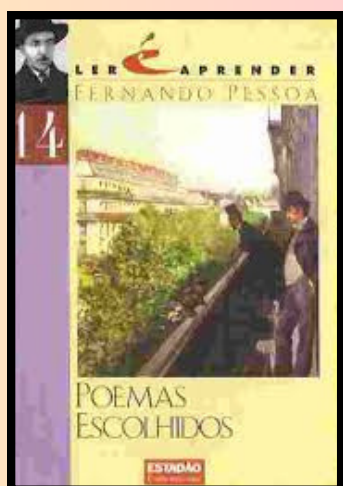

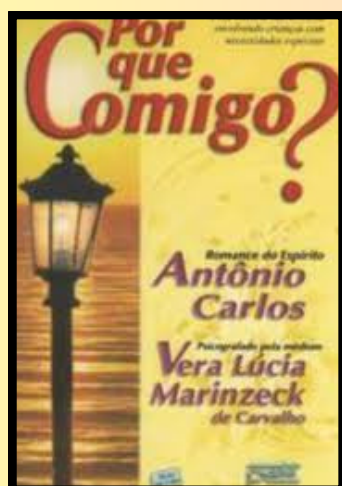

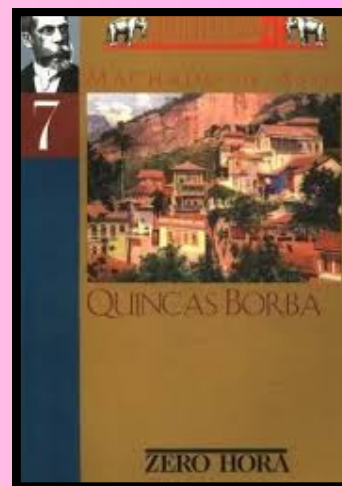

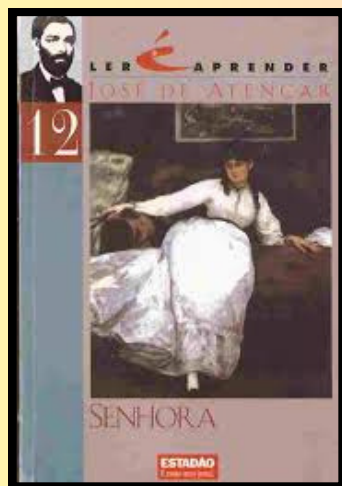

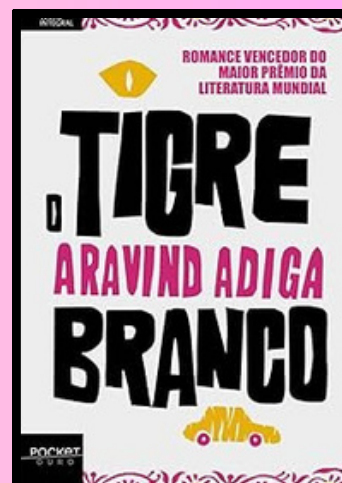

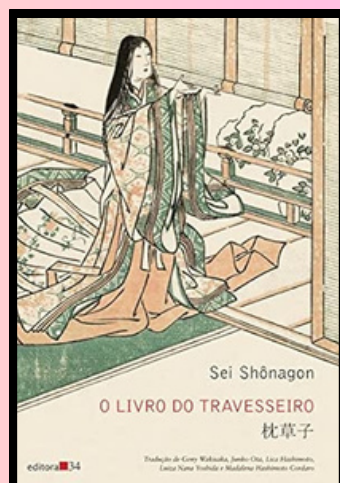

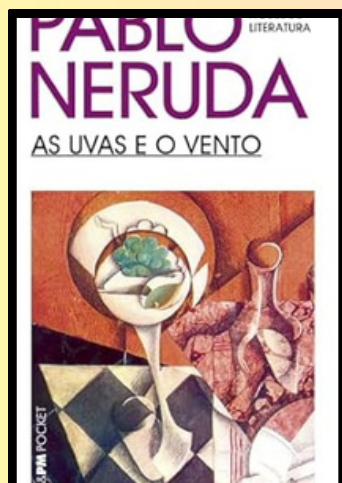

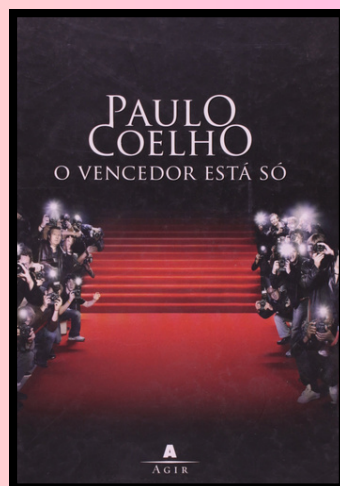

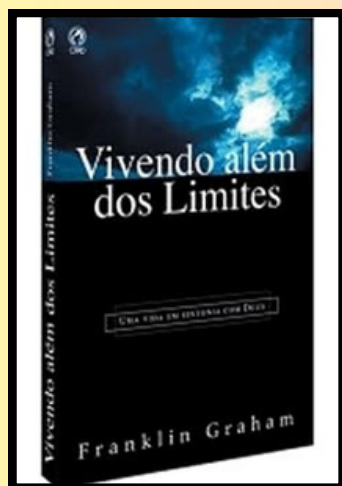

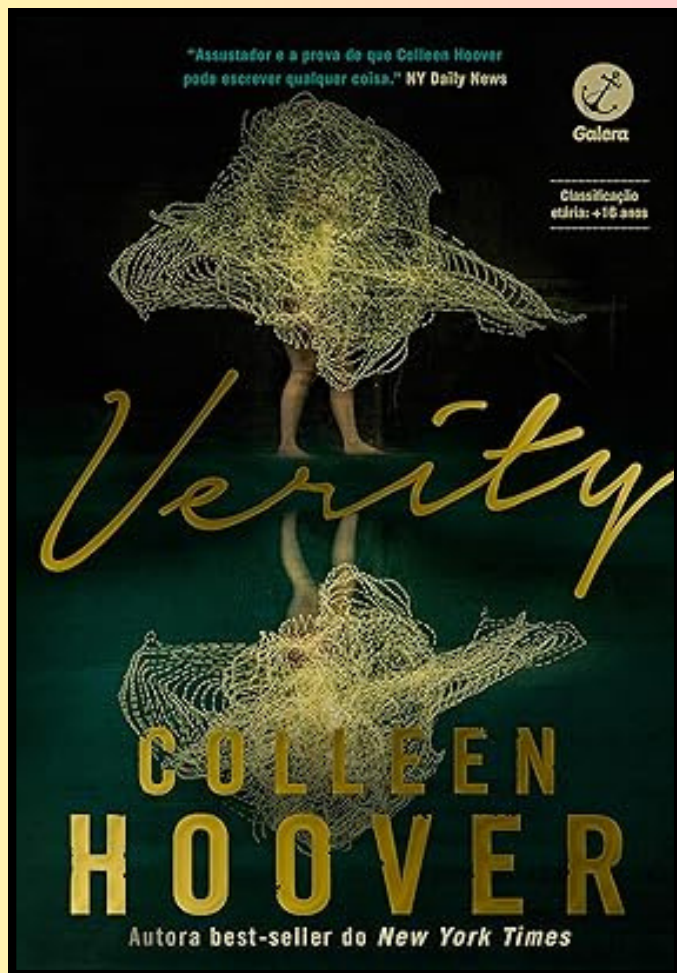

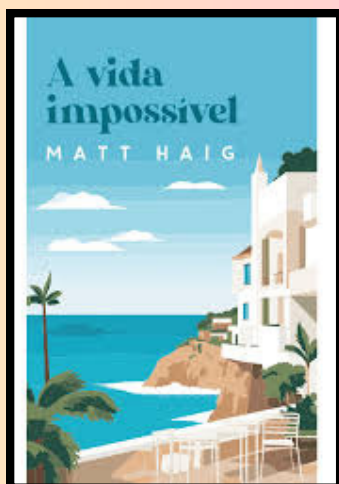

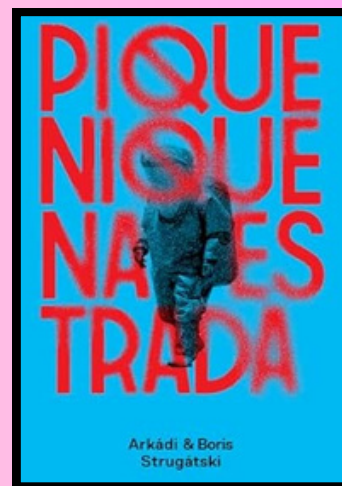

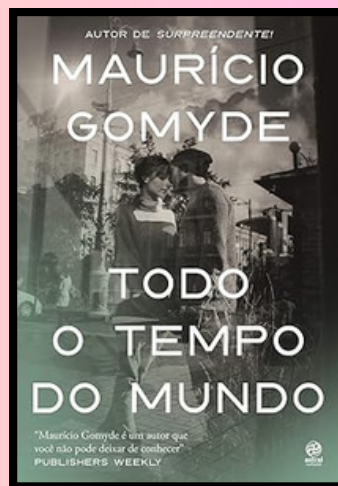

Narra a história de Olive Smith, uma estudante de doutorado em Biologia, que finge um namoro com o temido professor Adam Carlsen para convencer sua melhor amiga de que superou um ex-namorado. A situação, que era para ser uma farsa, se transforma quando a atração entre os dois se torna real e ambos se veem lidando com sentimentos inesperados, tudo isso enquanto o ambiente acadêmico acadêmico, com suas pressões e desafios, serve de pano de fundo.

