Nesta edição especial em capa dura, um dos clássicos juvenis mais lidos de todos os tempos ganha uma versão voltada para os leitores mais novos, em um formato mais apropriado para essa faixa etária e com menos páginas. Preservando as aquarelas do autor e os aspectos mais importantes da narrativa original, "O Pequeno Príncipe para crianças" é a forma ideal de apresentar esta história inesquecível às novas gerações. A capa ainda recebe a assinatura do autor e o selo holográfico oficial do Pequeno Príncipe.

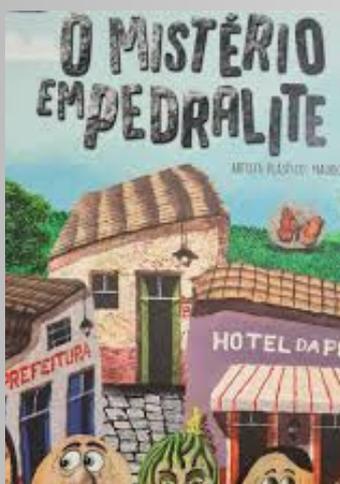

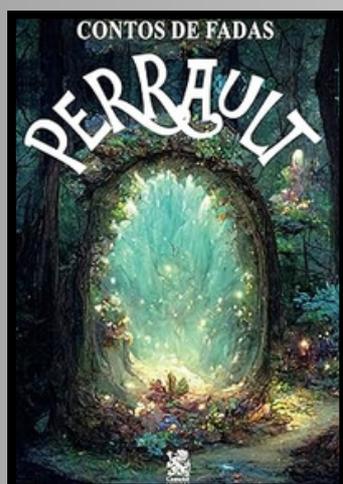

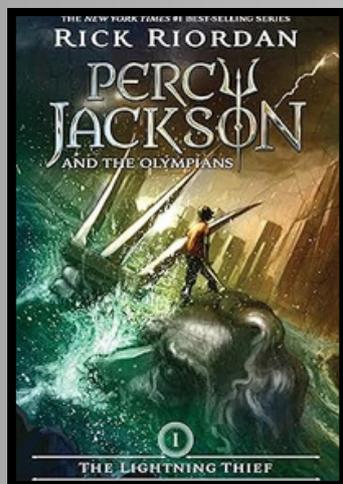

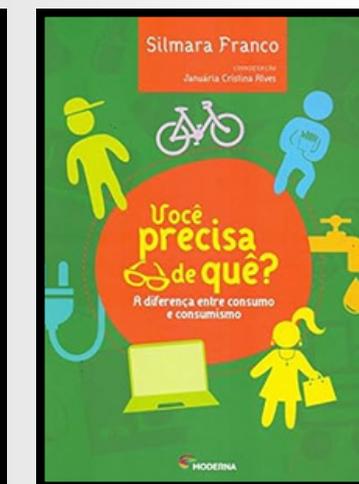

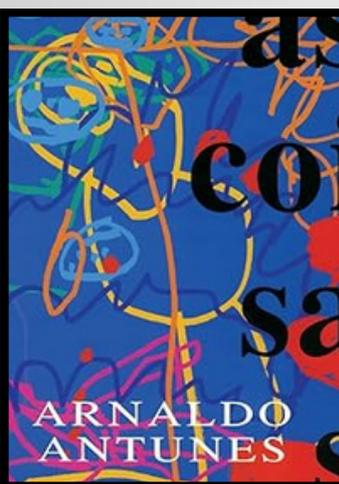

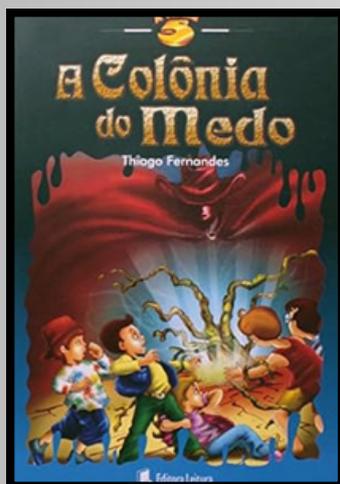

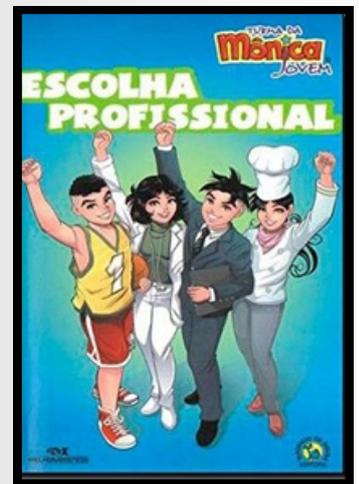

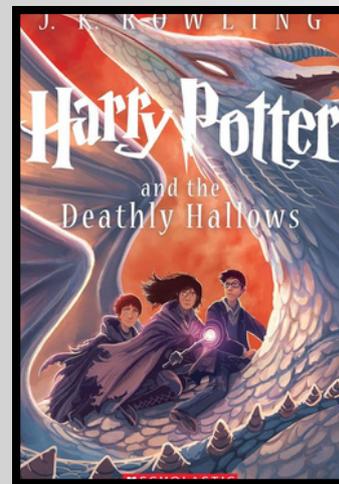

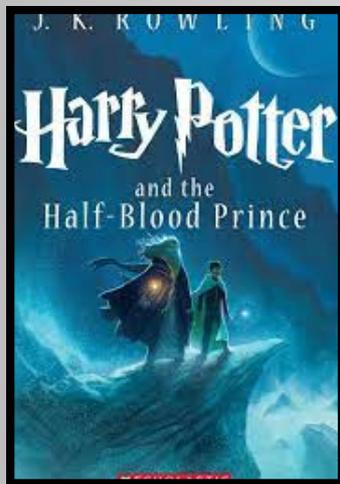

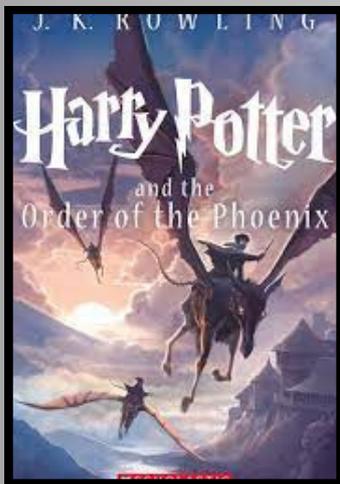

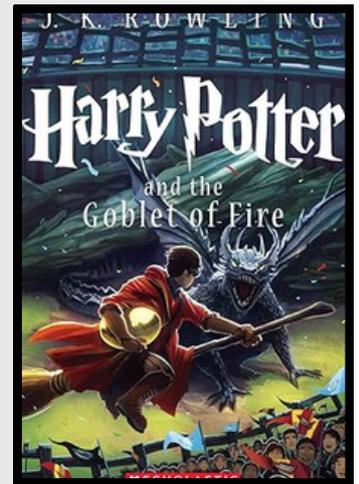

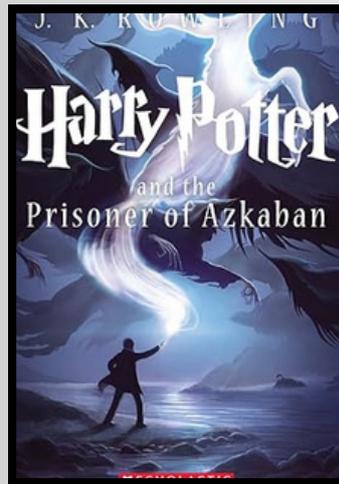

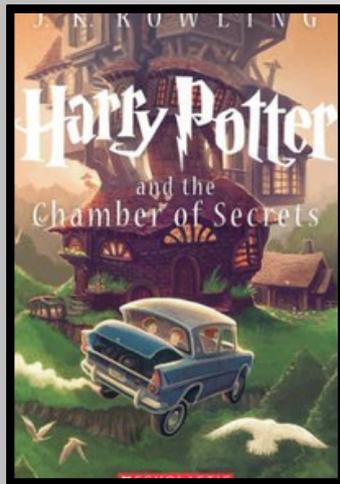

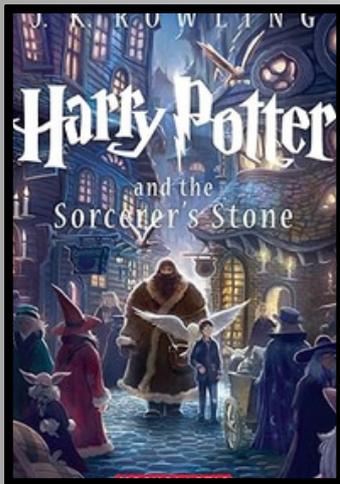

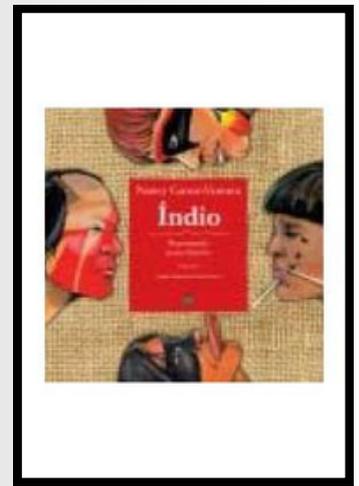

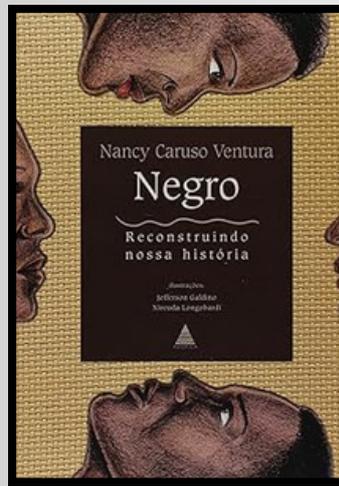

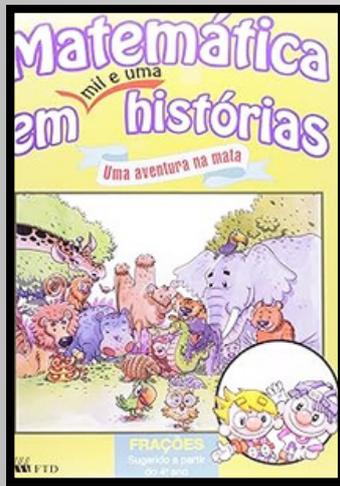

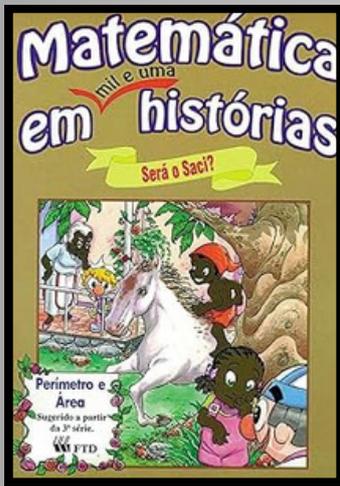

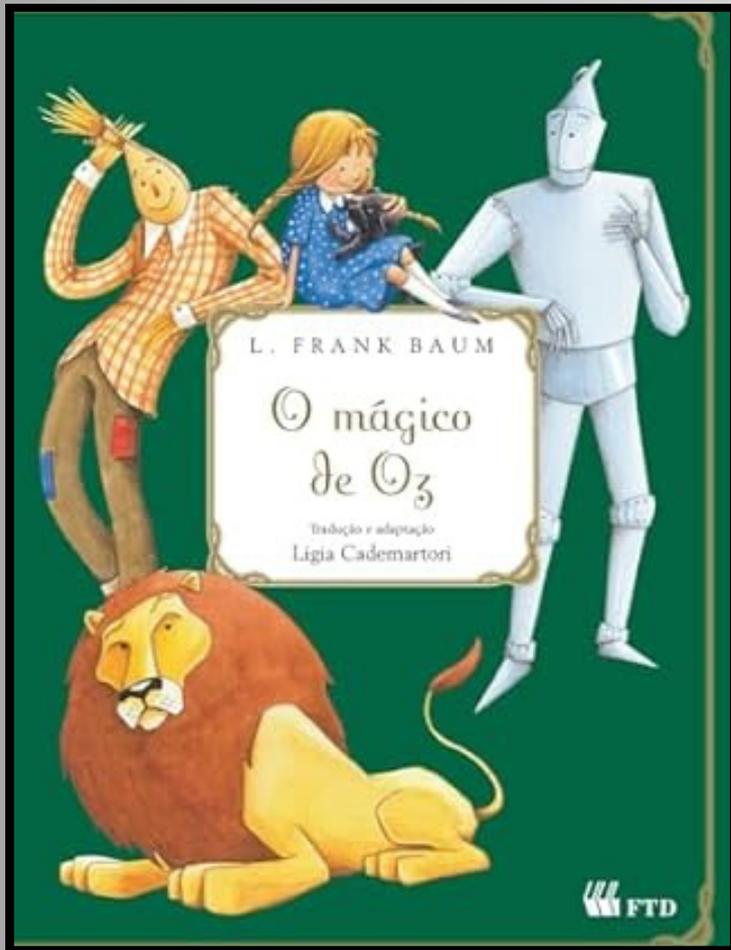

Na versão em graphic novel da primeira aventura da série Percy Jackson e os olímpianos, os deuses do Olimpo continuam vivos, ainda se apaixonam por mortais e geram filhos metade deuses, metade humanos, como os heróis da Grécia Antiga. Marcados pelo destino, eles dificilmente passam da adolescência. Poucos conseguem descobrir sua identidade.

