CATÁLOGO DE NOVIDADES MENSAL

BIBLIOTECA MARTINICO PRADO

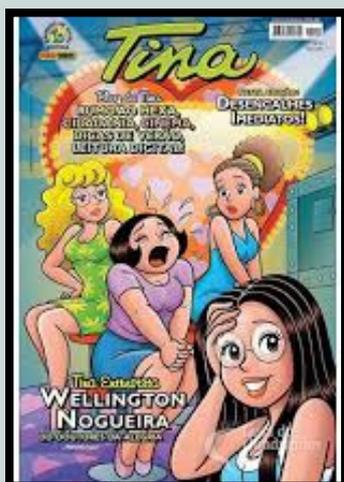

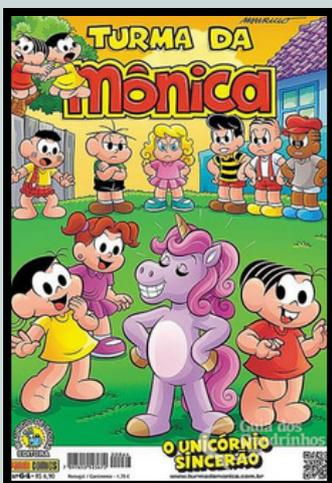

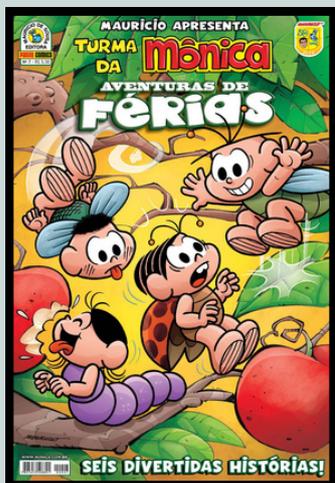

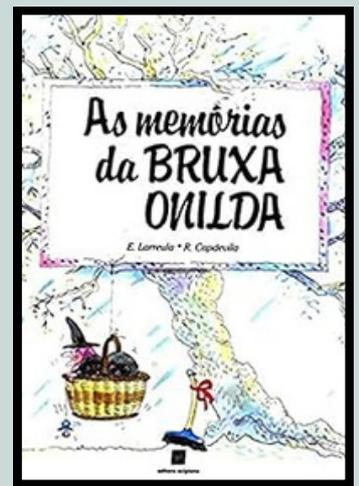

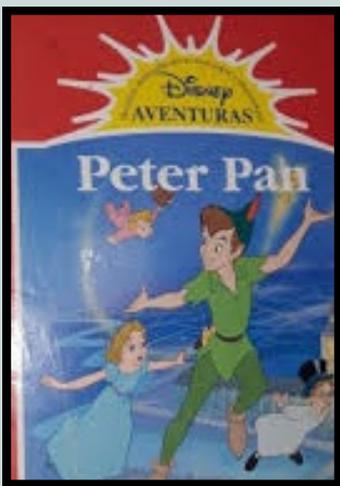

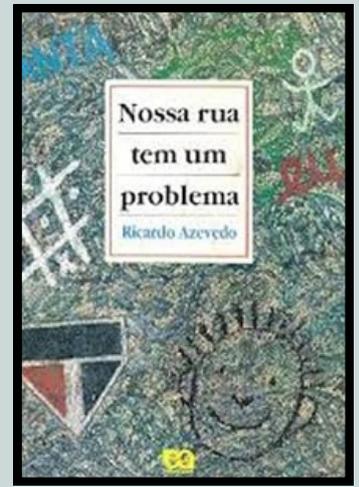

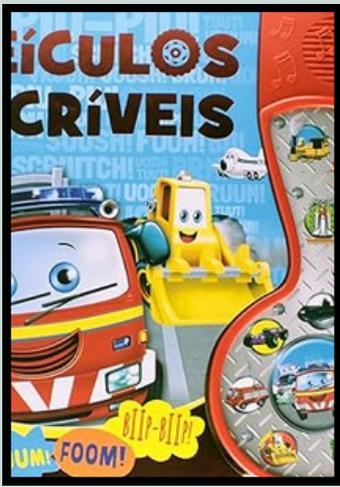

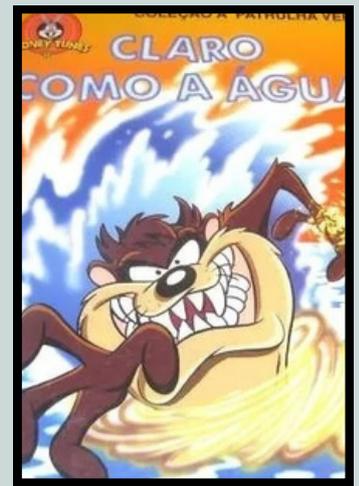

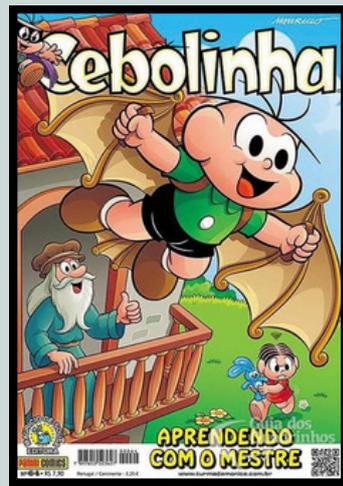

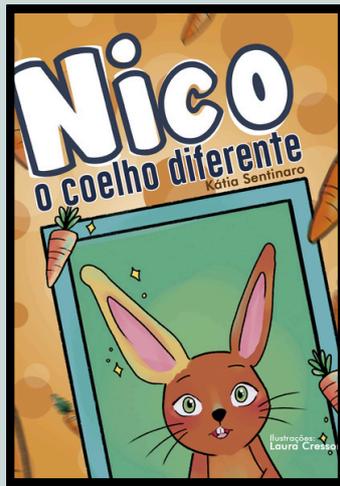

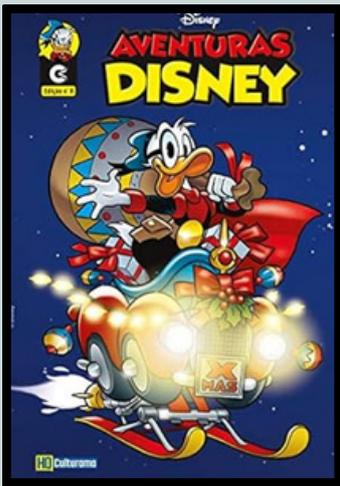

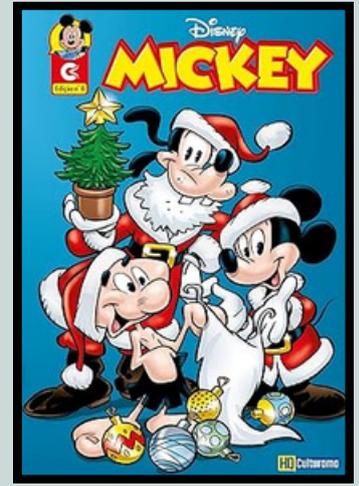

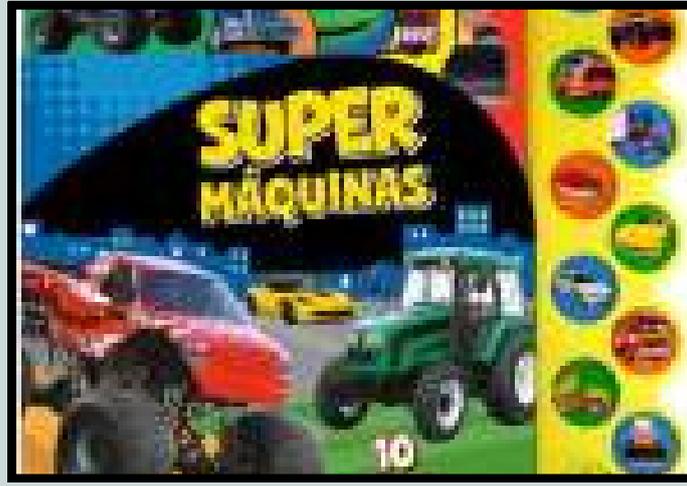

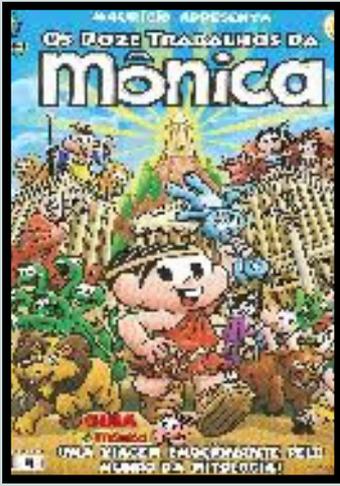

**PREFEITURA DE
ARARAS**

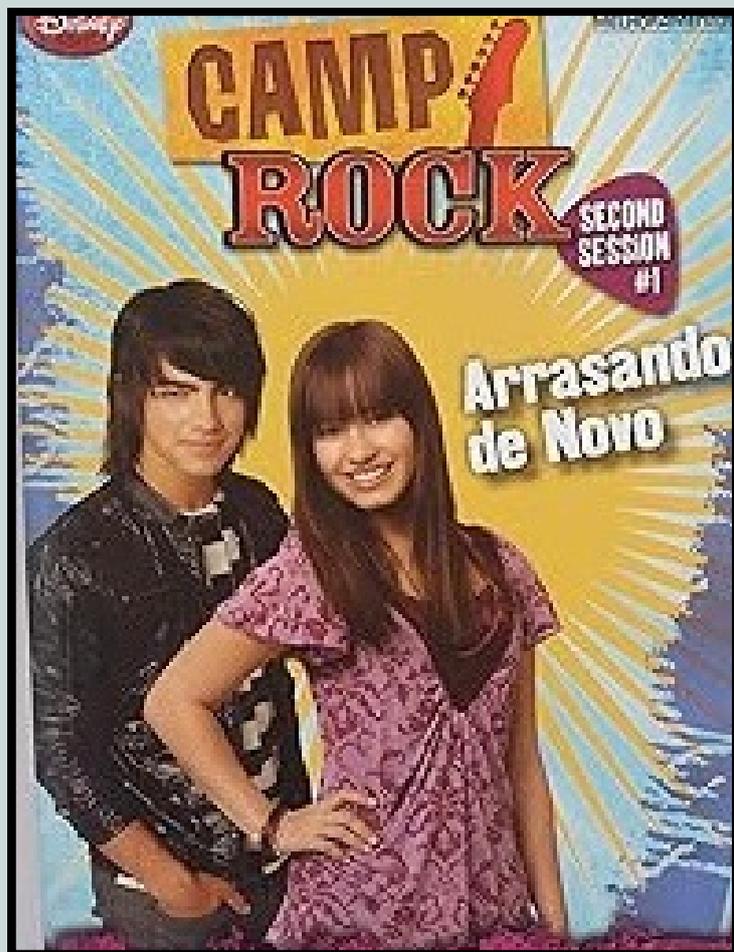

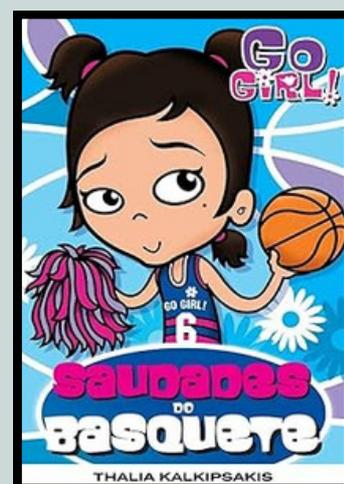

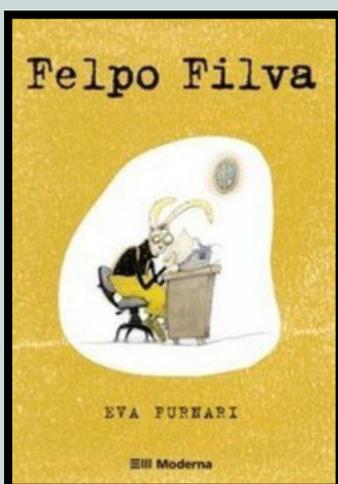

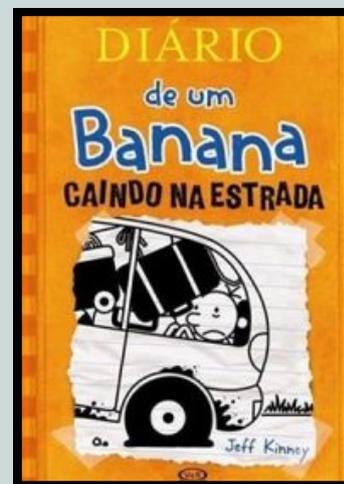

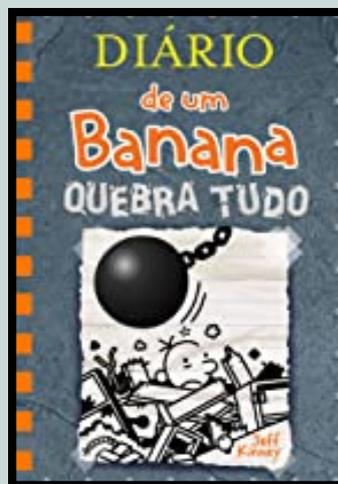

_Um menininho traquinas, diziam. Tinha macaquinhos no sótão, deitava e rolava, fazendo confusão. Um anjinho, um saci? Alegria da casa, liderava a garotada. Namorador, fazia versinhos, compunha canções, inventava brincadeiras. Era sabido, um amigão. “Menino Maluquinho”, diziam sorrindo as pessoas. Não era, não! Só mais tarde descobriram que tinha sido um garotinho muito amado e, por isso mesmo, muito feliz.