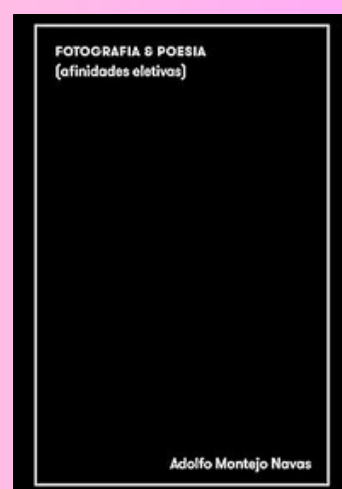

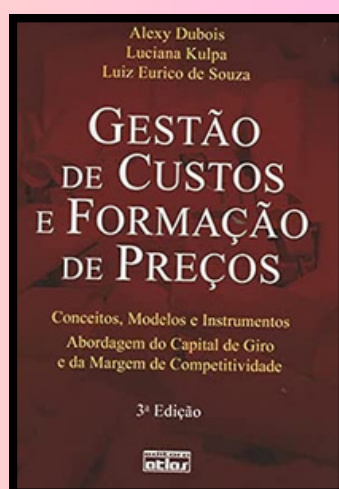

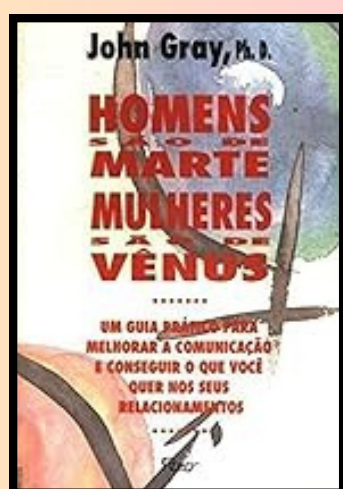

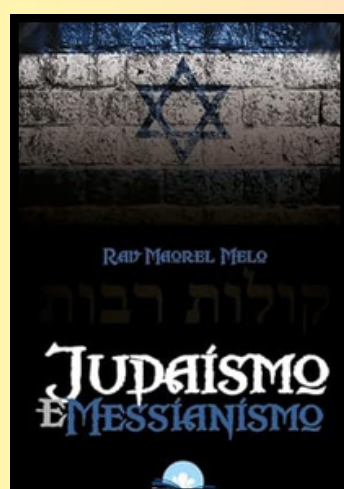

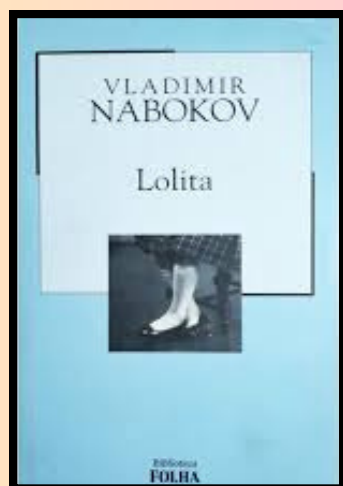

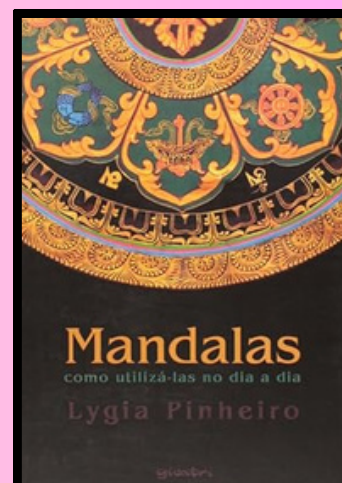

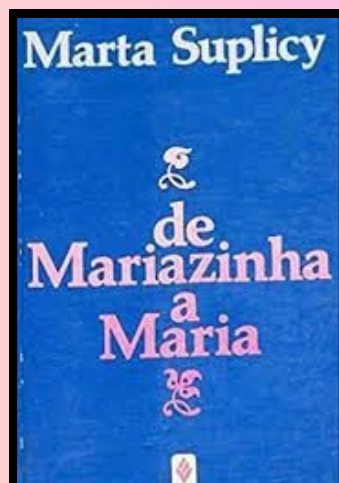

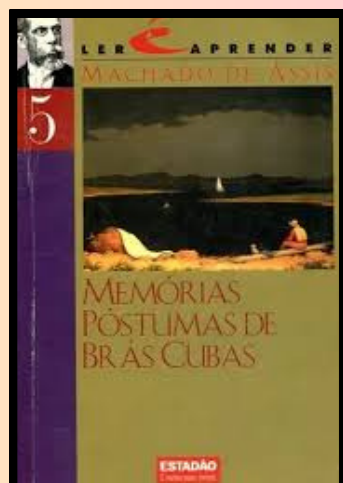

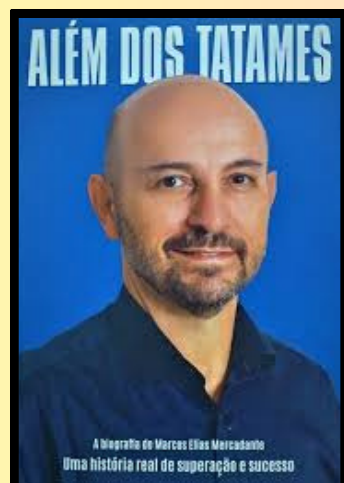

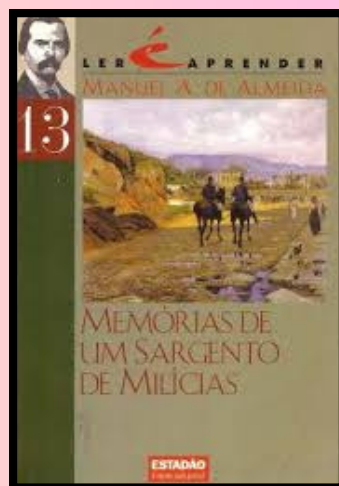

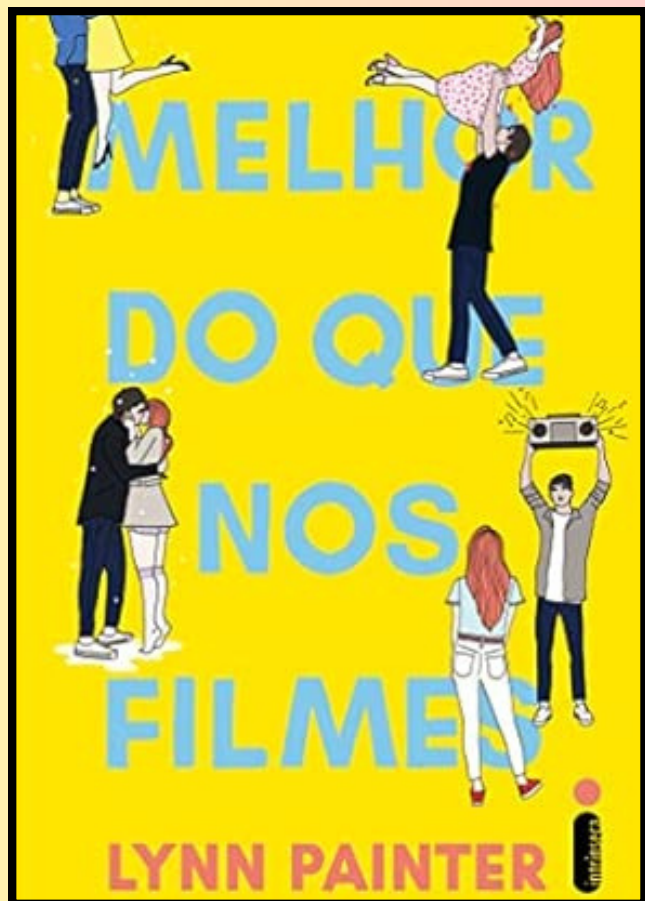

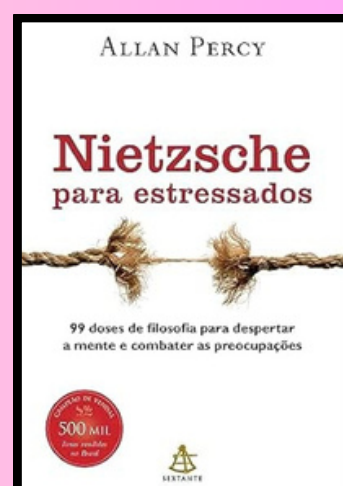