O garoto problema Percy Jackson é um deles. Tem experiências estranhas em que deuses e monstros mitológicos parecem saltar das páginas dos livros direto para sua vida. Pior que isso: algumas dessas criaturas estão atrás dele. Um artefato precioso foi roubado do Monte Olimpo, e Percy é o principal suspeito. Para restaurar a paz, ele e seus amigos - jovens heróis modernos - terão de fazer mais do que capturar o verdadeiro ladrão: precisam elucidar uma traição mais ameaçadora que fúria dos deuses

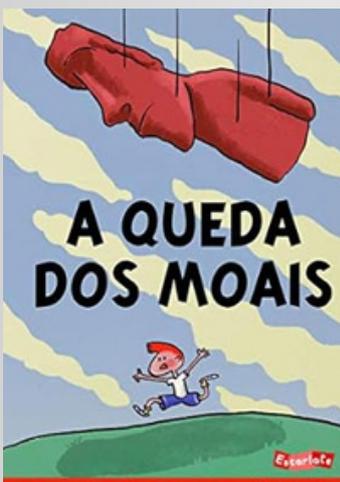

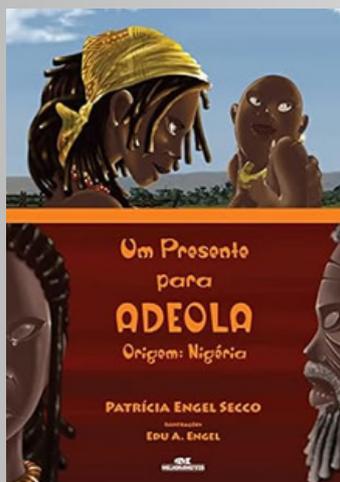

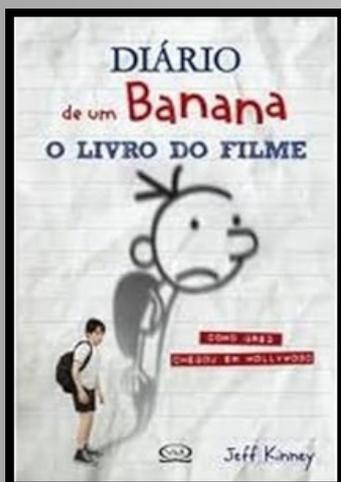

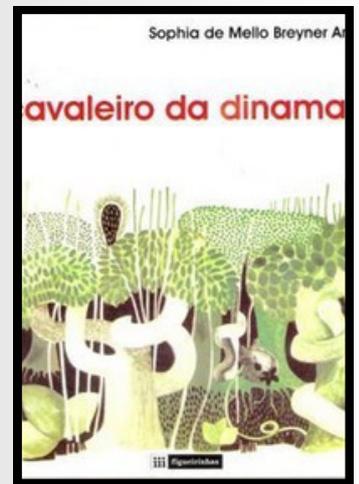

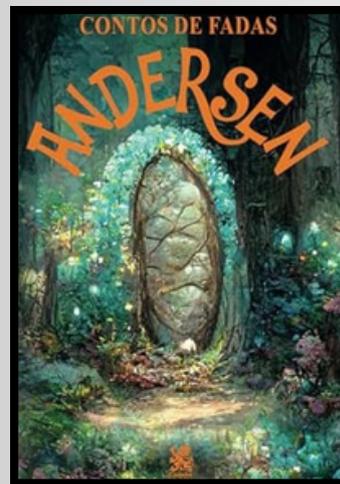

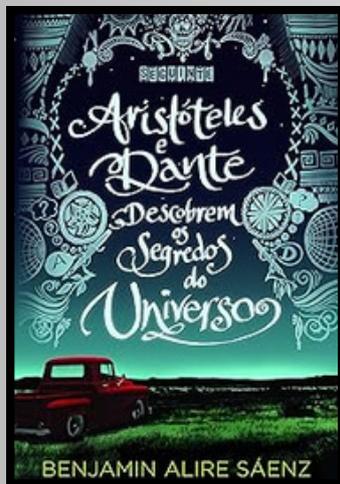

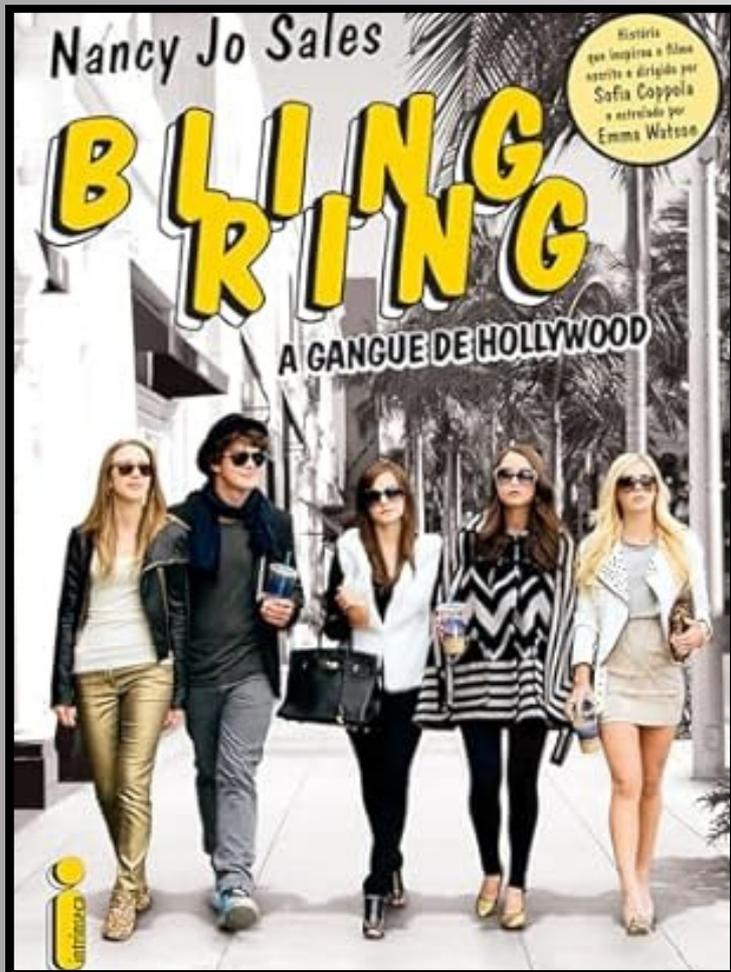

Um ciclone atinge a casa onde Dorothy vive com os tios e ela e seu cachorro Totó são levados pela ventania e param na Terra de Oz. Por lá, Dorothy faz novos amigos - o Espantalho, o Lenhador de Lata e o Leão Covarde -, encara perigos, vive histórias fantásticas e precisa enfrentar seus próprios medos. Depois de tantas aventuras, a menina descobre que seus Sapatos de Prata têm poderes mágicos e podem levá-la para qualquer parte. Mas não existe melhor lugar no mundo do que a própria casa.