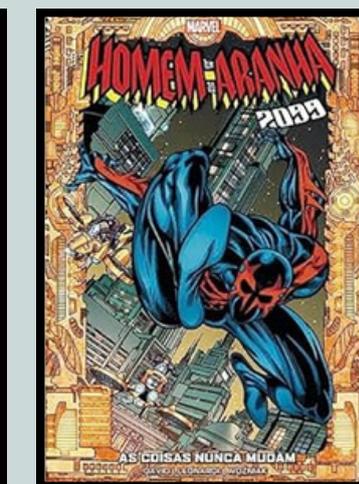

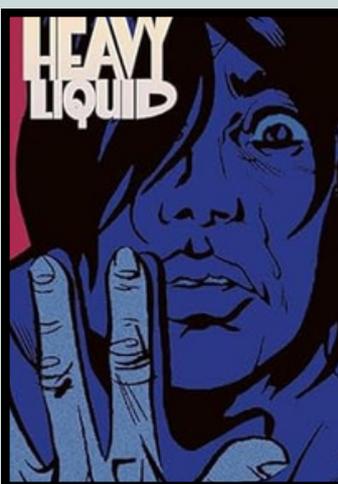

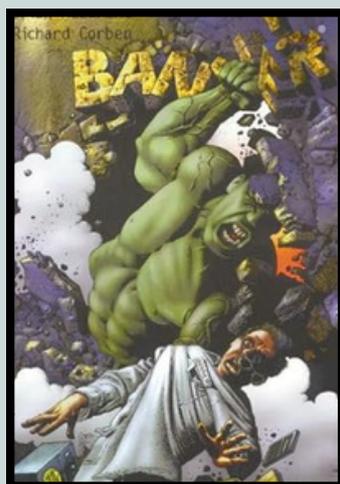

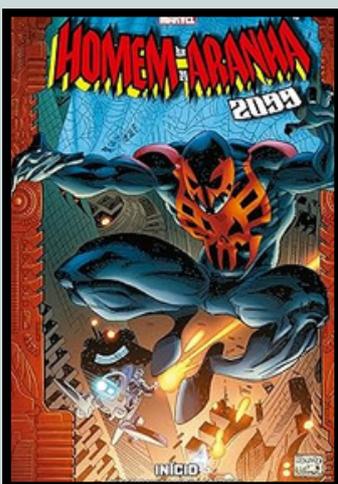

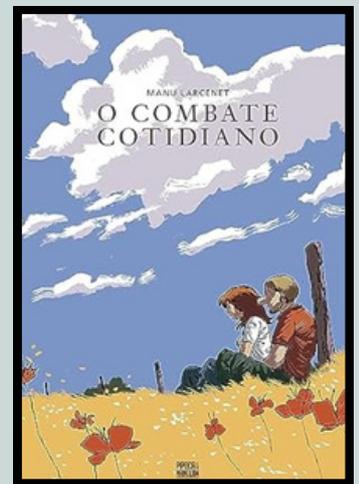

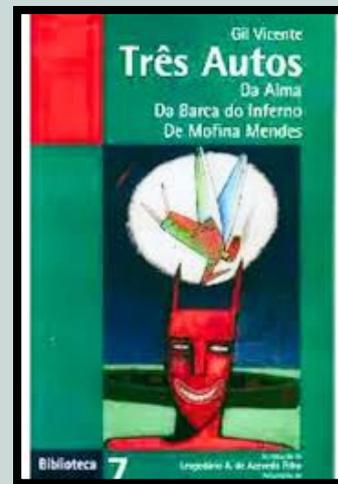

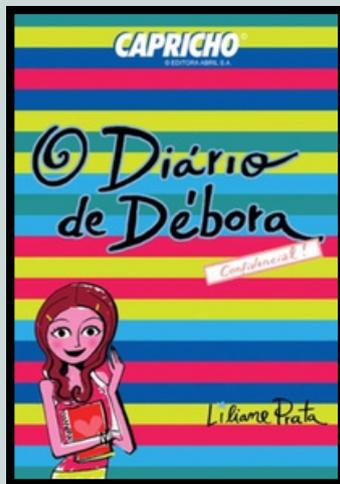

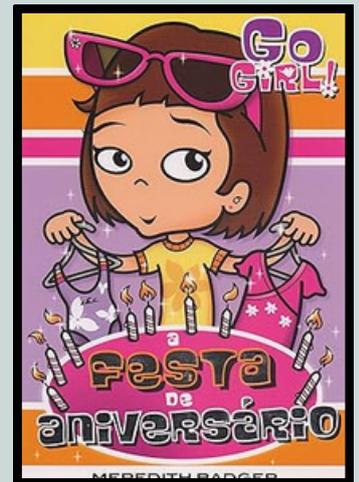

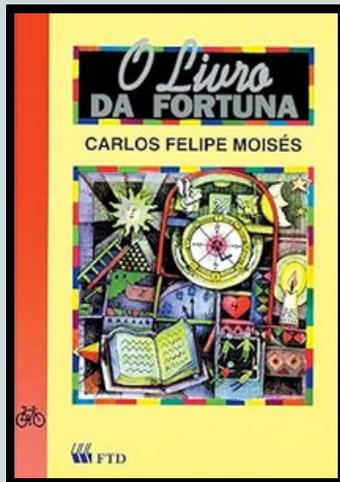

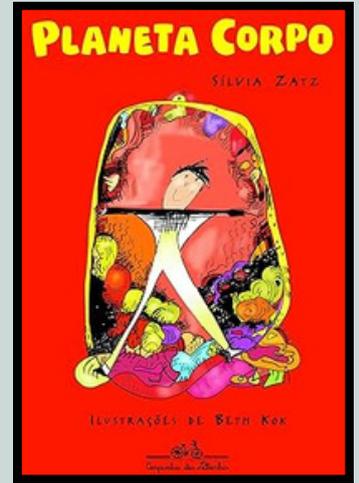

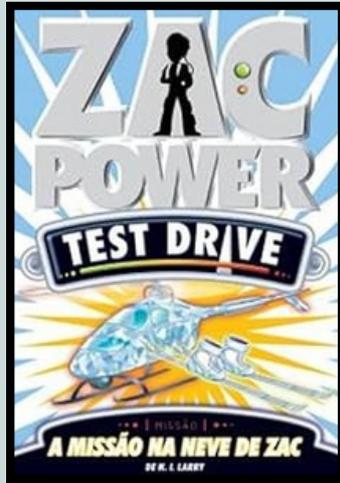

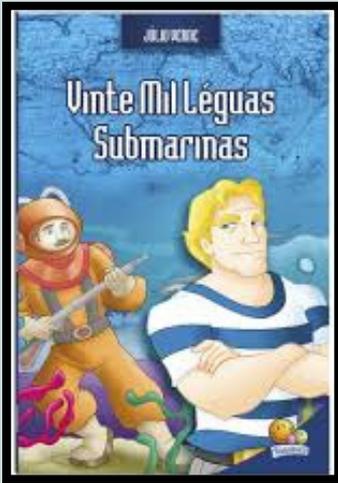

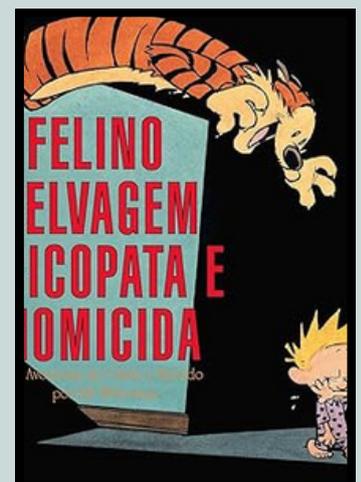

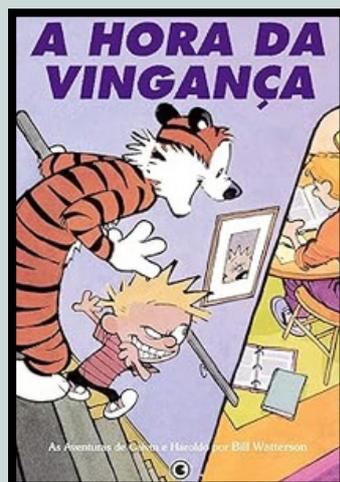

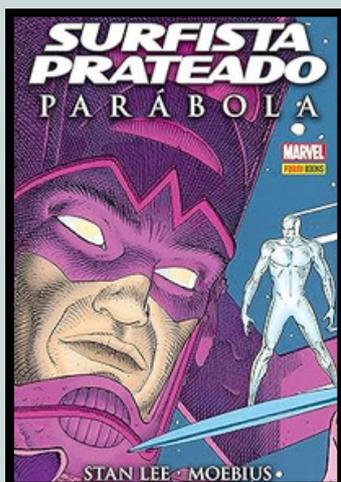

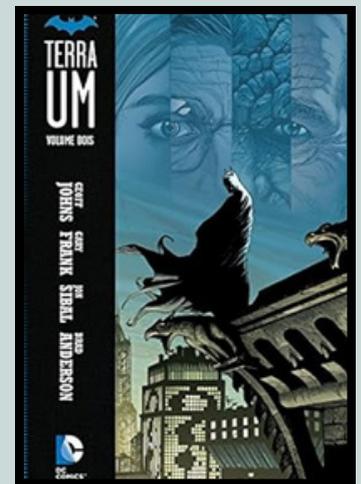

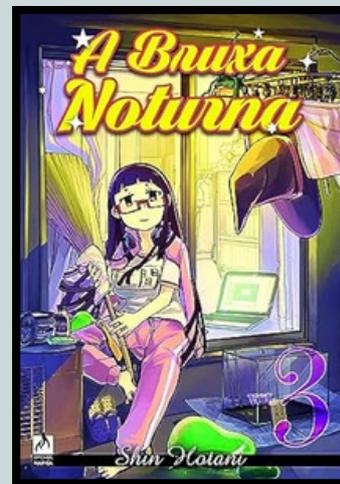

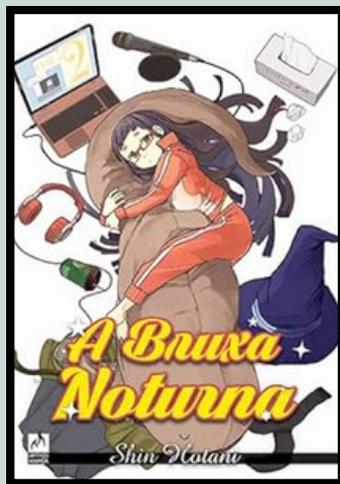

Mais uma vez... com sentimento! Quando Mitchie descobre que ela e sua mãe foram convidadas a voltar ao Camp Rock para uma segunda aventura, não há palavras para descrever sua empolgação. Com a Jam Final lá atrás no passado e novas amizades pela frente, ela sabe que o verão só pode ficar ainda melhor. Além do mais, tem toda uma galera nova de campistas para conhecer - incluindo Colby, um Gato com G maiúsculo! Só que passar mais tempo com Colby significa ficar menos tempo com Caitlyn e Shane. Será que a nova amizade de Mitchie fará seu verão despreocupado desafinar?

