Será que a história dos três porquinhos ocorreu daquele jeito mesmo? Dando a palavra ao lobo, que naturalmente narra os acontecimentos do seu ponto de vista, Jon Scieszka consegue reforçar a "veracidade" da história original, contar uma história nova e engraçada e dar às crianças a oportunidade para demonstrar que compreendem muito bem as coisas.

Dona Baratinha achou uma moeda e, pensando que estava rica, resolveu se casar. Dentre os diversos candidatos a noivo, o ratinho foi o escolhido. No dia do casamento, o ratinho não apareceu na igreja. De tão guloso, tinha caído na panela de feijão. Dona Baratinha resolveu pegar o dinheiro e se divertir.

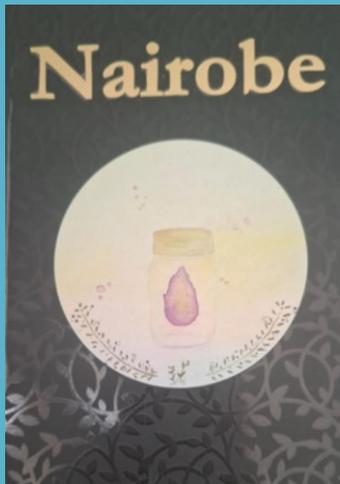

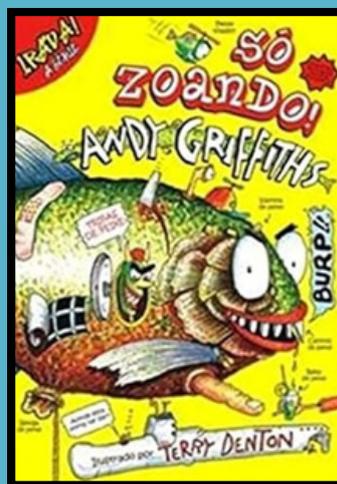

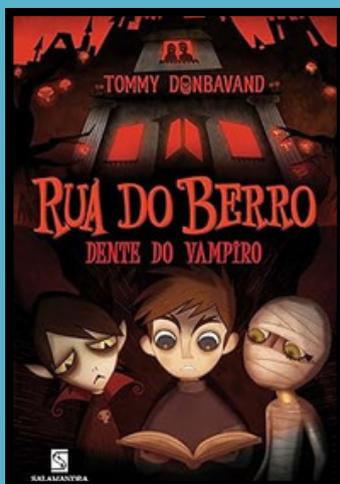

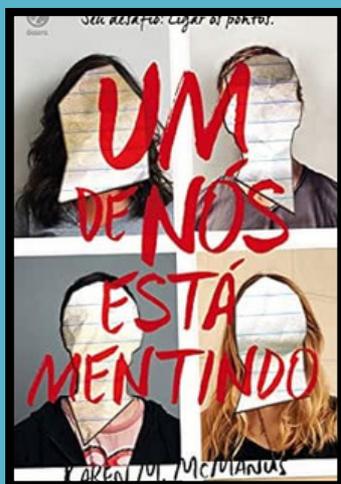

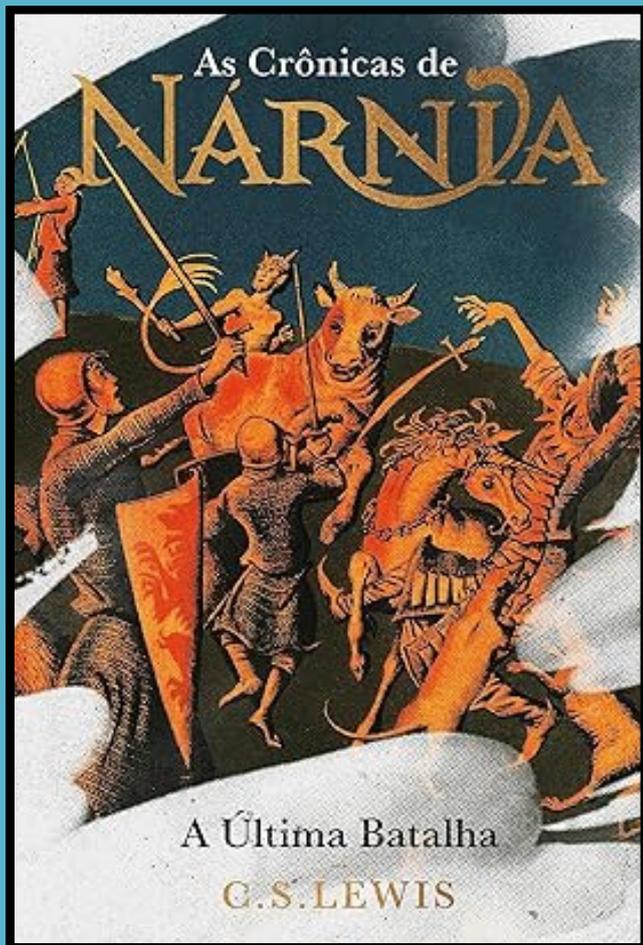

Vários aplicativos de fofoca surgiram depois que Simon Kelleher morreu. Mas desde que os quatro estudantes de Bayview foram inocentados de sua morte, nada foi capaz de preencher o vazio de fofocas como ele conseguia. O problema é: ninguém mais tem os fatos. Até agora.

Desta vez, não é um aplicativo: é um jogo.