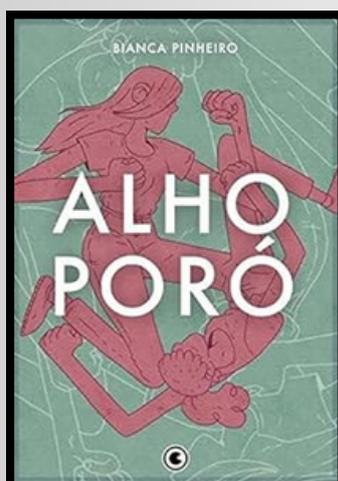

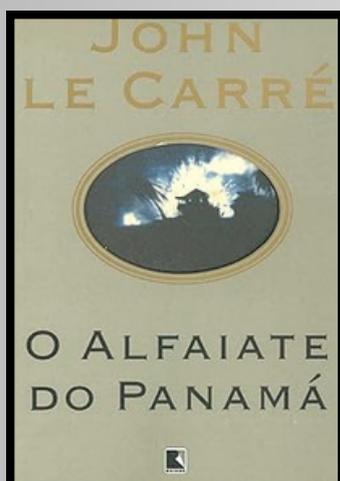

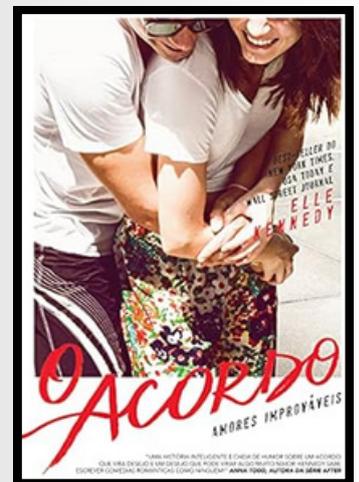

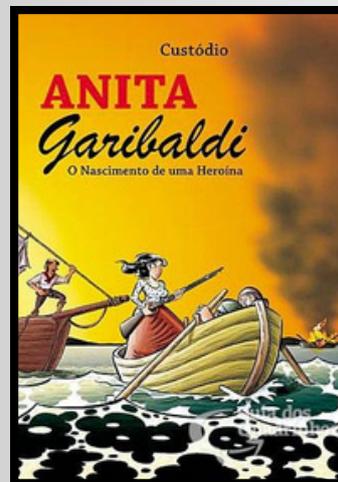

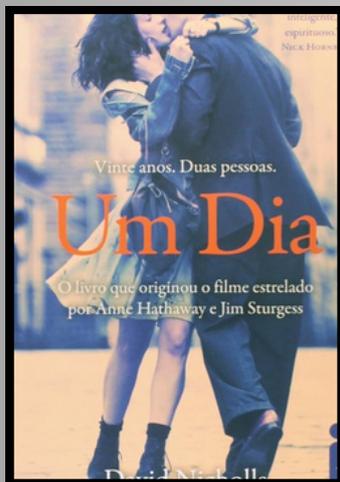

Um clássico indiscutível para todas as idades

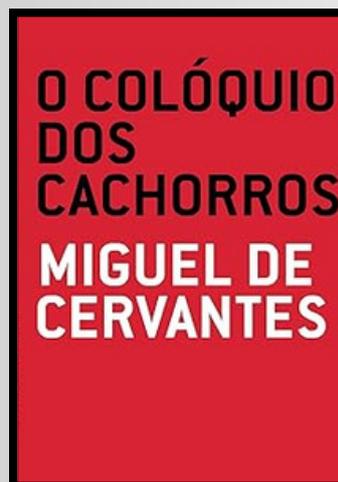

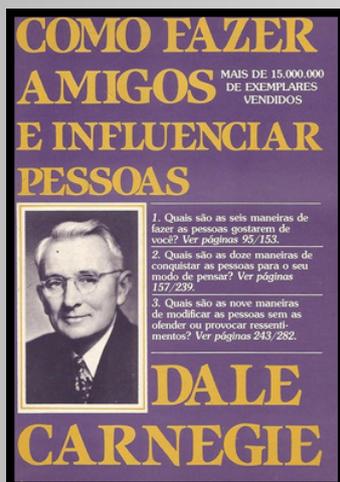

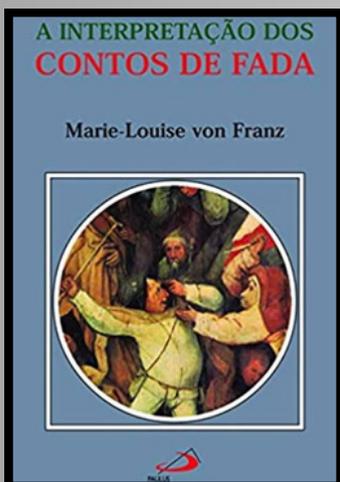

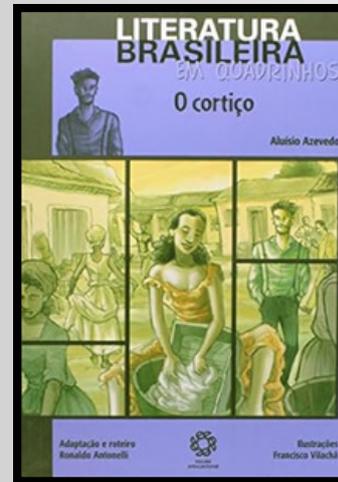

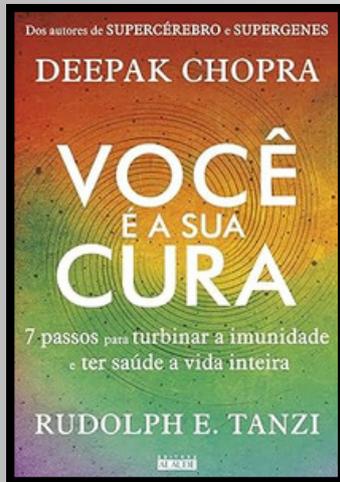

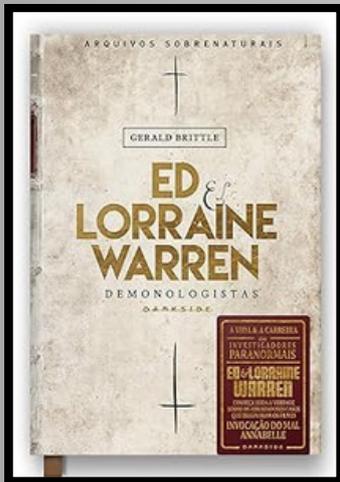

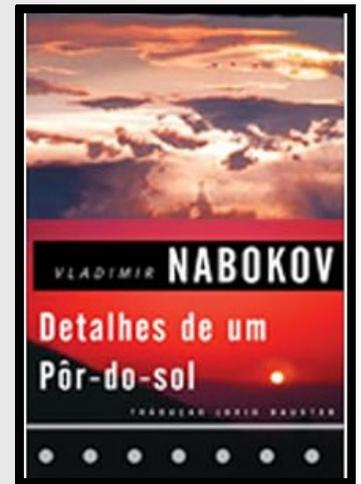

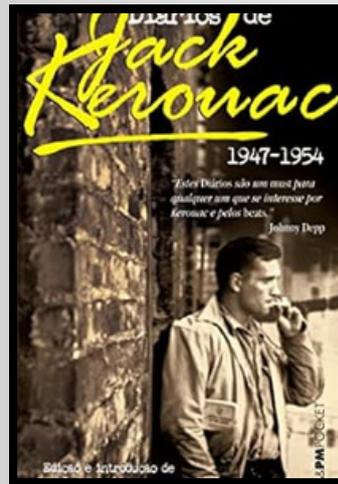

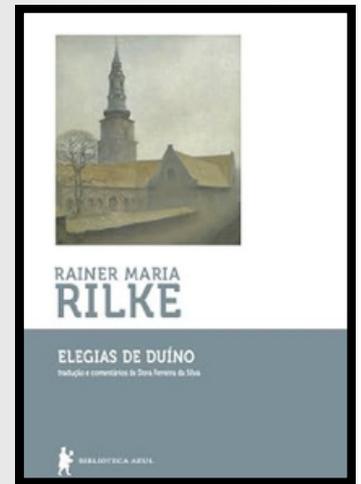

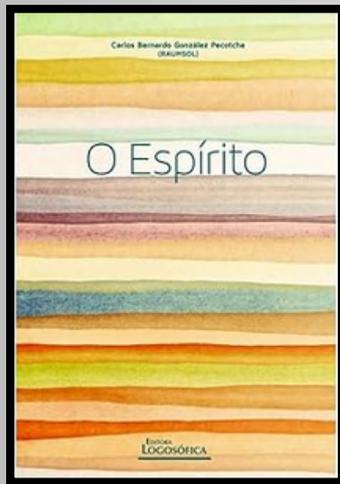

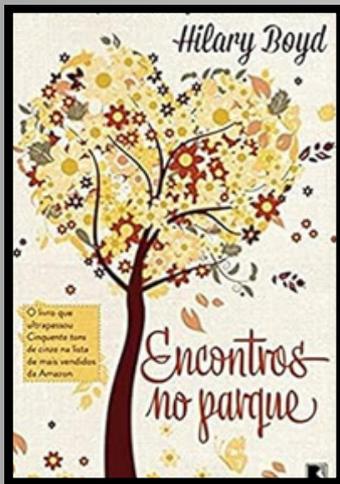

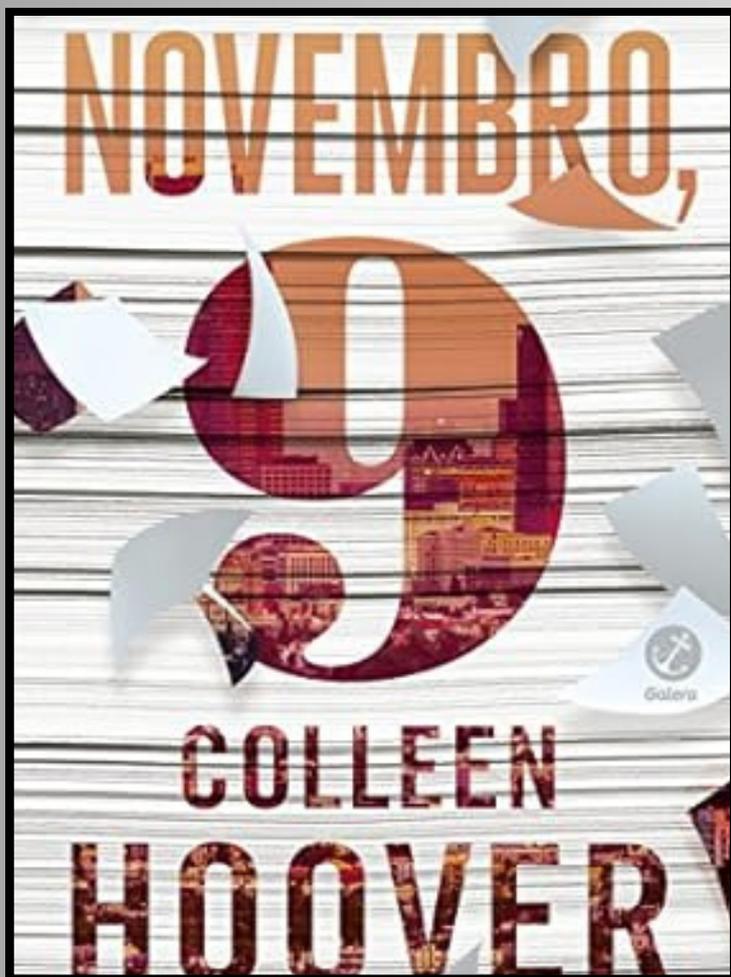

Entre 2008 e 2009, as residências de Lindsay Lohan, Orlando Bloom, Paris Hilton e diversas outras celebridades foram invadidas e saqueadas. Os ladrões, um grupo de jovens de famílias abastadas, levaram o equivalente a 3 milhões de dólares em joias, dinheiro e artigos de grife, como relógios Rolex, bolsas Louis Vuitton, perfumes Chanel e jaquetas Diane von Furstenberg.

A jornalista Nancy Jo Sales entrevistou todos os envolvidos, incluindo os pais e os advogados dos jovens, e até mesmo as celebridades que sofreram os assaltos. Em *Bling Ring: a gangue de Hollywood*, ela apresenta todos os detalhes de uma das quadrilhas mais audaciosas de nossos tempos.