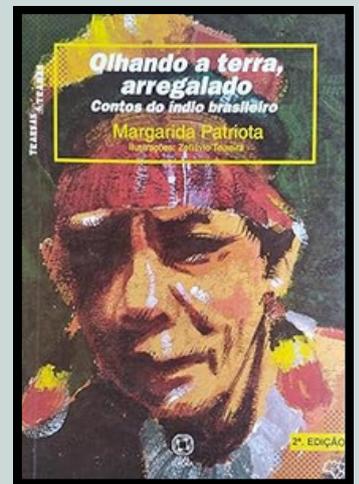

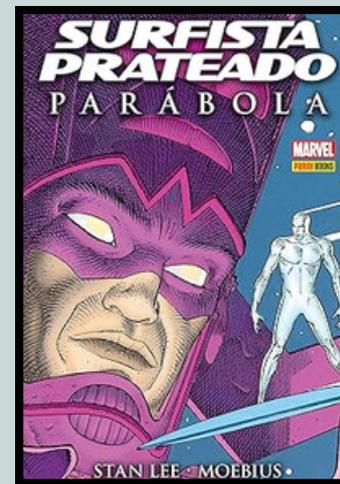

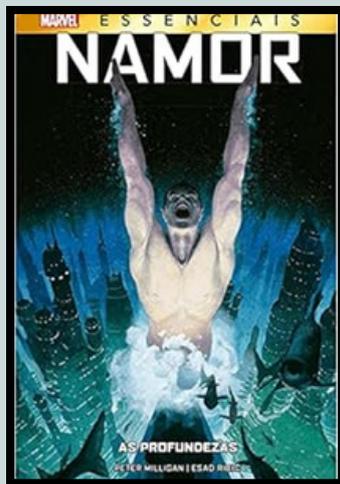

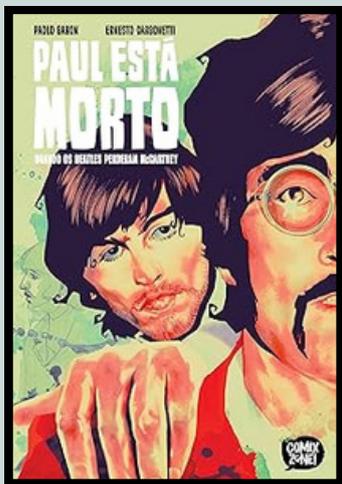

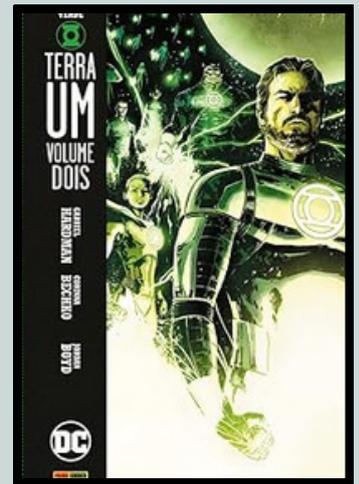

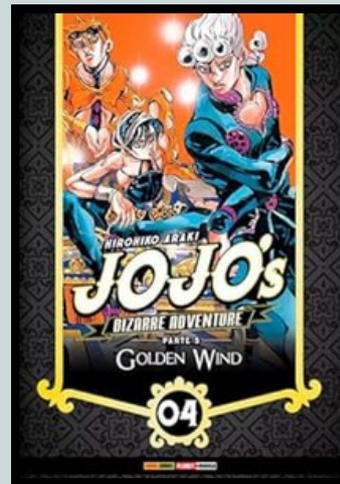

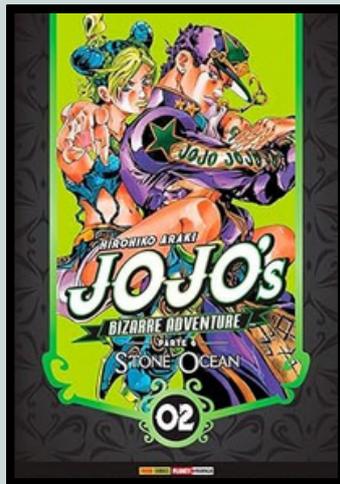

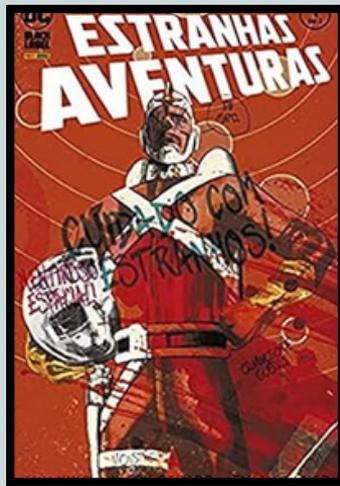

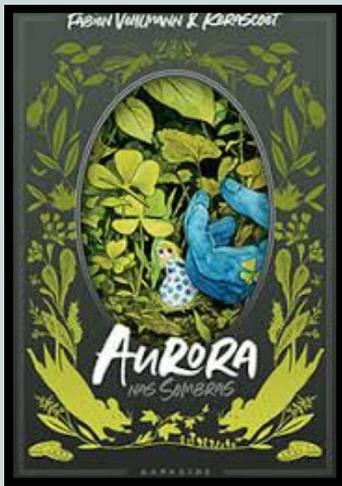

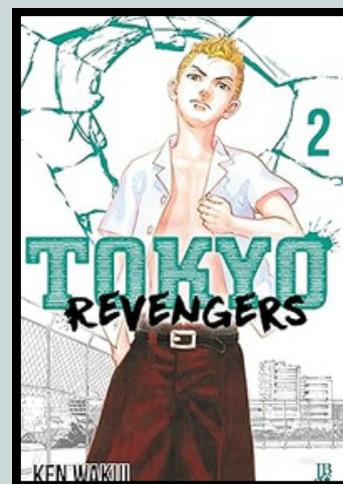

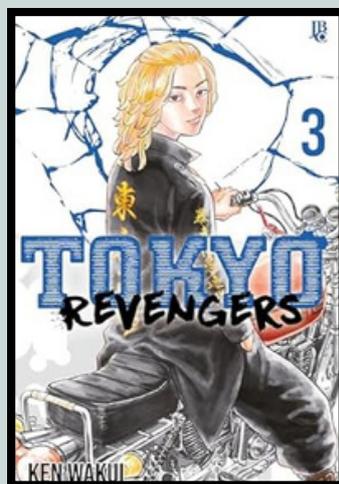

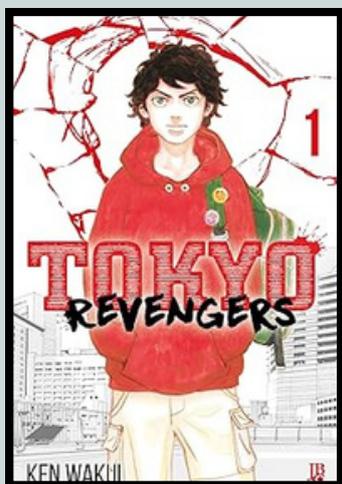

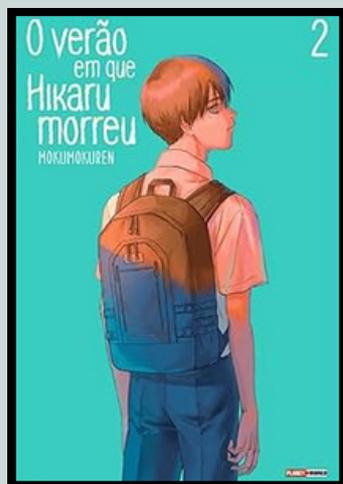

Uma história em quadrinhos inesquecível sobre destino, família e paixão Valentina é uma jovem vietnamita-americana que recebeu esse nome em homenagem a São Valentim. Por conta disso, acabou desenvolvendo uma paixão verdadeira pelo dia dele - que em muitos países é também o Dia dos Namorados. No entanto, após grandes decepções, Val está pronta para jogar tudo pelos ares e desistir do amor. O sentimento só lhe trouxe desgosto e segredos, e ela tem certeza de que está amaldiçoada, afinal, ninguém da sua família jamais teve sorte no amor. Mas o acaso surge e um encontro com dois entusiastas da famosa Dança do Leão desperta algo em Val. Será que é amor de verdade? Seria essa a sua chance de quebrar a maldição da família? Ou ela está destinada a viver para sempre com o coração partido?