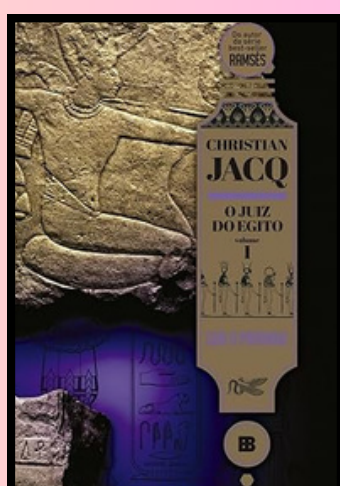

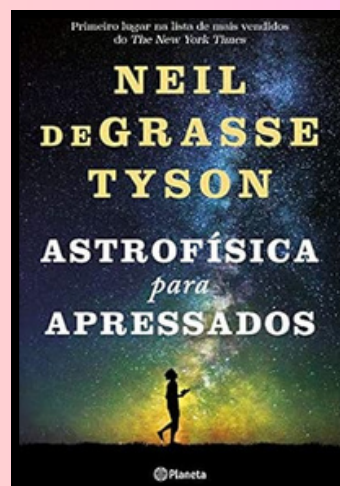

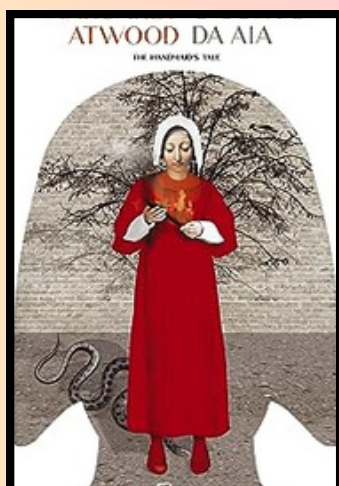

É um suspense psicológico sobre a escritora Lowen Ashleigh, que, à beira da ruína financeira, é contratada para terminar uma série de livros da aclamada autora Verity Crawford, que está em coma após um acidente. Ao investigar os manuscritos da famosa escritora em sua casa, Lowen descobre um diário que revela segredos chocantes sobre a vida de Verity, a verdade por trás do acidente e a dinâmica perturbadora da família.

É a história de Elizabeth, uma adolescente sonhadora que ama comédias românticas e planeja ter o final de seus sonhos no último ano do ensino médio. Para isso, ela pede a ajuda de seu vizinho, o irritante Wesley Bennett, para se aproximar de Michael, seu primeiro amor que está de volta à cidade. Os dois acabam criando uma relação falsa para atingir o objetivo de Liz, mas a aproximação força Elizabeth a perceber que o amor que ela procura pode estar mais perto do que ela imaginava.