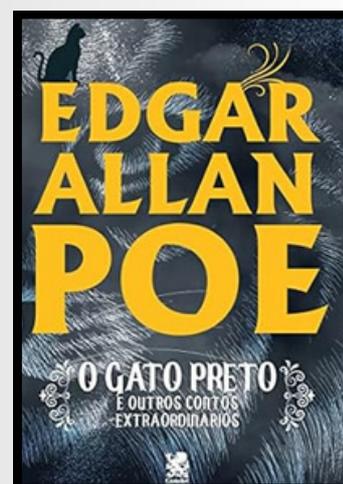

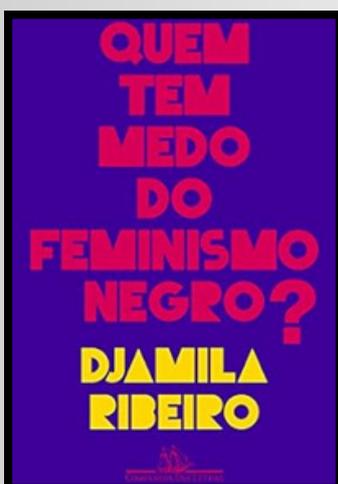

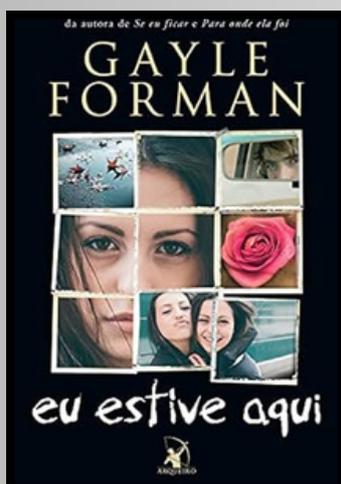

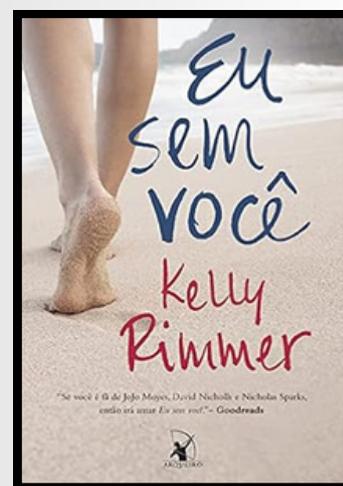

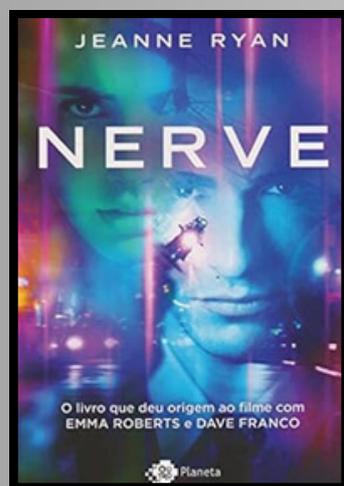

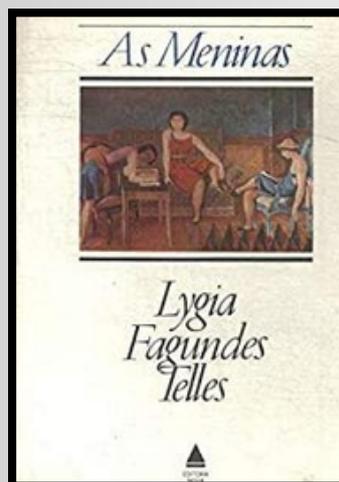

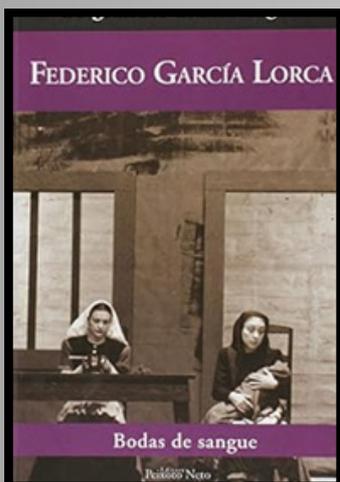

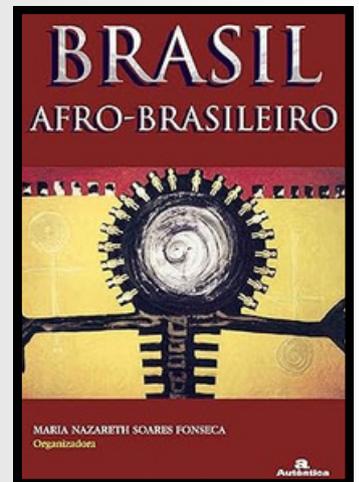

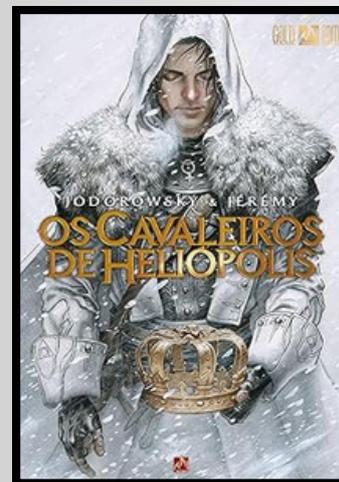

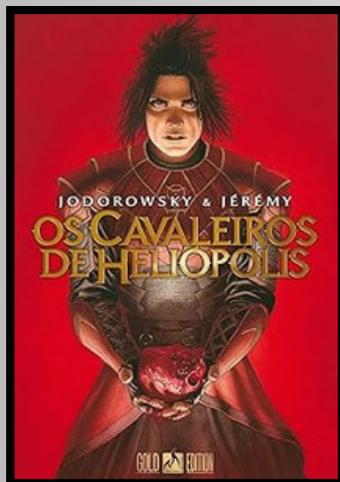

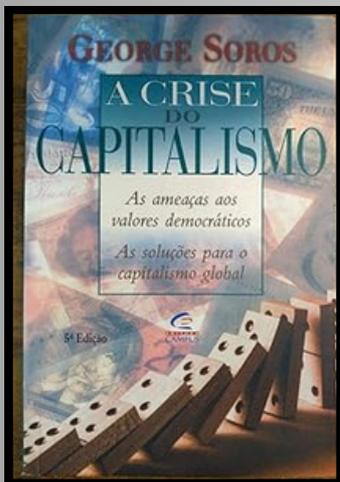

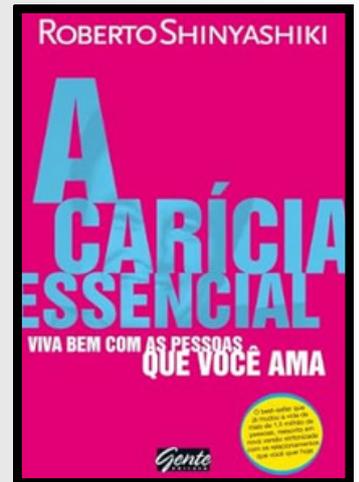

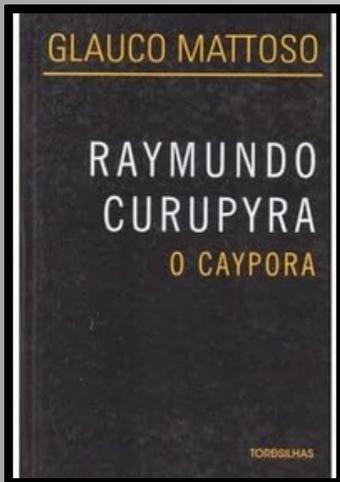

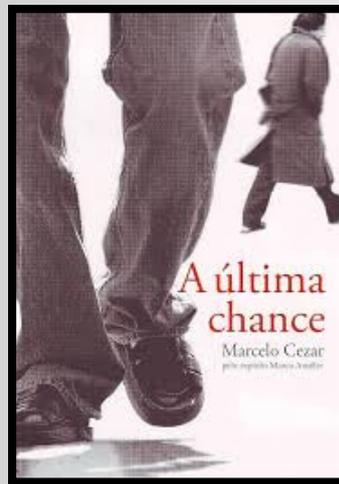

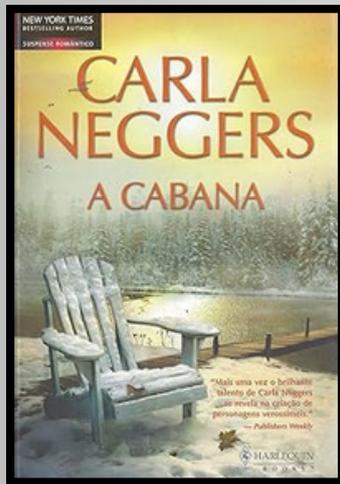

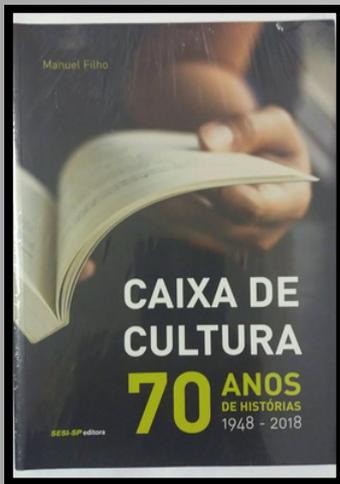

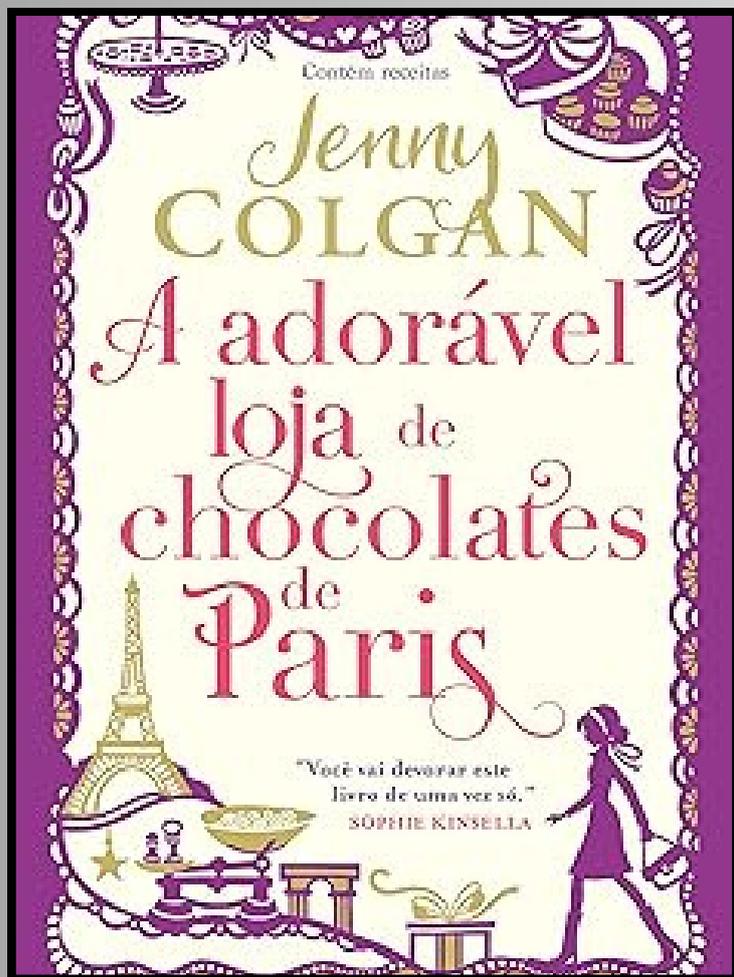

Apesar de ter apenas 18 anos, Fallon já passou por muita coisa. Sobreviveu a um incêndio que a deixou desfigurada, e viu a carreira de atriz desmoronar por conta das cicatrizes. Agora, no aniversário do fatídico acidente, ela finalmente se sente pronta para sair de Los Angeles e recomeçar a vida em Nova York.

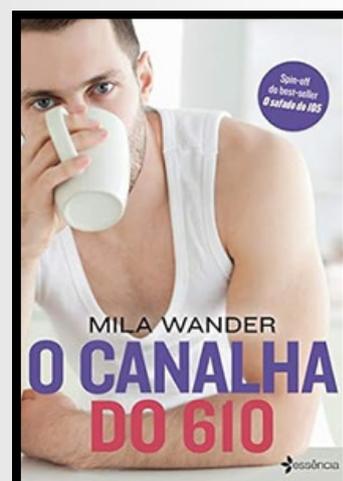

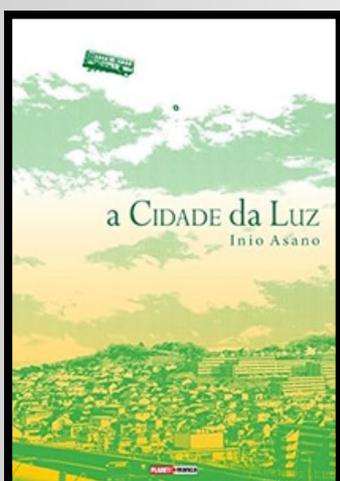

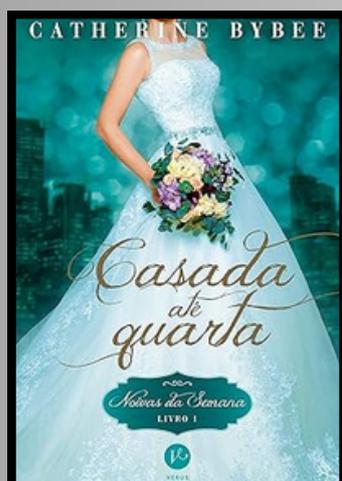

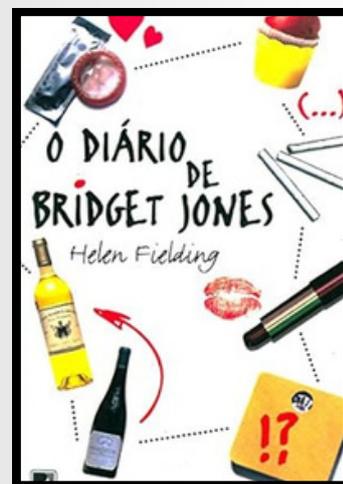

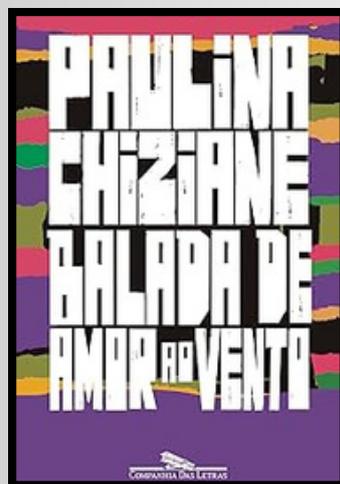

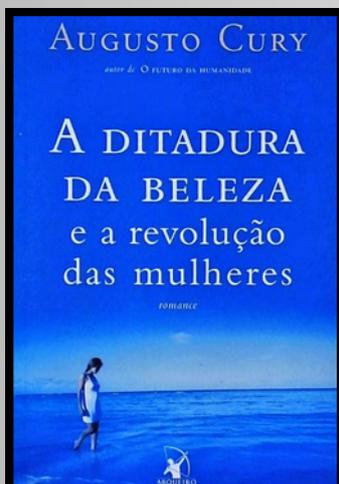

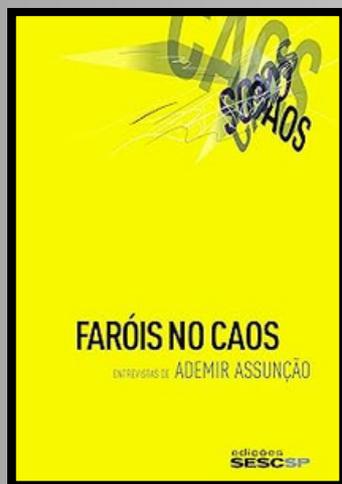

No almoço de despedida com o pai, bem na véspera da mudança, Fallon conhece Ben, um aspirante a escritor. A atração entre os dois faz com que passem o dia inteiro juntos, mas a partida iminente de Fallon os impede de viver esse amor. Decididos a vencer o destino, fazem uma promessa: se encontrar todo ano nessa mesma data.