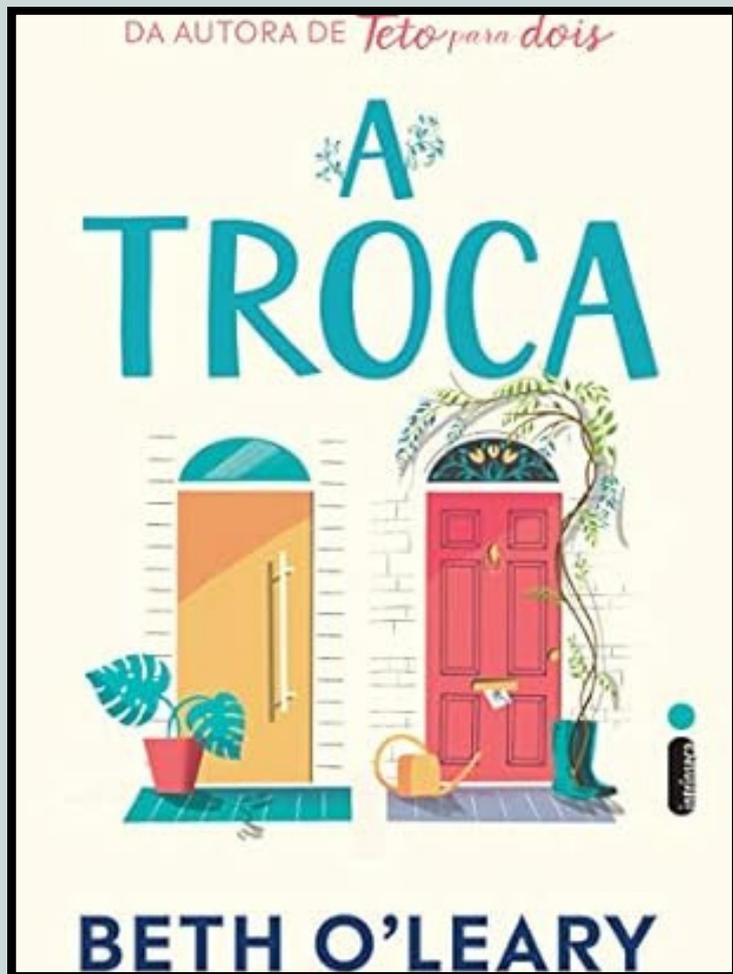

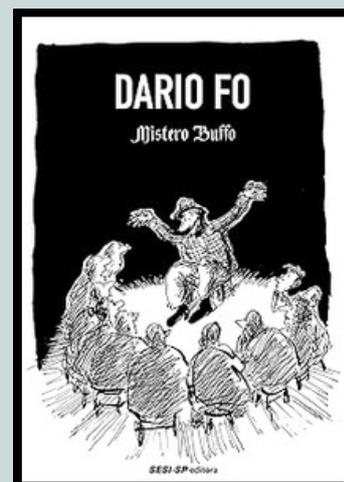

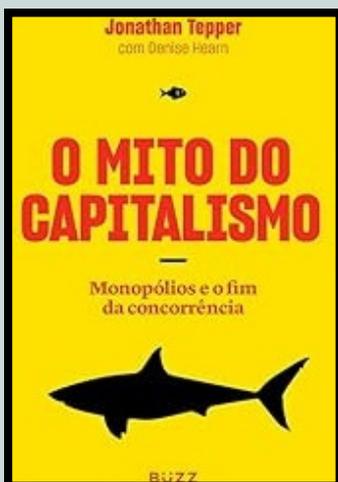

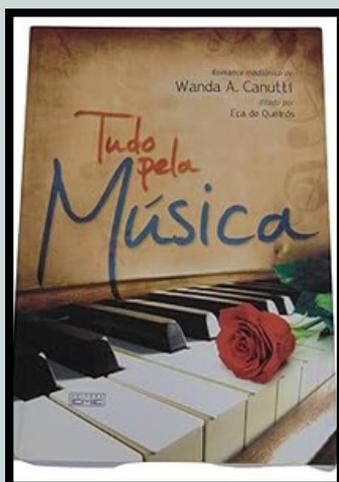

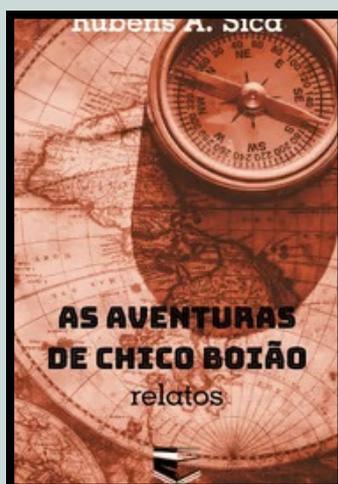

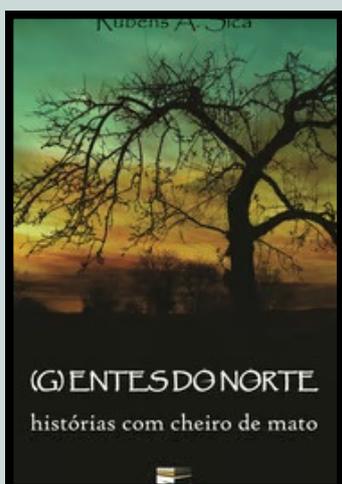

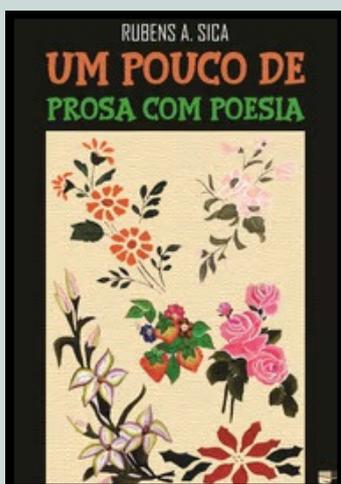

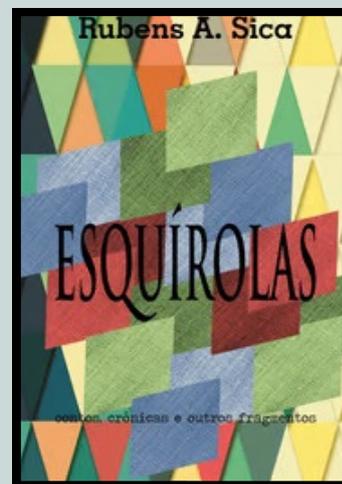

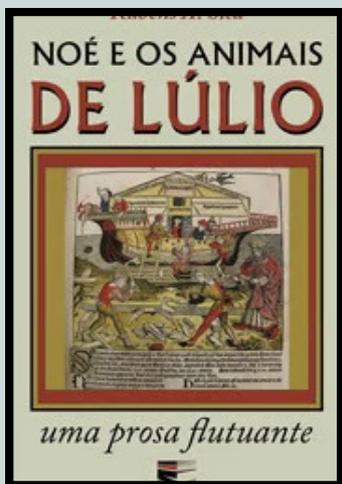

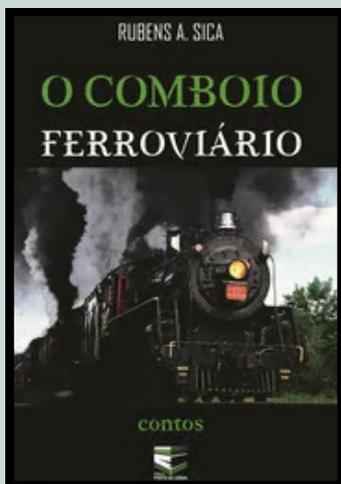

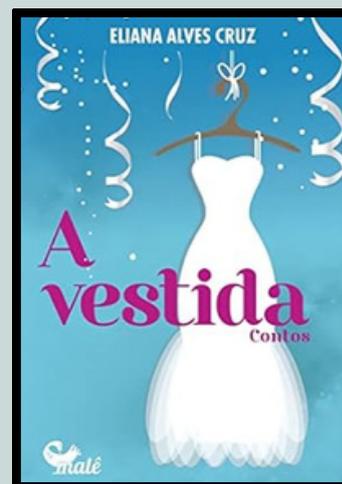

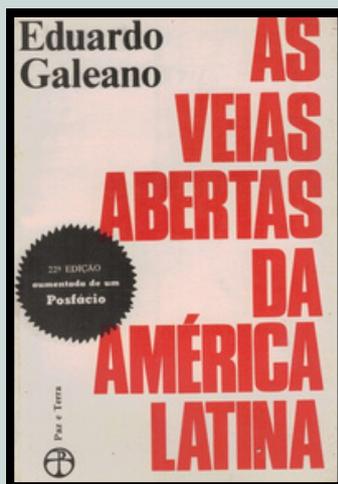

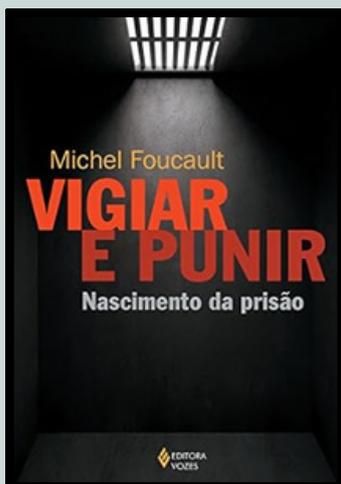

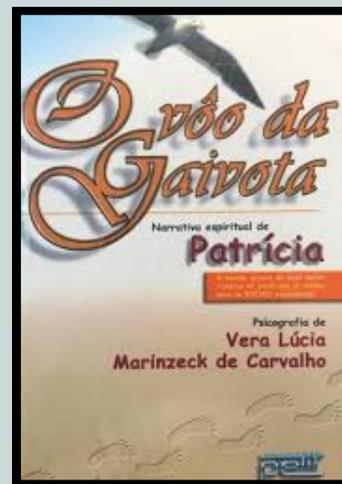

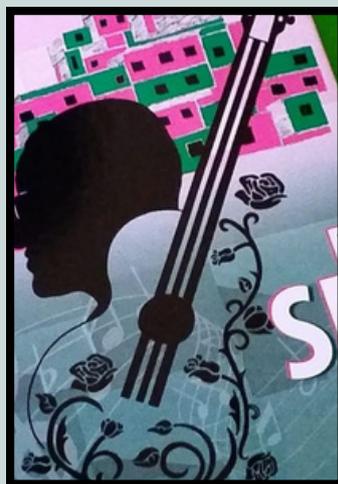

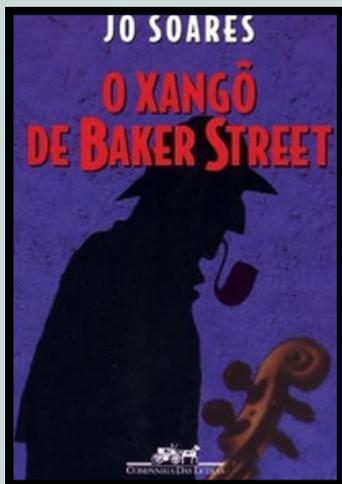

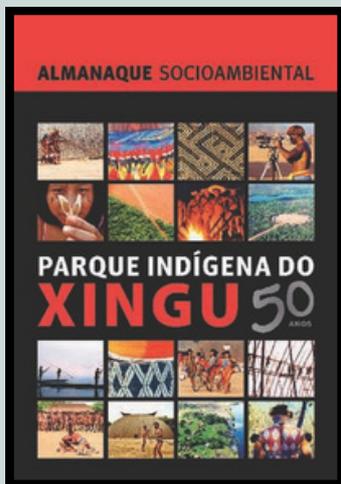

O mundo finalmente encontra a paz depois dos anos terríveis do "Grande Conflito". Mickey, Minnie e Pateta trabalham no resgate de fontes tecnológicas remanescentes da guerra. E, como se a vida não fosse dura o