Quando se mudou para Nova York, Franny Banks deu a si mesma três anos para conseguir se estabelecer como atriz. E agora, em janeiro de 1995, faltando apenas seis meses para o fim do prazo, ela não conseguiu grandes avanços. Todas as suas fichas estão depositadas na Apresentação, uma mostra dos alunos do curso de teatro do qual faz parte com diversos agentes presentes. Assim, resta a Franny lutar contra a conta bancária, o cabelo indomável, o tempo e a própria sorte para conseguir aquilo que acredita ser seu por direito.