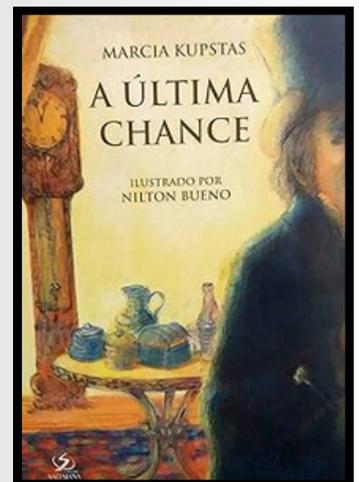

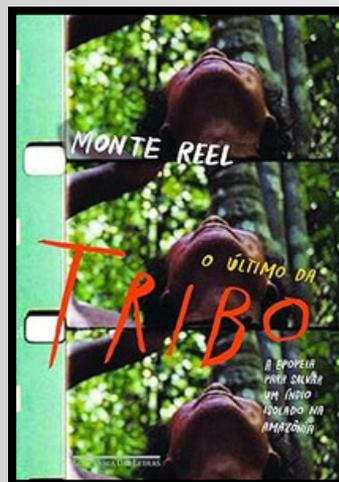

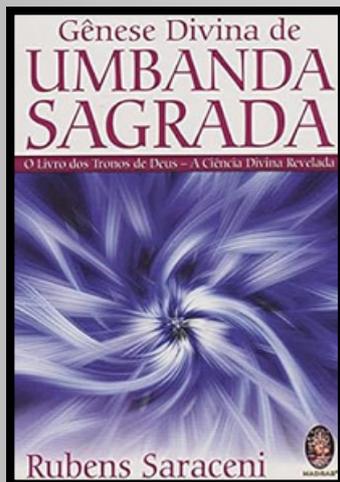

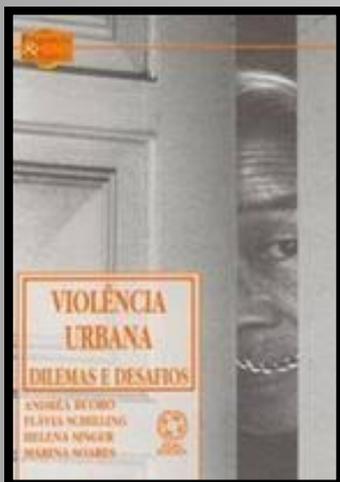

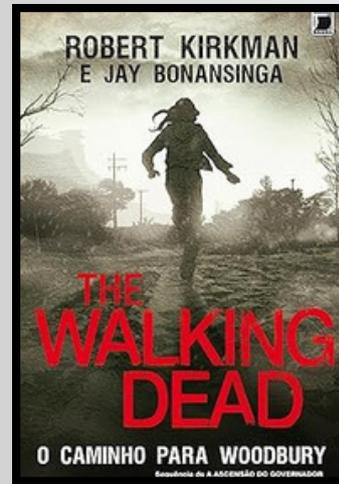

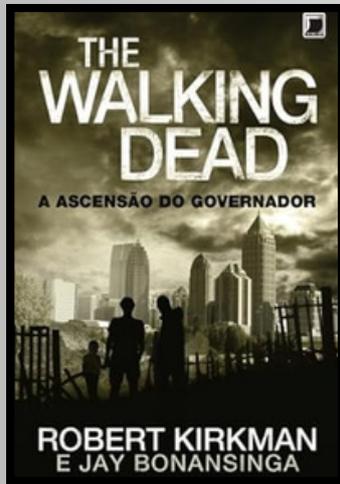

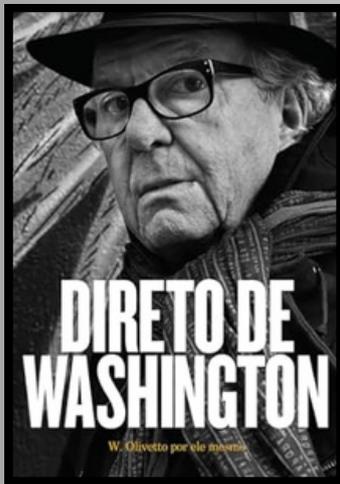

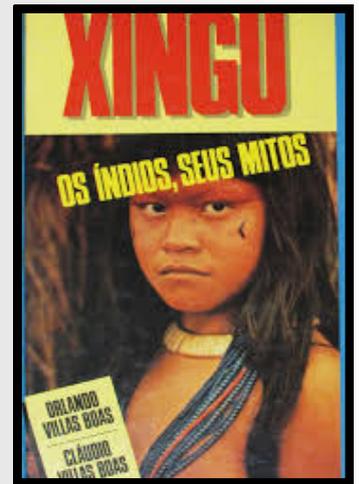

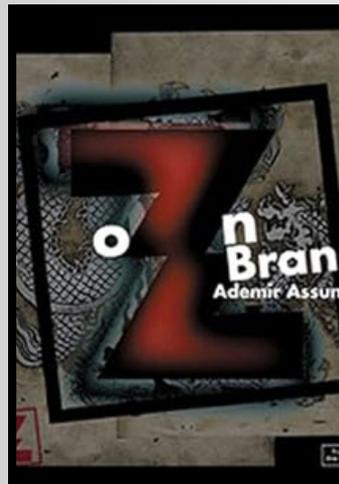

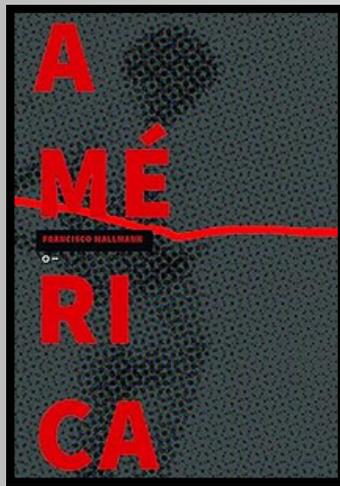

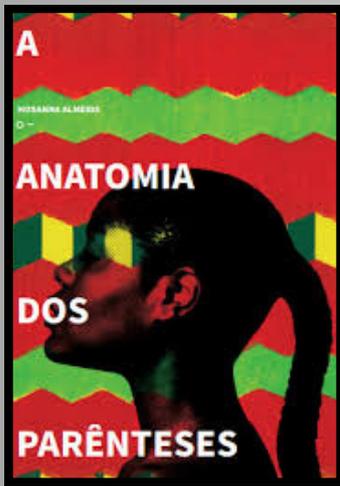

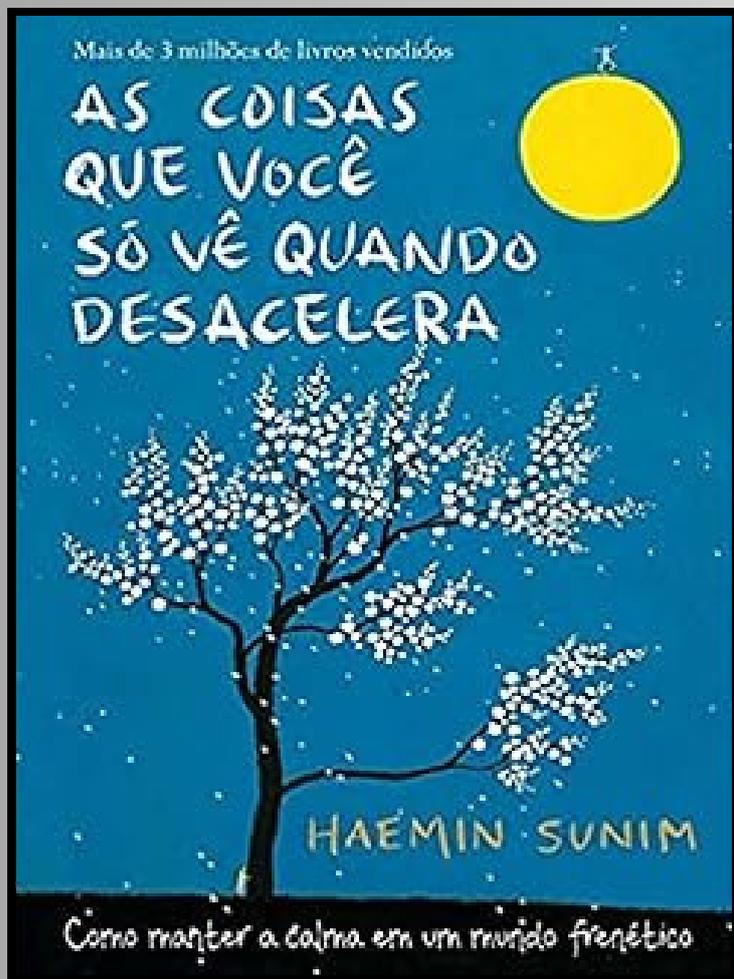

Sim, é verdade que Anna Trent é supervisora numa fábrica de chocolate. Mas isso não quer dizer que ela saiba fazer chocolate. Por isso, quando um acidente muda sua vida e Anna tem a chance de ir trabalhar numa tradicional loja em Paris, ela tem certeza de que vão descobrir que é uma fraude. Afinal, existe uma diferença muito grande entre o chocolate industrial da sua cidade natal, no norte da Inglaterra, e as criações feitas à mão, com ingredientes da melhor procedência, pelo grande chocolatier Thierry Girard. Mas com um pouco de sorte, muita paciência e a ajuda dos novos amigos, o exuberante Sami e o galanteador Frédéric, Anna vai descobrir mais sobre o verdadeiro chocolate – e sobre si mesma – do que jamais sonhou.