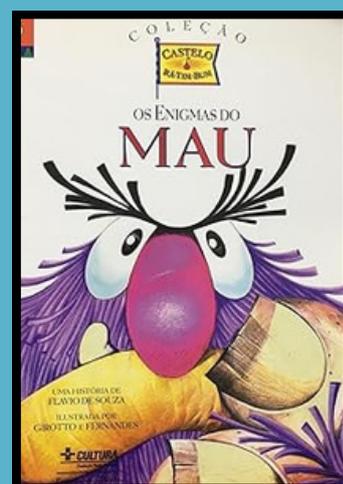

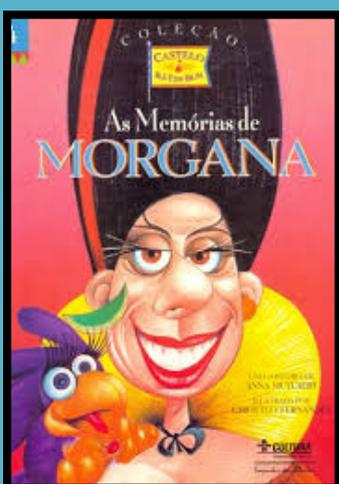

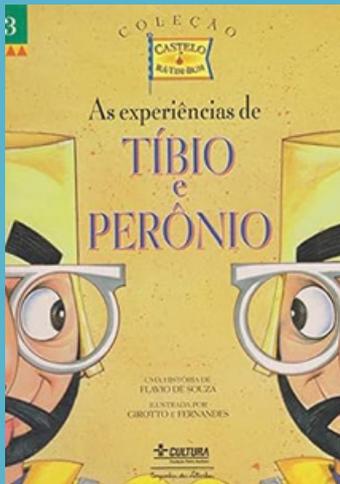

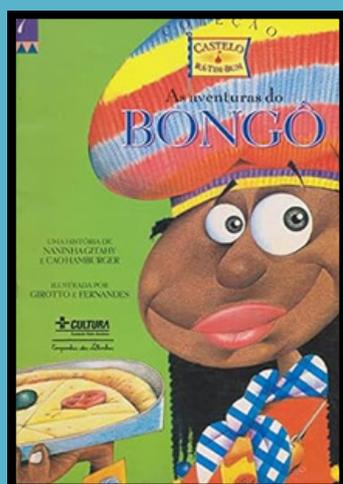

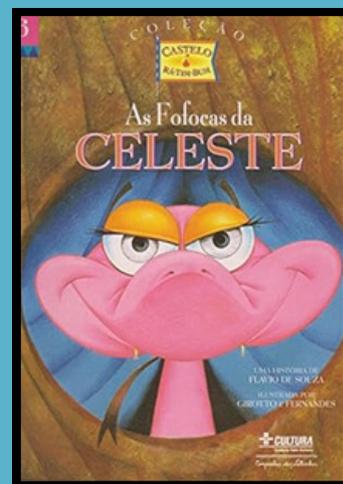

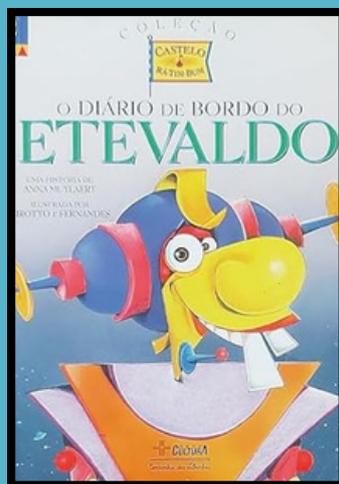

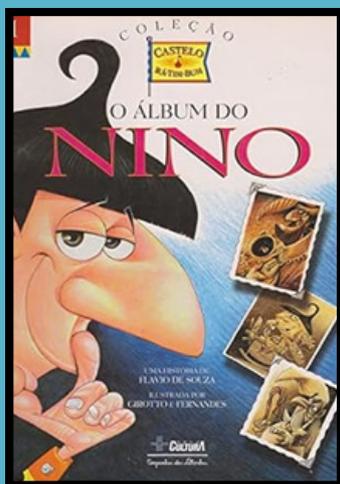

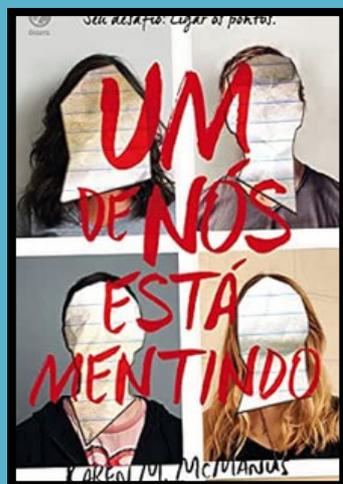

E quando o jogo de Verdade ou Consequência se torna mortal, qual lado você