bastante, eles ainda enfrentam a concorrência desleal de João Bafo-de-Onça. Um dia, ao responder a um anúncio, nossos heróis localizam um estranho cubo nas profundezas marinhas - um objeto aparentemente inofensivo que se revelará cheio de poderes inconfessáveis!

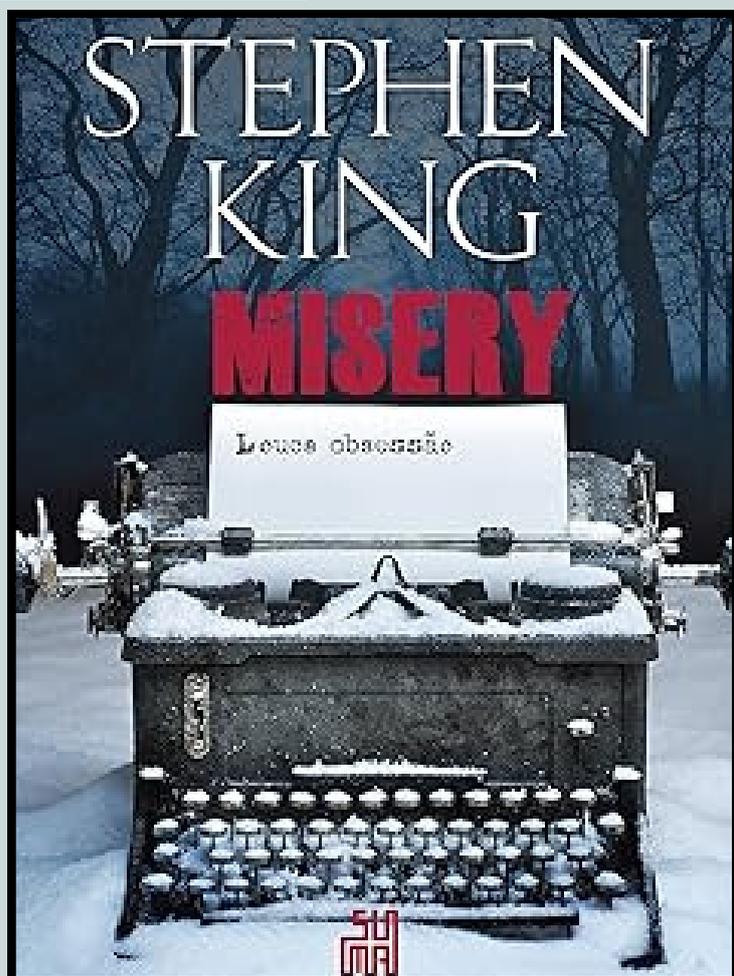

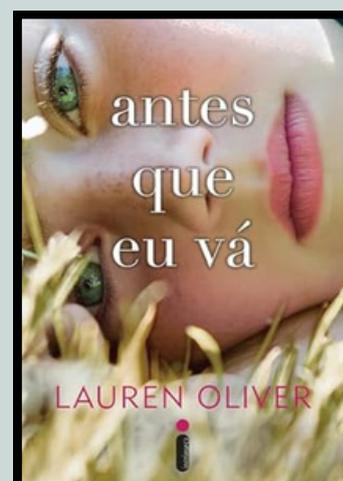

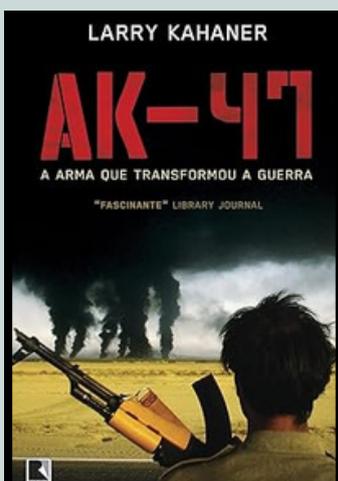

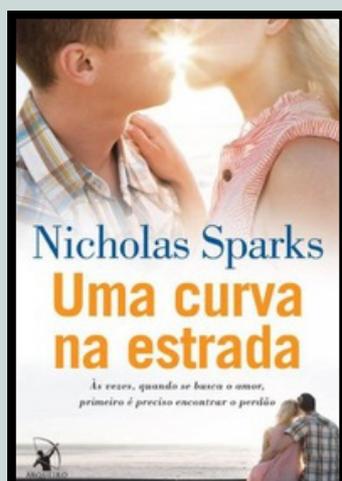

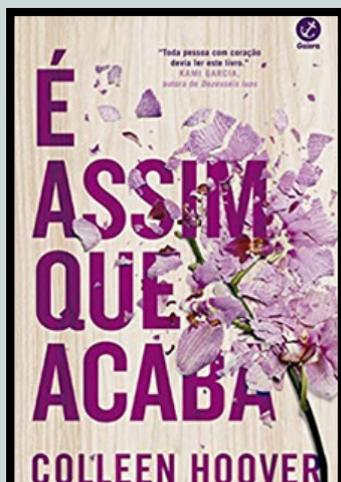

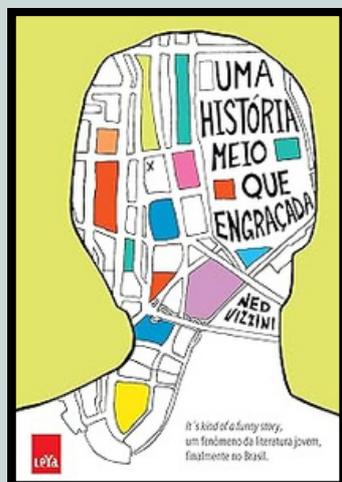

Gira em torno de Leena Cotton, uma jovem profissional que, após um colapso no trabalho, decide passar um tempo com sua avó, Eileen, em uma vila rural. Eileen, por sua vez, quer encontrar um novo amor e decide ir para Londres, onde mora Leena, para usar sites de relacionamento. A partir daí, avó e neta trocam de vida por dois meses, enfrentando desafios e descobrindo mais sobre si mesmas e suas vidas do que imaginavam.