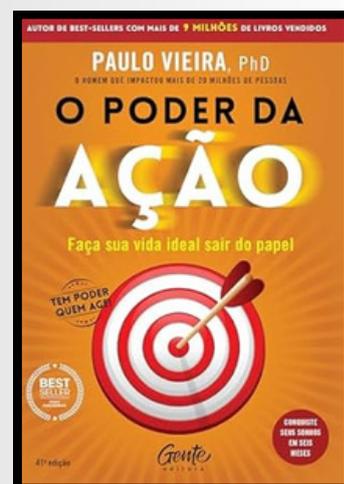

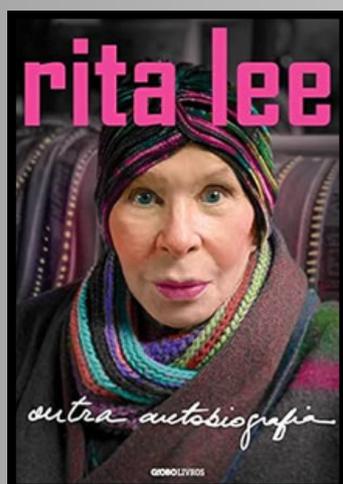

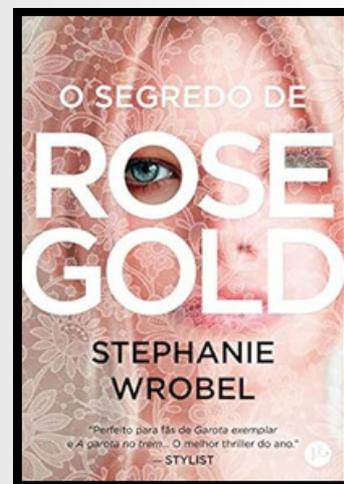

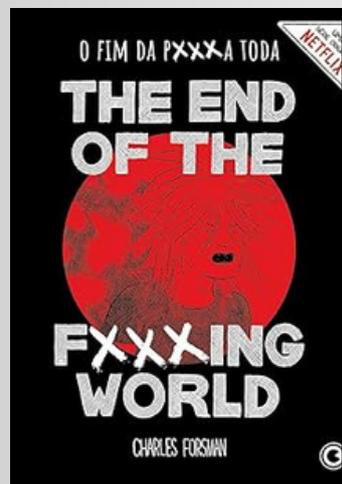

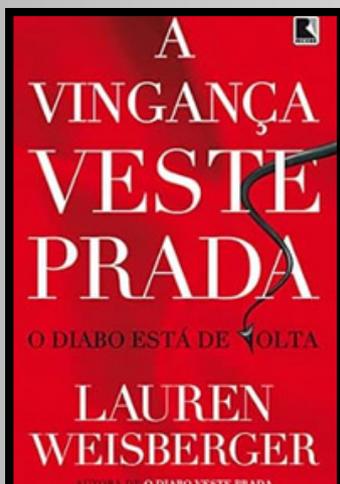

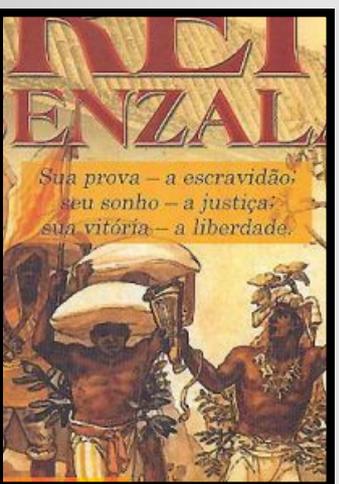

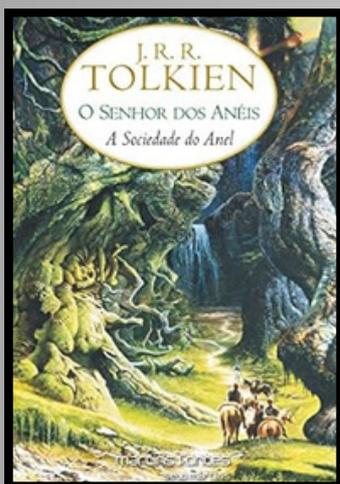

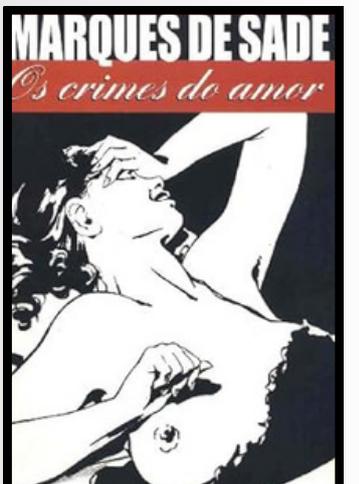

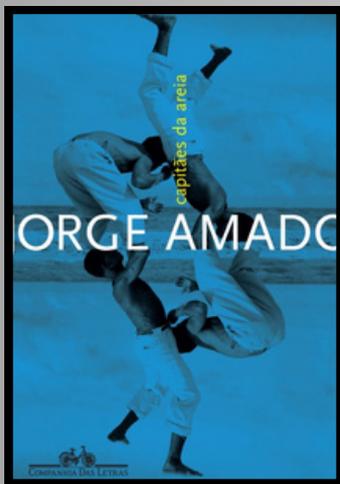

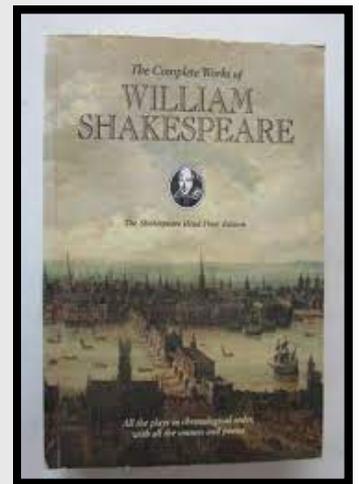

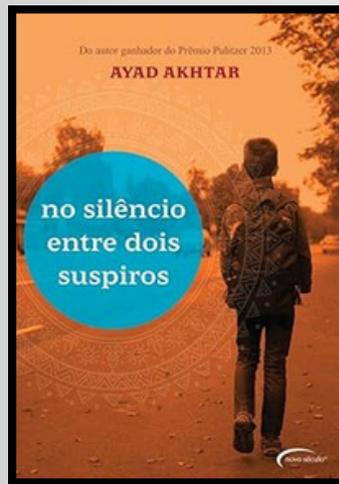

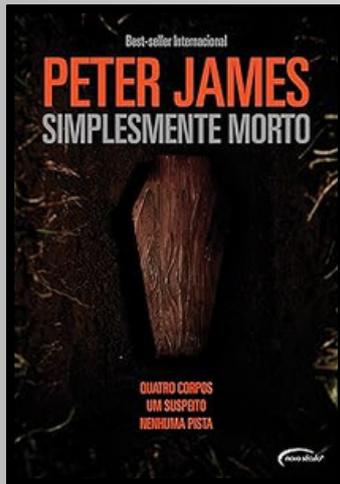

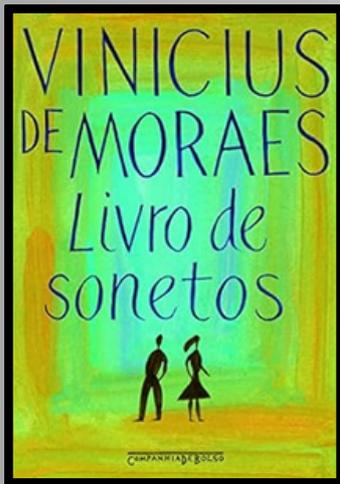

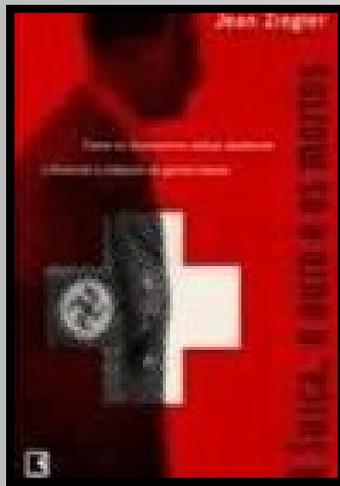

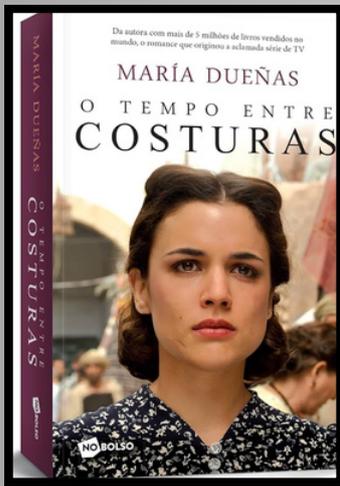

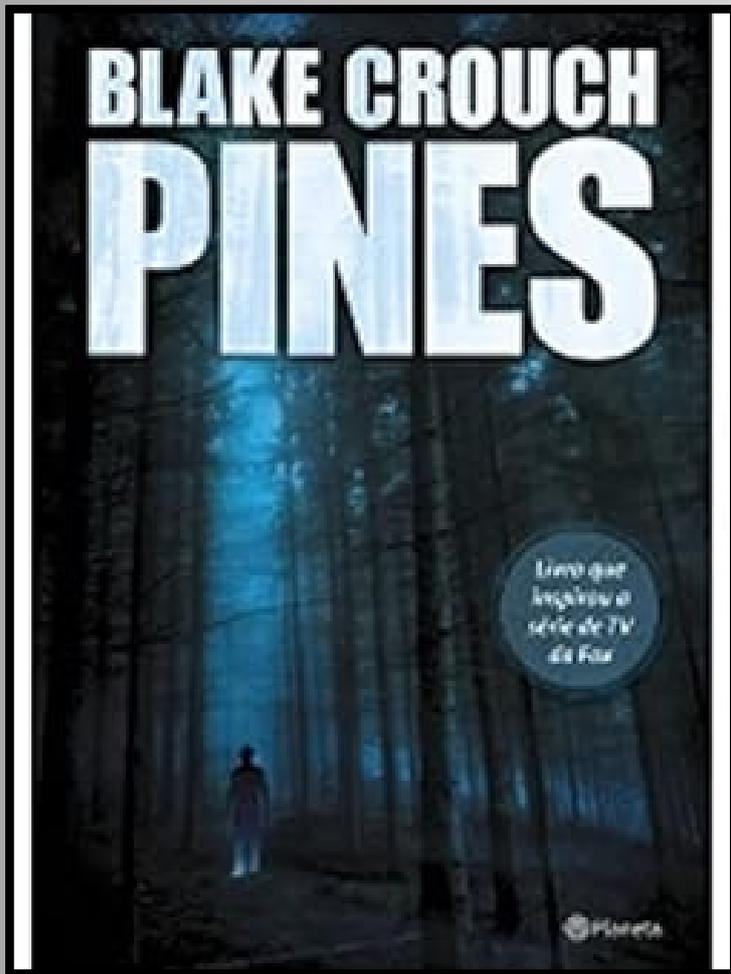

Escrito pelo mestre zen-budista sul-coreano Haemin Sunim, *As coisas que você só vê quando desacelera* é um desses raros e tão necessários livros para quem deseja tranquilizar os pensamentos e cultivar a calma e a autocompaixão.

Ilustrado com extrema delicadeza, ele nos ajuda a entender nossos relacionamentos, nosso trabalho, nossas aspirações e nossa espiritualidade sob um novo prisma, revelando como a prática da atenção plena pode transformar nosso modo de ser e de lidar com tudo o que fazemos.

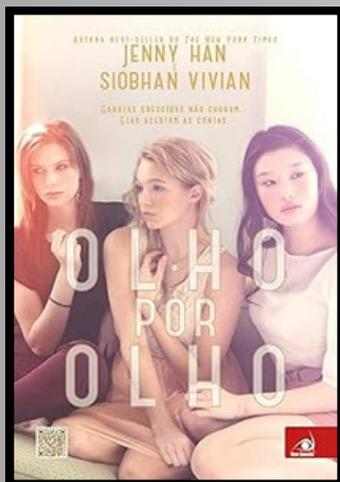

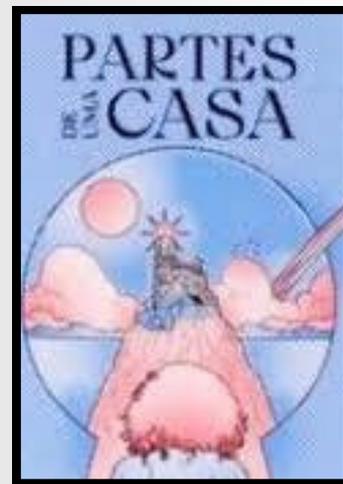

Você vai descobrir que a forma como percebemos o mundo é um reflexo do que se passa em nossa mente. Quando nossa mente está alegre e compassiva, o mundo também está. Quando ela está repleta de pensamentos negativos, o mundo parece sombrio. E quando nossa mente descansa, o mundo faz o mesmo.