escolhe? Escolha consequência e receba um desafio para cumprir em vinte e quatro horas. Escolha verdade e... Bem, é melhor você ficar com a consequência.

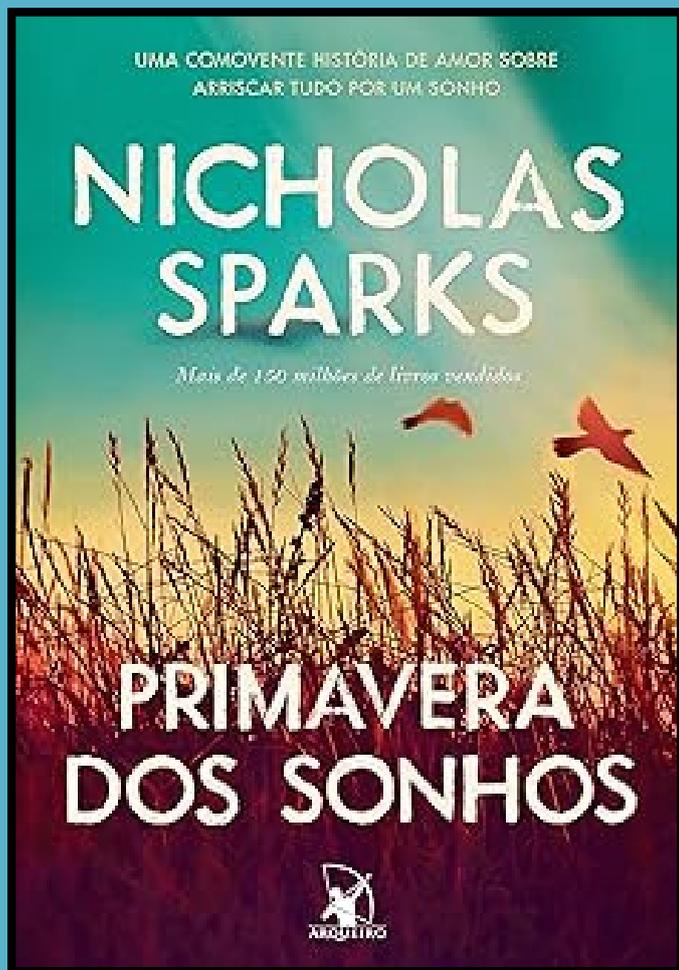

Em A Última Batalha, um falso Aslan está à solta dando ordens de arrepiar a espinha. Tirian X, o Rei de Nárnia, precisa agir rápido, antes que todos os animais sejam corrompidos. Para isso, conta com a ajuda de Eustáquio e Giu.