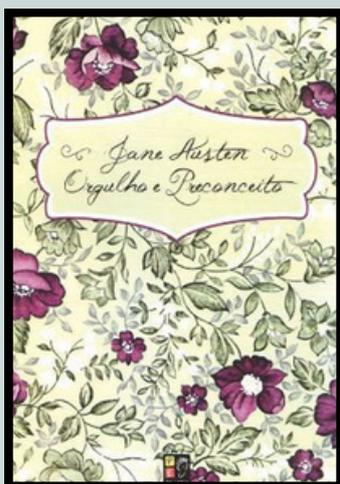

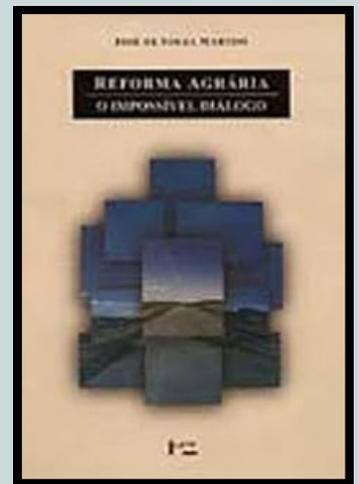

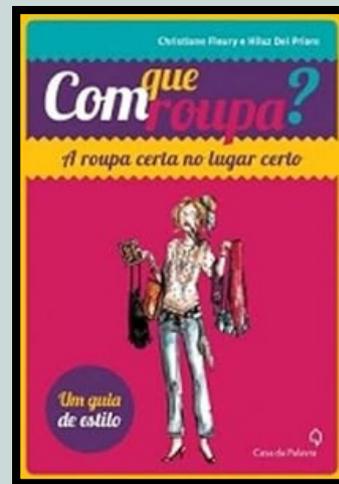

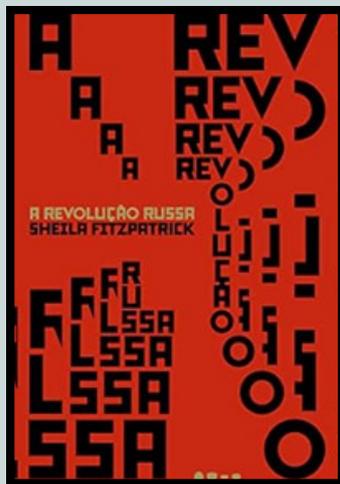

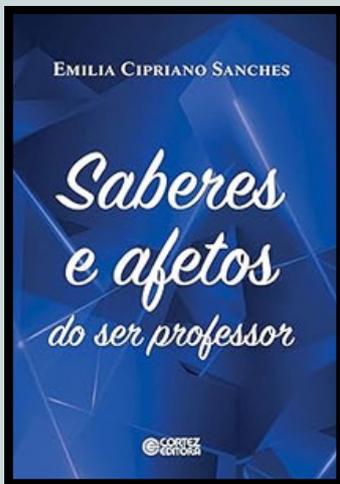

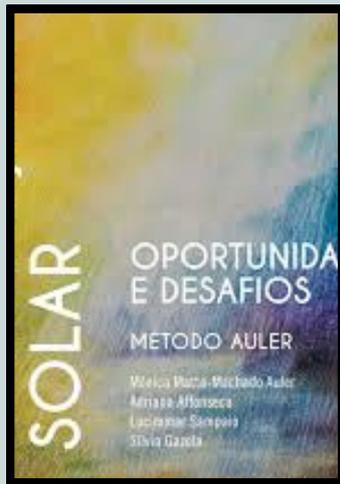

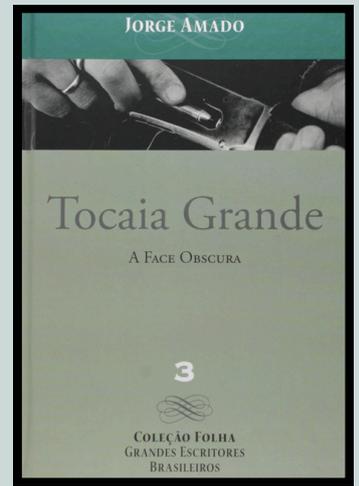

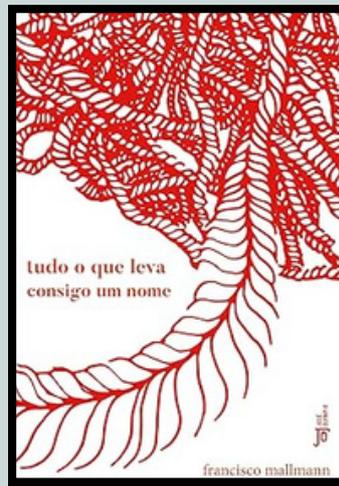

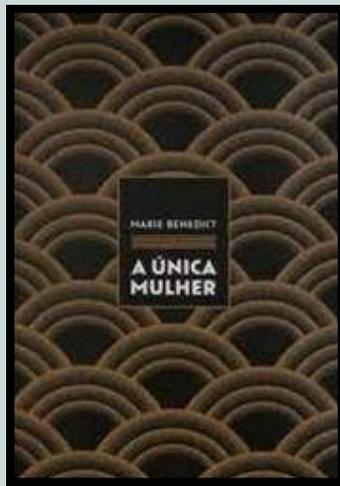

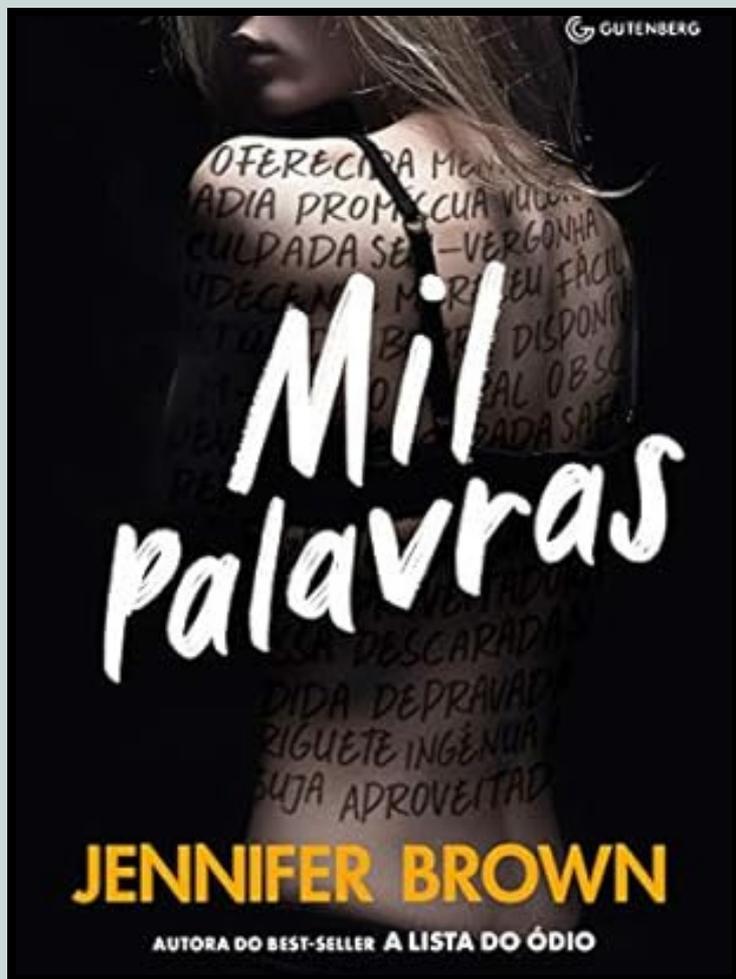

O famoso escritor Paul Sheldon sofre um acidente de carro e é socorrido pela enfermeira Annie, que afirma ser sua fã número um. Ela o leva para sua isolada casa e cuida de sua saúde, mas um dia acaba tendo acesso aos originais do próximo livro do escritor e descobre que sua personagem predileta será morta. Essa revelação faz com que sua personalidade doentia se revele.