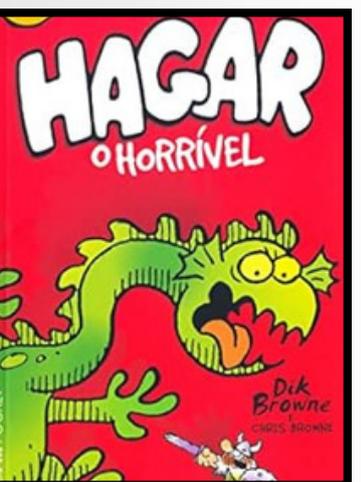

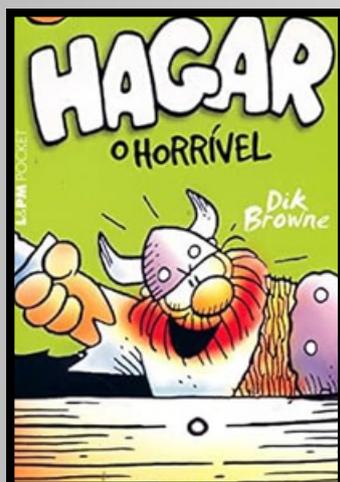

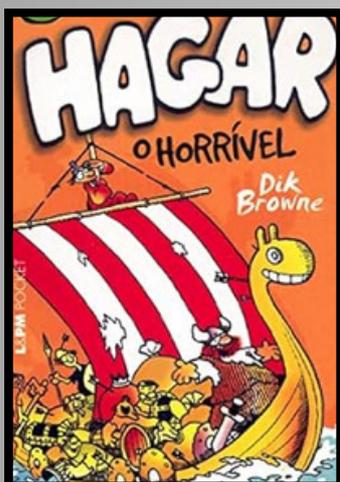

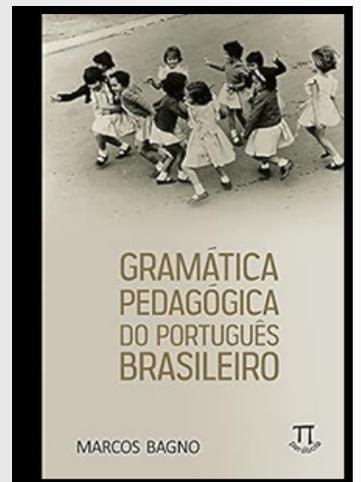

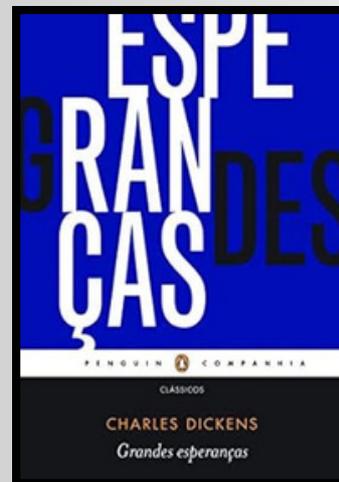

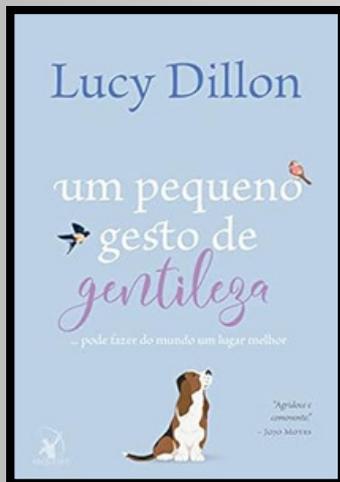

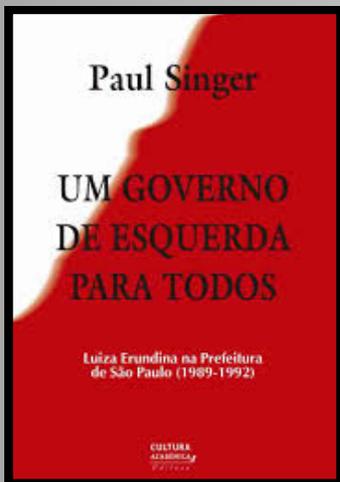

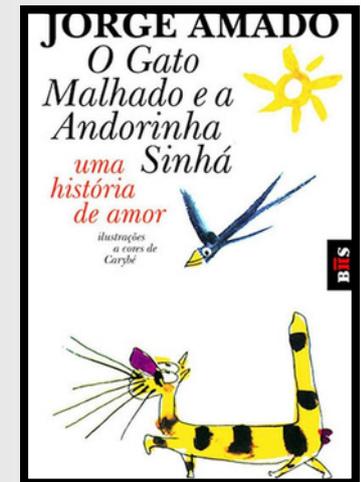

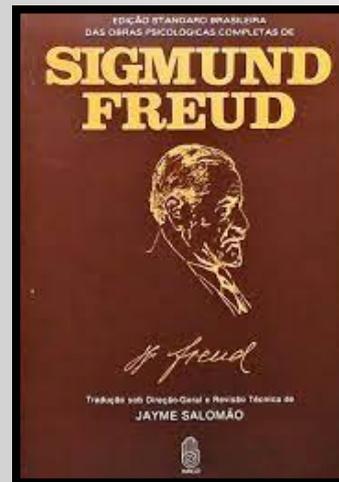

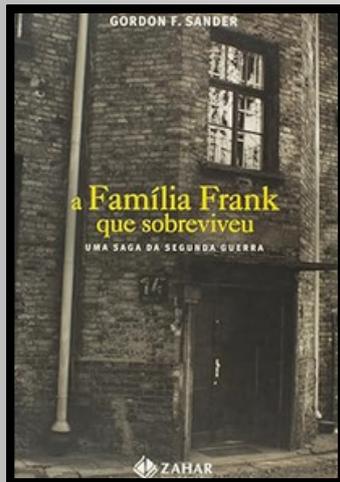

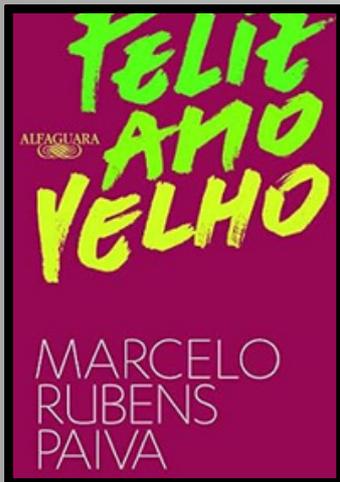

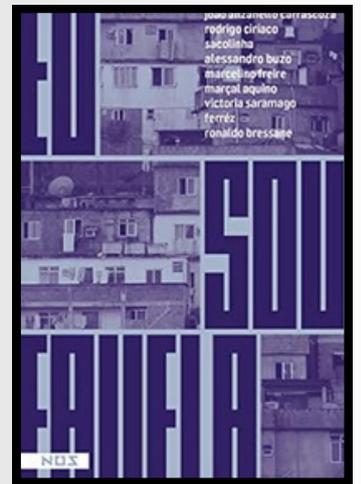

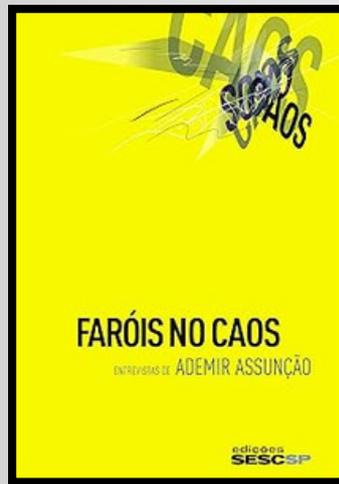

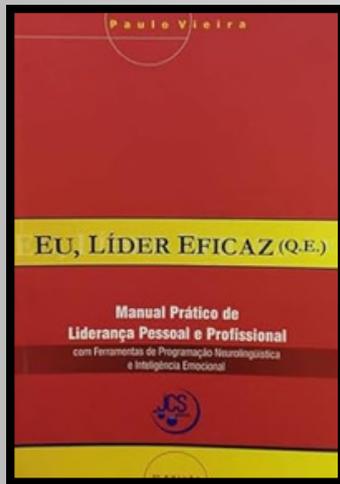

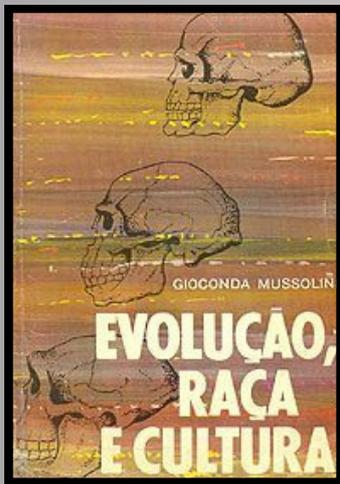

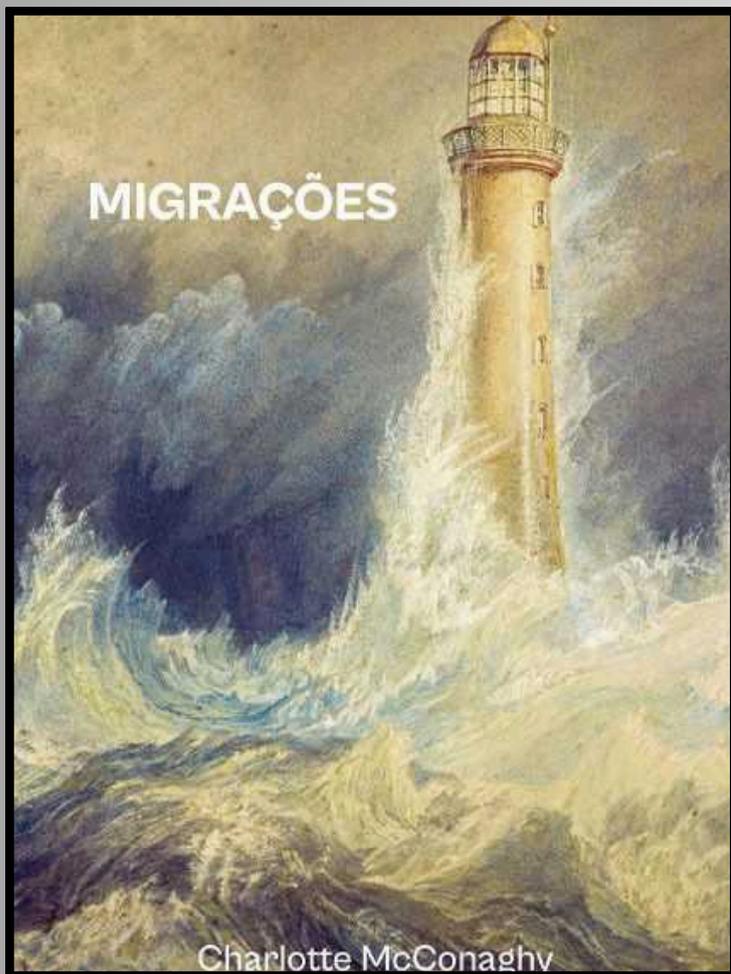

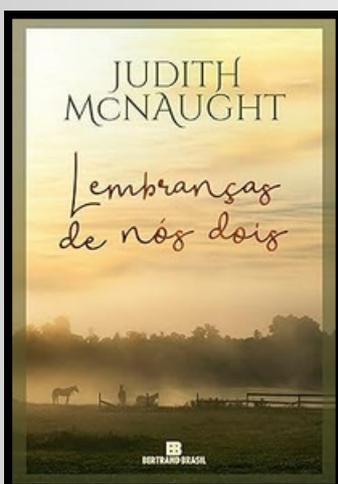

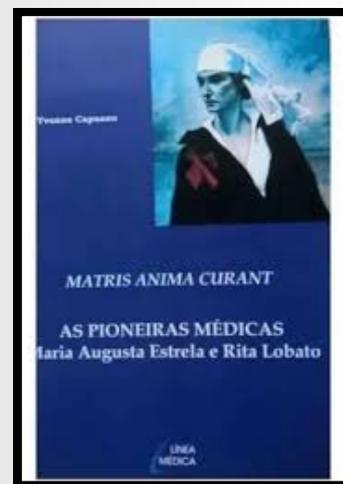

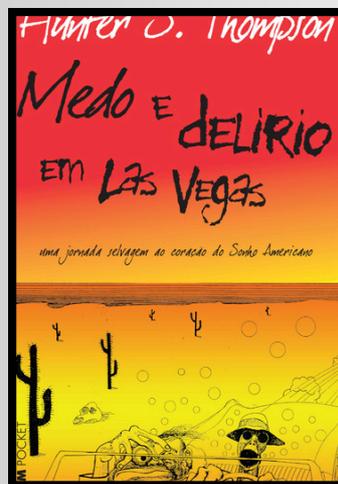

O agente secreto americano Ethan Burke chega à aparentemente pacata cidade de Wayward Pines, em Idaho, Estados Unidos, com a missão de descobrir o que ocorreu com dois de seus colegas, que sumiram sem deixar rastro. Mas, ao chegar, Burke se envolve em um violento acidente de carro e acorda, dias depois, em um hospital da cidade sem sua carteira, seu celular e a pasta que continha os papéis secretos que o levaram até a região. Sem nenhum documento que confirme sua identidade, o agente não convence os moradores da cidade de que é quem diz ser. Para piorar a situação, ele não consegue contatar sua mulher e filho. Rapidamente, Burke percebe que nem tudo é o que parece ser em Wayward Pines e que o cenário bucólico do lugar esconde algo sinistro.