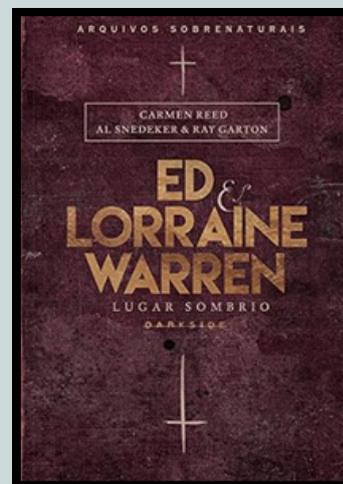

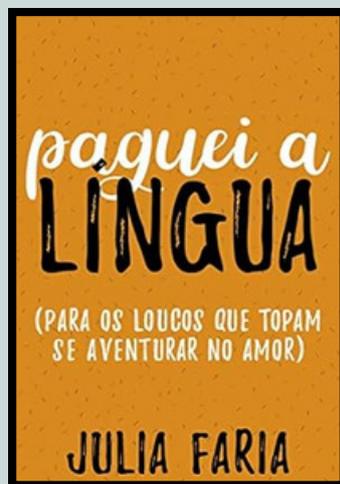

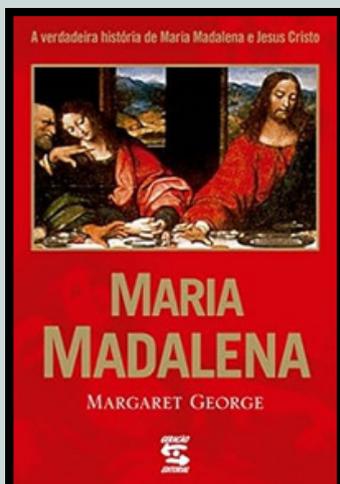

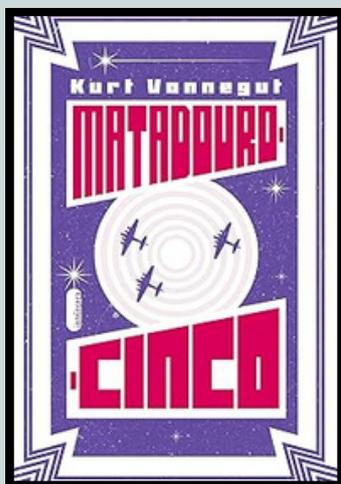

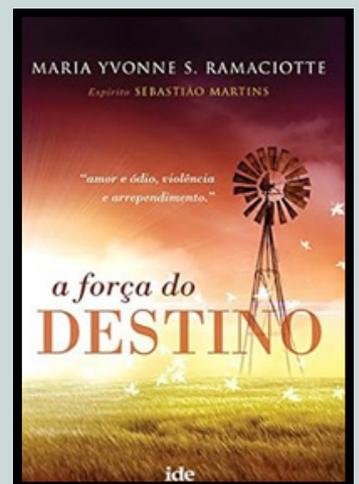

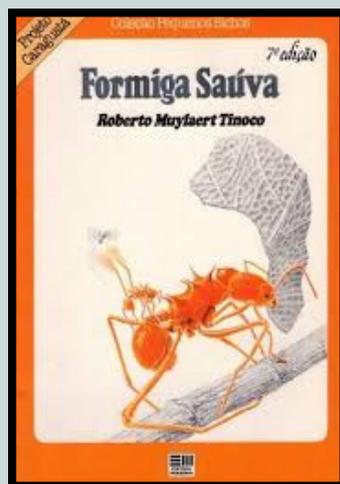

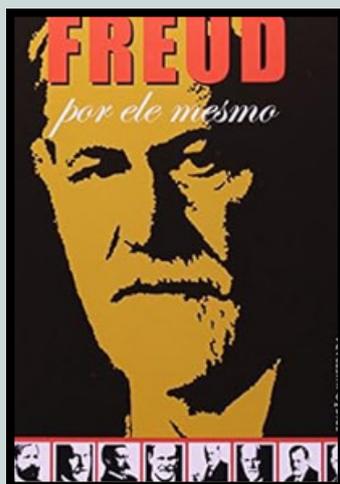

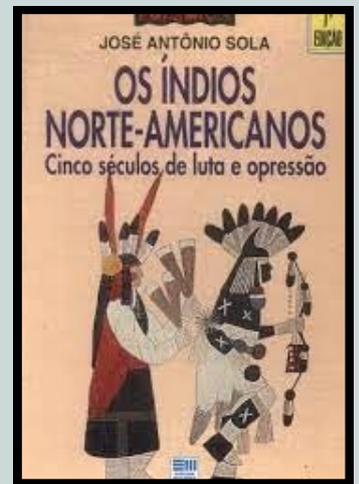

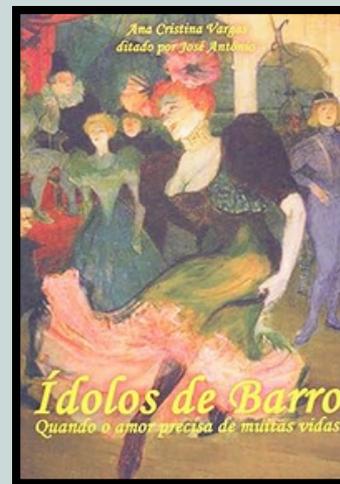

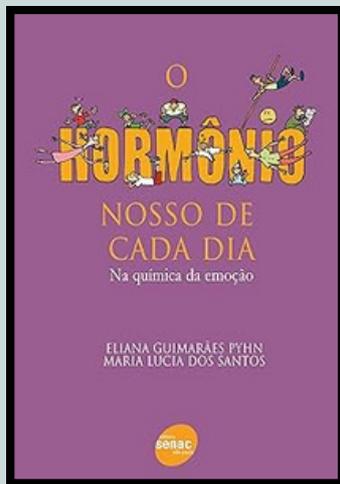

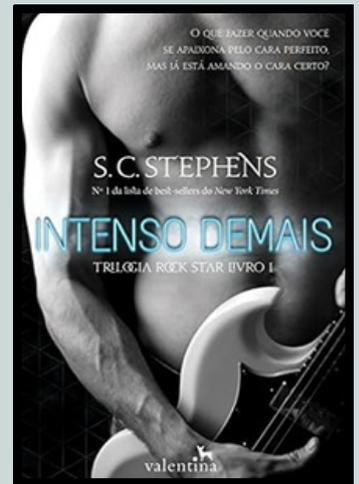

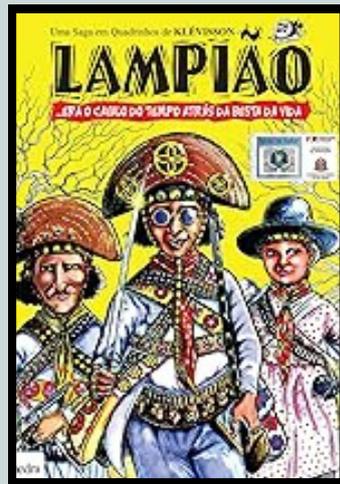

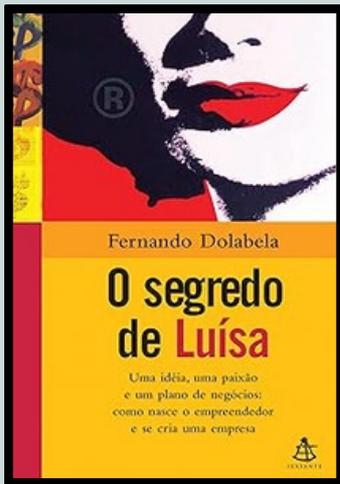

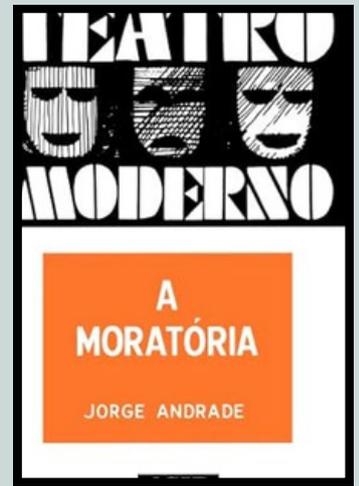

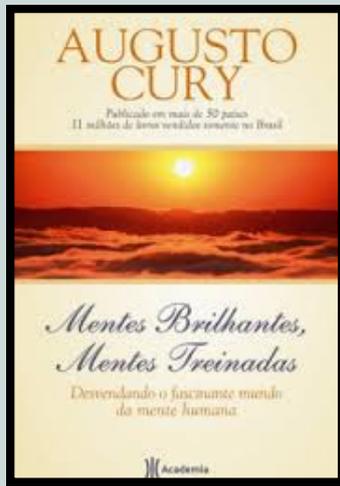

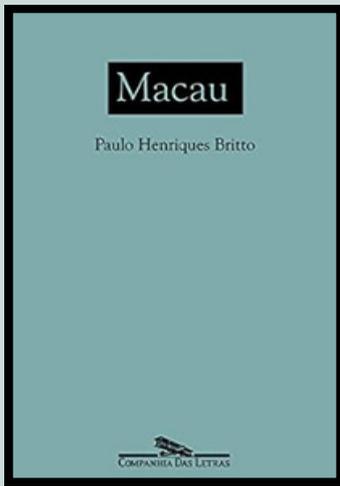

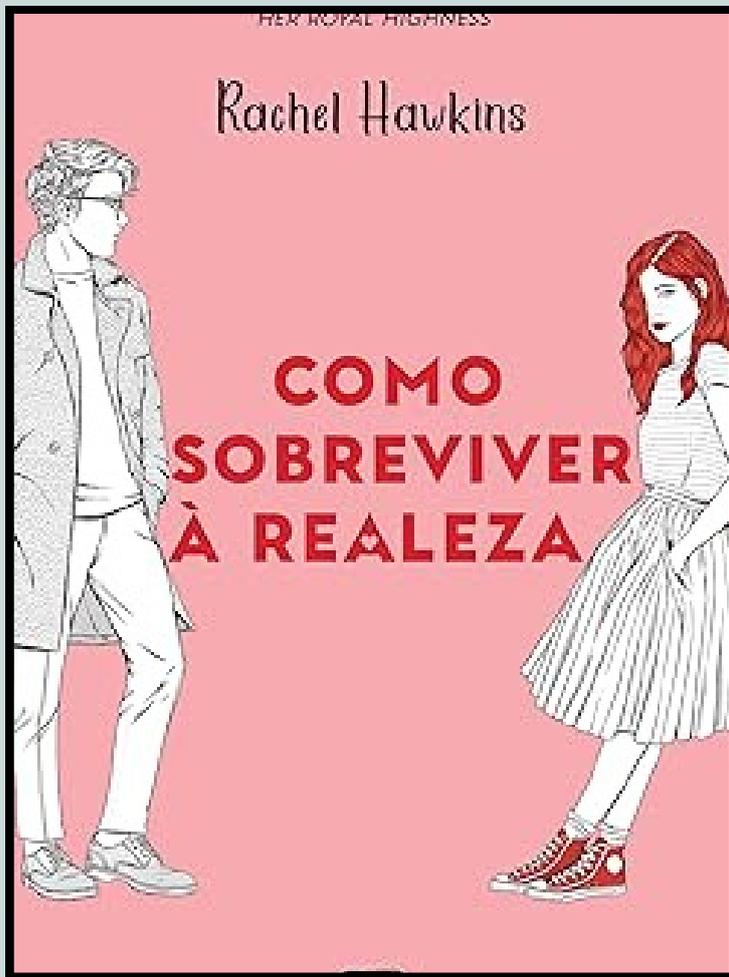

O namorado de Ashleigh, Kaleb, está prestes a partir para a faculdade e a jovem está preocupada que ele se esqueça dela. Então, em uma famosa festa de final do verão, as amigas de Ashleigh sugerem que ela mande uma foto nua para ele. Antes que possa mudar de ideia, Ashleigh vai para o banheiro, tira uma foto de corpo inteiro em frente ao espelho, e aperta a tecla "enviar".

Mas o término do relacionamento do casal é ruim e, para se vingar, Kaleb encaminha a foto para sua equipe de beisebol. Em pouco tempo, a foto viraliza, atraindo a atenção do conselho da escola, da polícia e da mídia local. A pena ordenada a Ashleigh pelo tribunal é prestar serviço comunitário, e é onde ela conhece Mack, um jovem que oferece uma nova chance de amizade, e é o único que recebeu a foto e não olhou.

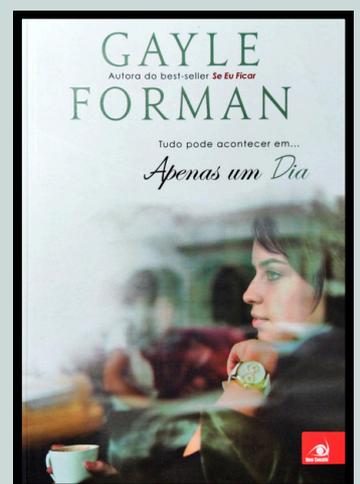

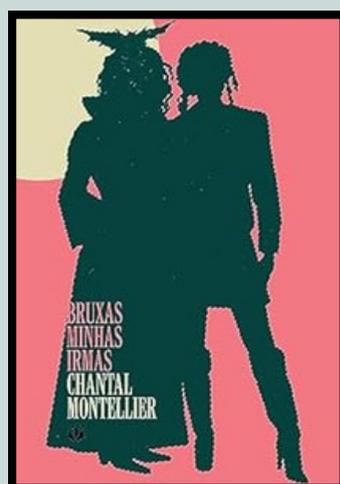

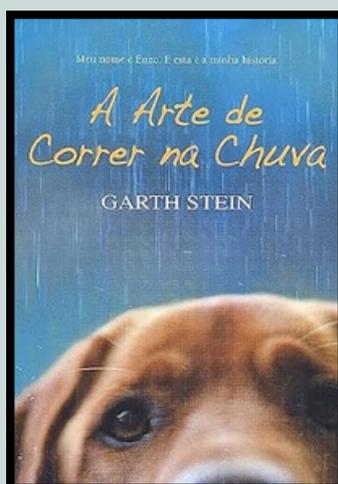

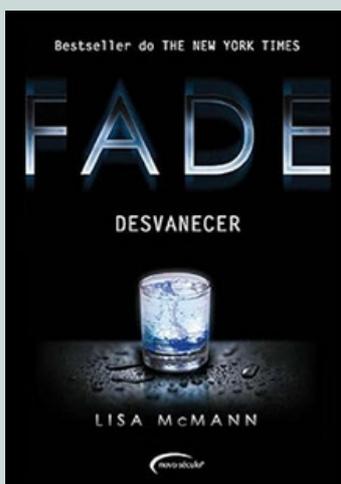

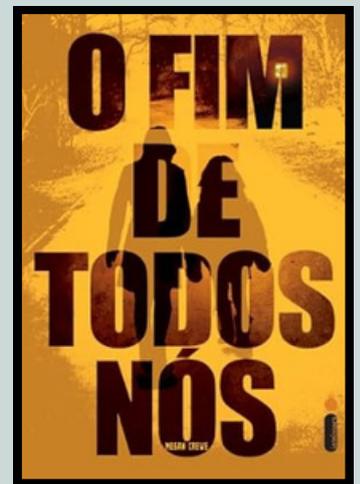

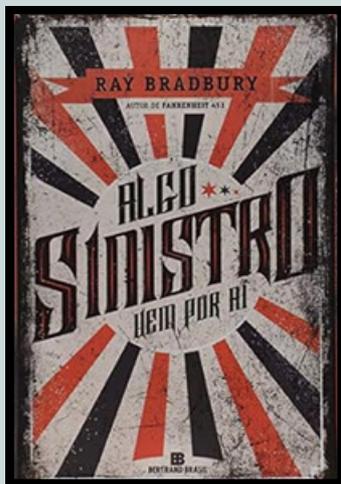

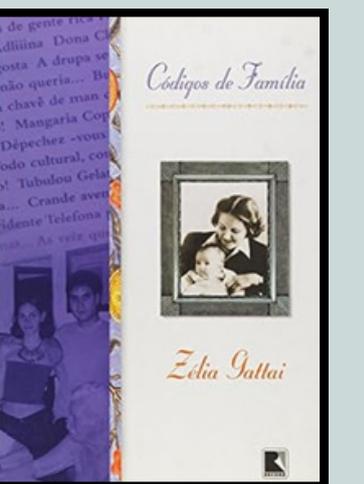

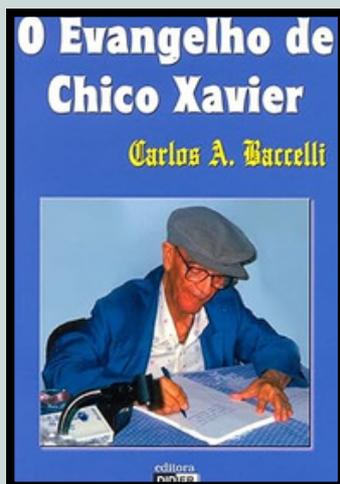

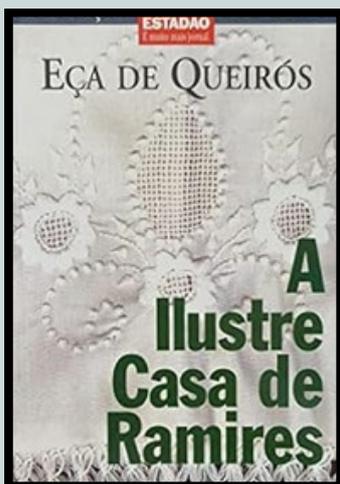

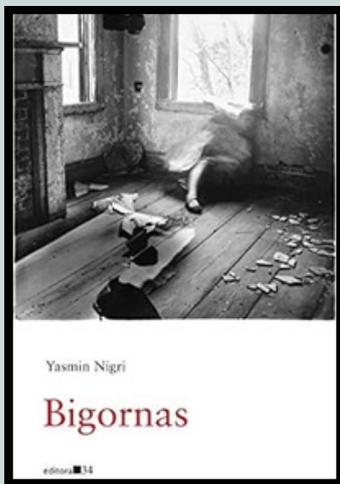

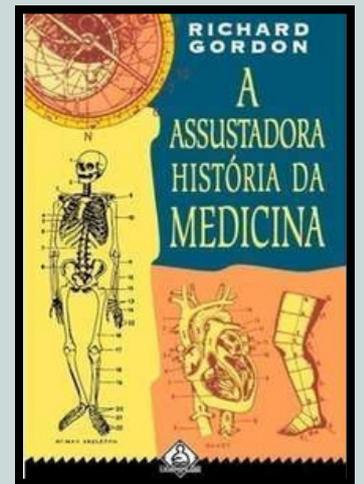

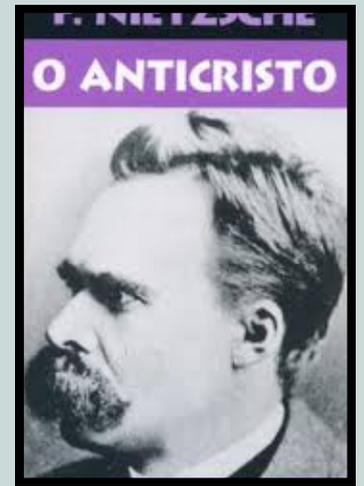

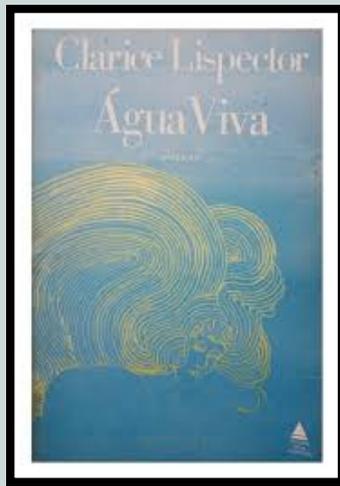

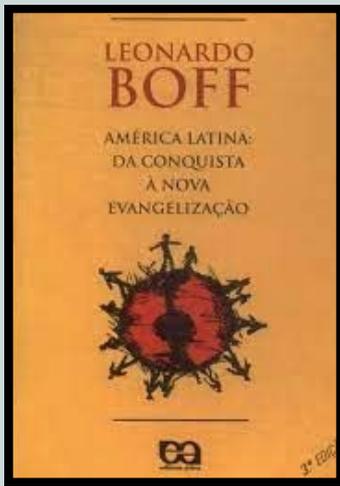

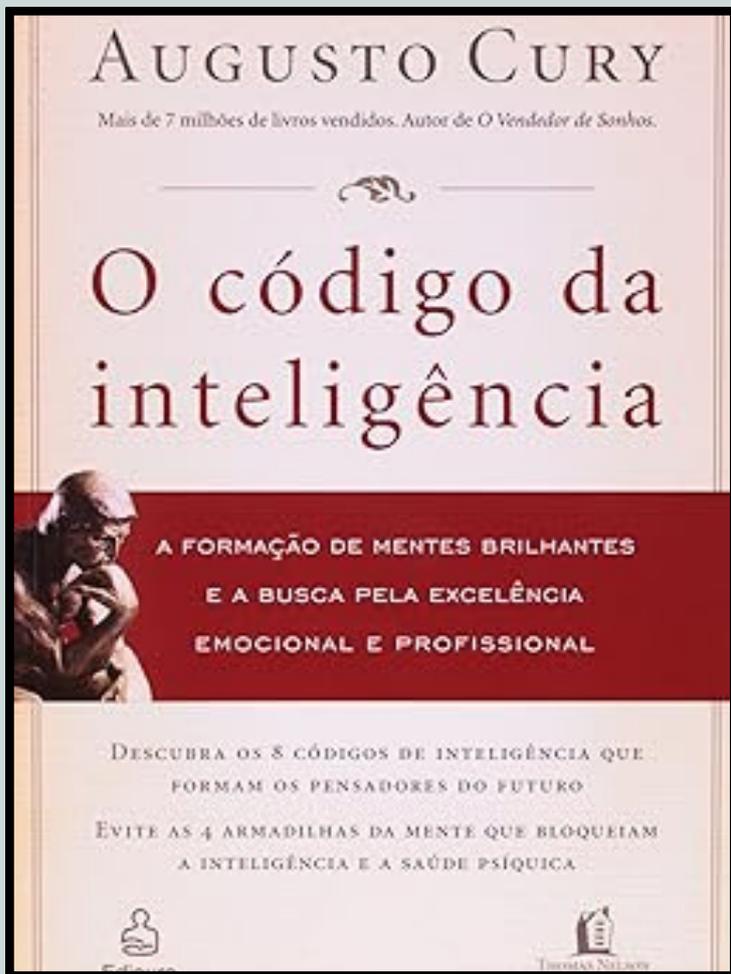

Conta a história de Daisy Winters, uma adolescente americana de cabelos vermelhos que trabalha em uma loja de conveniência e é completamente comum. Exceto pelo fato de que sua irmã mais velha (e perfeita), Ellie, está noiva do herdeiro da Coroa escocesa.

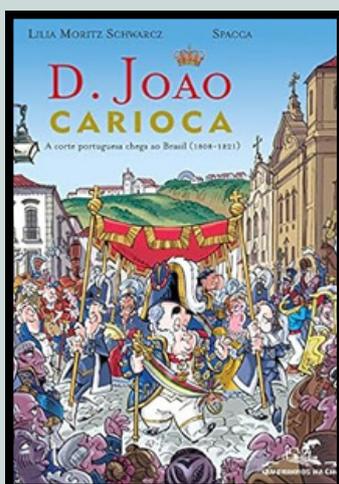

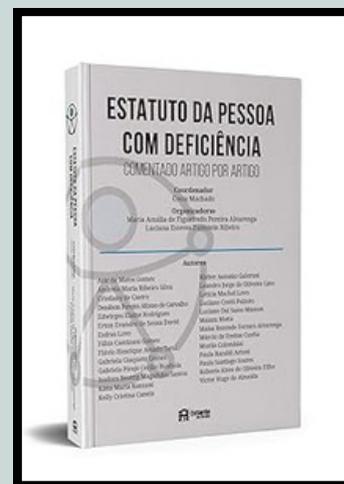

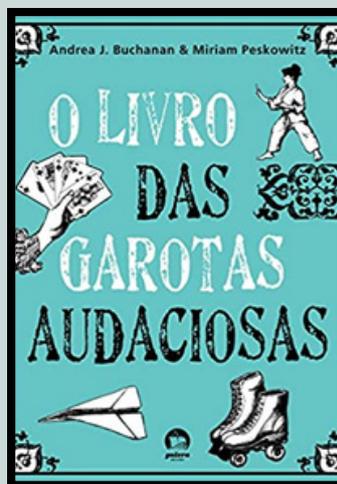

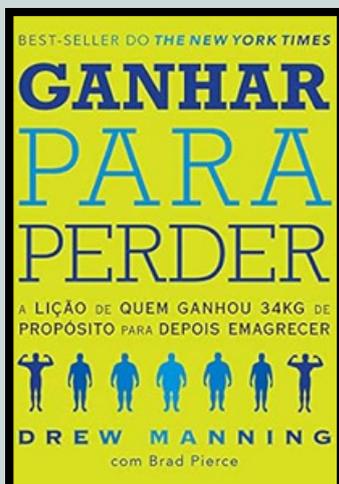

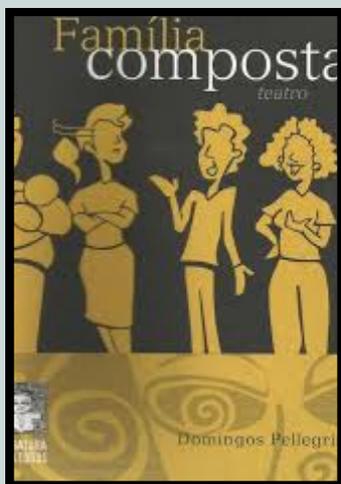

Apesar do esforço de se manter longe da nova vida de sua irmã e dos holofotes, Daisy acaba indo parar nas manchetes dos tabloides e é convidada — ou melhor, intimada — pelo palácio a passar suas férias na Escócia. Para se adaptar à nova realidade, o charmoso Miles é escalado para ensiná-la tudo sobre o mundo da família real. A Coroa fará de tudo para transformar Daisy em uma dama... mas ela pode acabar reescrevendo o livro de regras seculares da realeza.

Este livro descreve os códigos da inteligência propondo que esses códigos são capazes de estimular tanto jovens como adultos a libertar a criatividade expandir a arte de pensar desenvolver saúde psíquica e a excelência profissional. O autor descreve as armadilhas da mente que podem bloquear a inteligência.