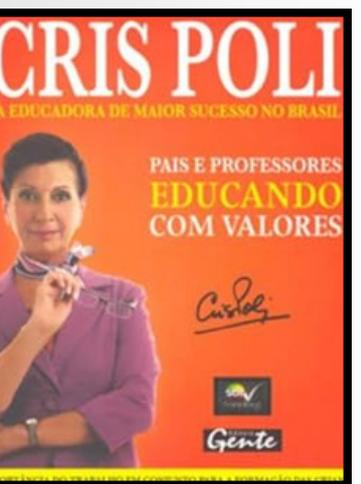

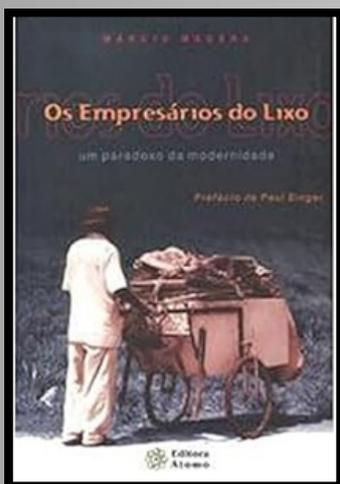

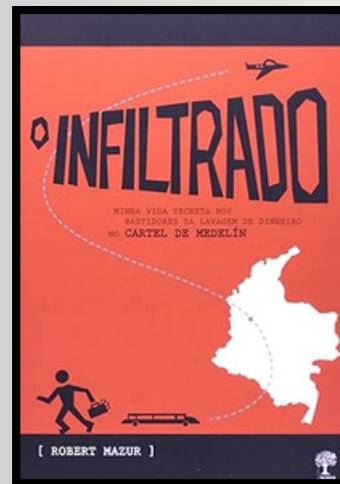

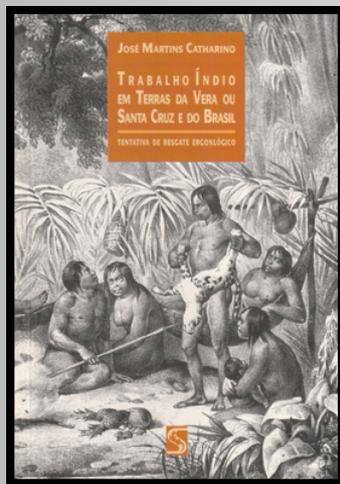

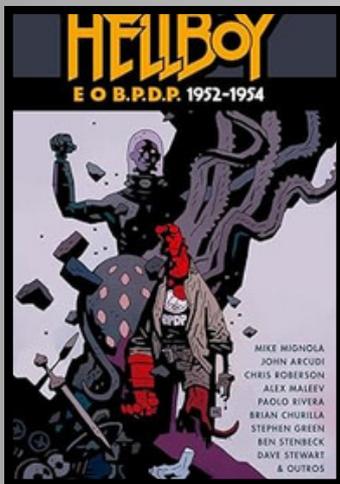

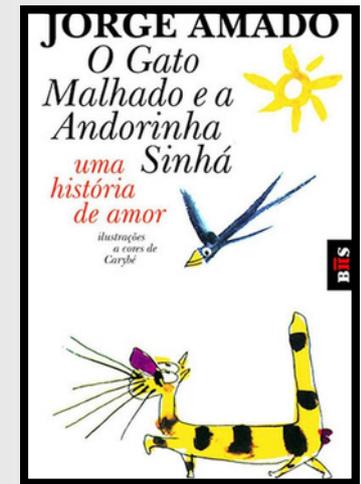

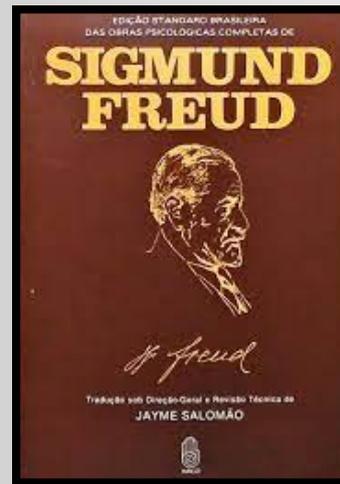

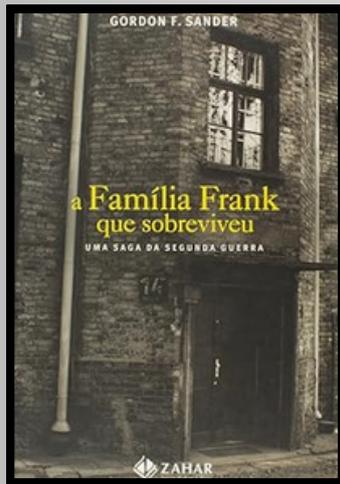

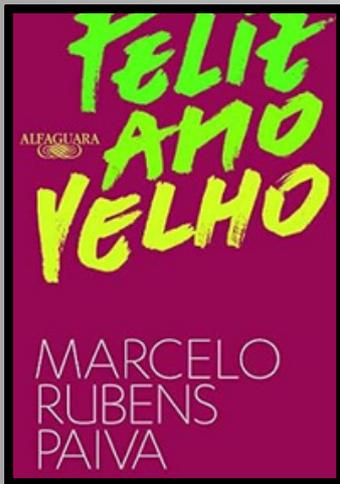

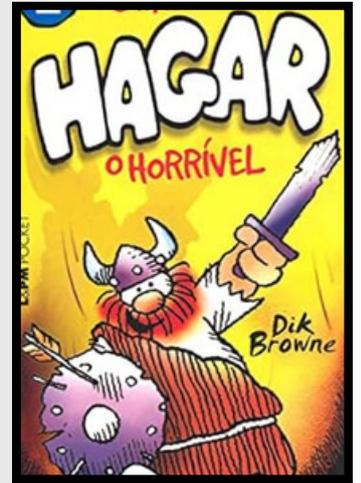

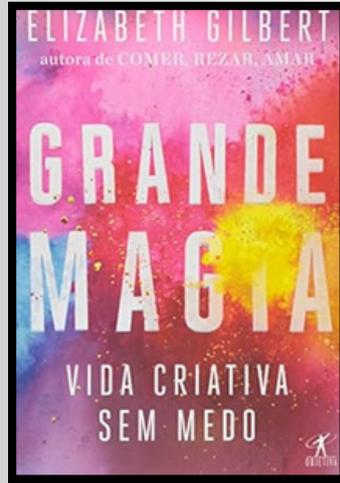

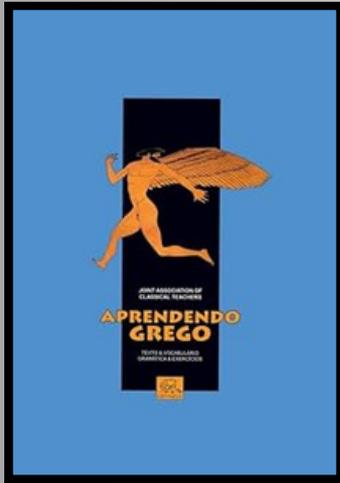

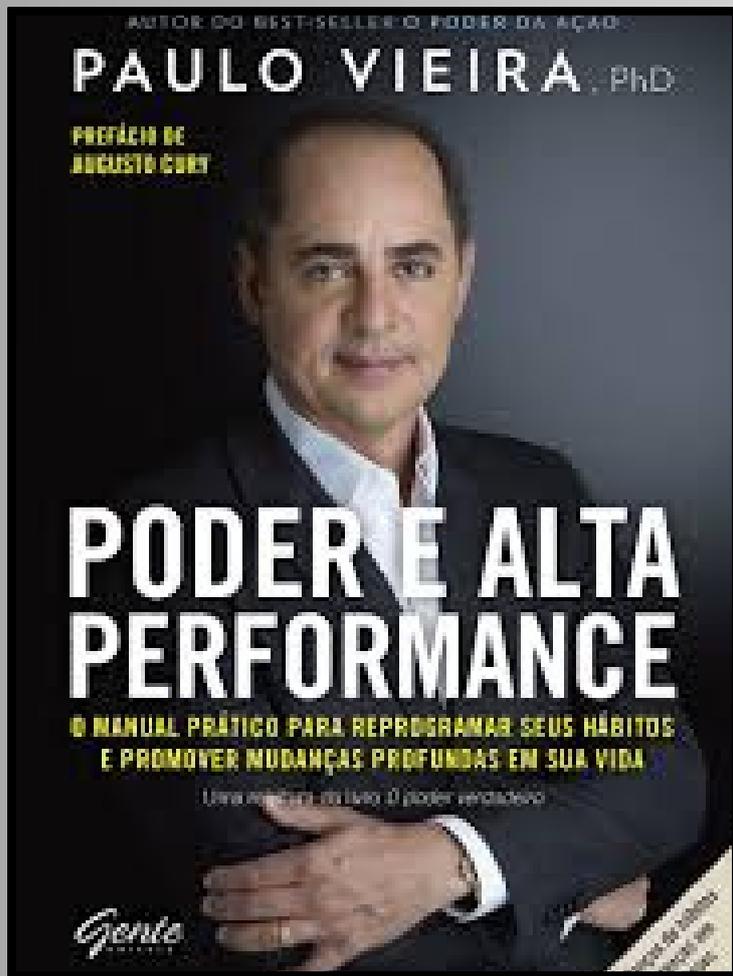

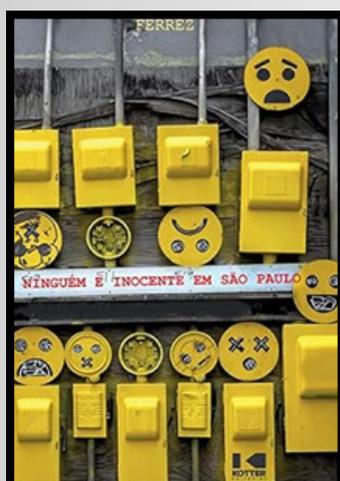

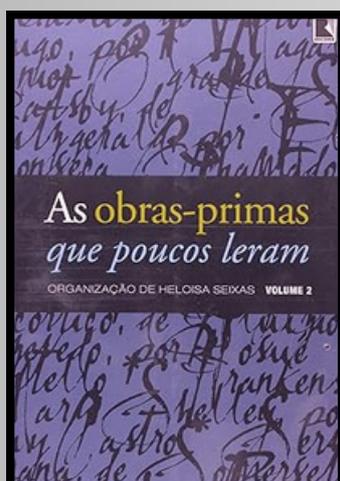

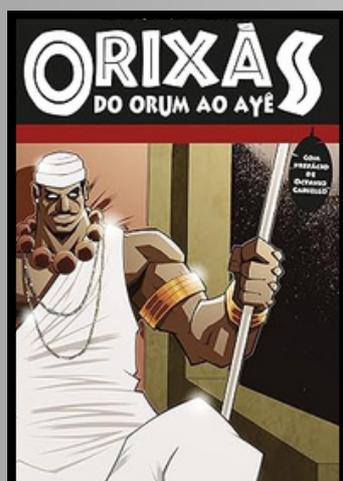

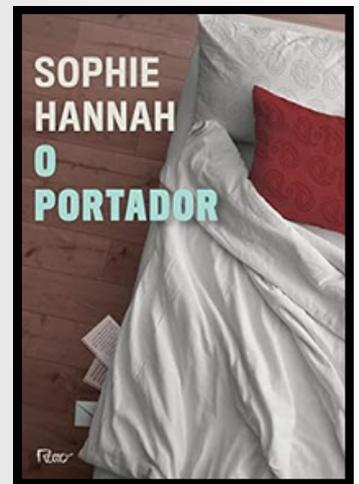

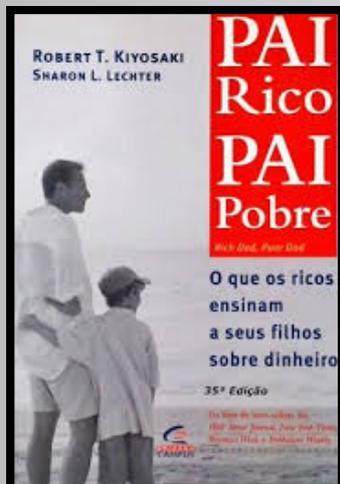

Franny Stone sempre foi o tipo de mulher capaz de amar, mas incapaz de ficar. Deixando tudo para trás, menos seu equipamento de pesquisa, ela chega à Groenlândia com um propósito singular: seguir as últimas andorinhas-do-mar do Ártico no que pode ser sua migração final para a Antártida. Franny consegue um lugar em uma embarcação de pesca, e ela e a tripulação zarpam, viajando cada vez mais longe da costa e da segurança. Mas quando a história de Franny começa a se desenrolar – um caso de amor apaixonado, uma família ausente, um crime devastador – fica claro que ela está perseguindo mais do que apenas os pássaros. Quando os segredos obscuros de Franny a alcançam, quanto ela está disposta a arriscar por mais uma chance de redenção?

Ter uma vida melhor e ser bem-sucedido na vida pessoal e, ao mesmo tempo, na profissional é perfeitamente possível. No entanto, como fazer isso é a questão que aflige muitas pessoas, pois é difícil pôr as estratégias em prática. Com o objetivo de promover mudanças rápidas, profundas e permanentes no ser humano, Paulo Vieira oferece neste livro as ferramentas fundamentais para que o leitor tenha uma vida plena e assuma o controle do seu destino, tonando-se tudo aquilo para o que ele foi criado.