O reino está imerso em caos e os danos parecem irreparáveis, mas, antes que tudo chegue ao fim, os narnianos fiéis ao verdadeiro Aslan ainda poderão contar com a ajuda dos lendários reis e rainhas de Nárnia — irmãos que muito tempo antes derrotaram uma terrível feiticeira. A última batalha se aproxima!

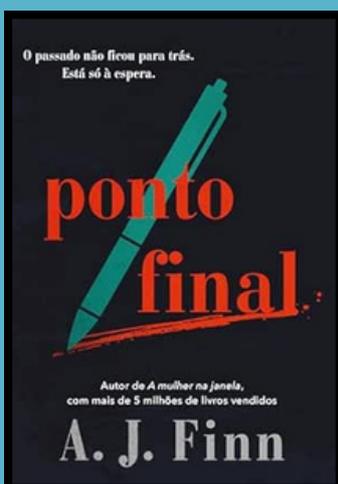

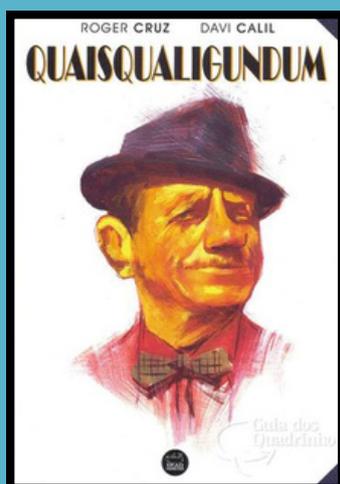

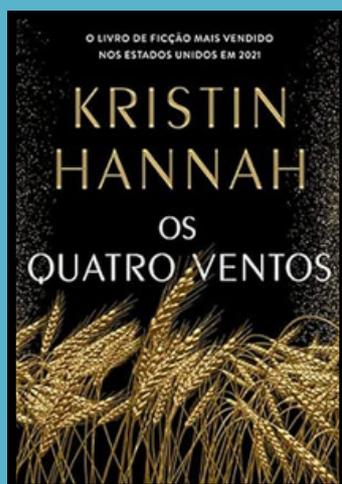

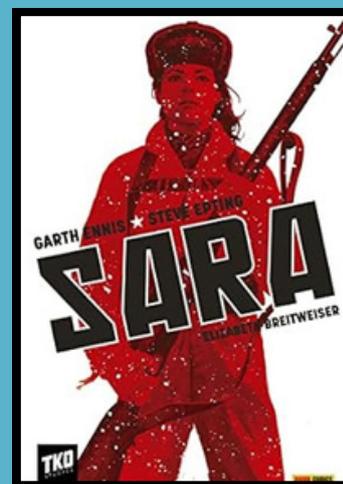

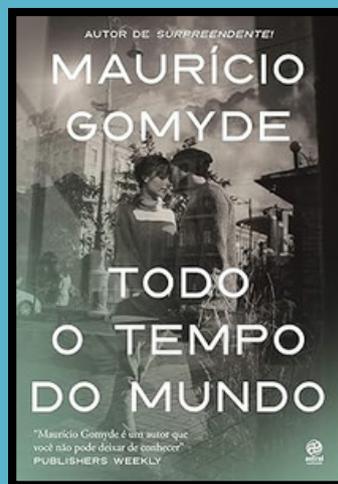

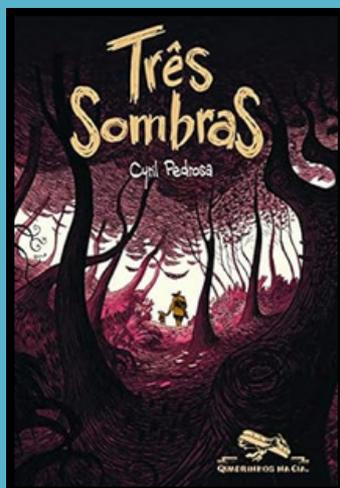

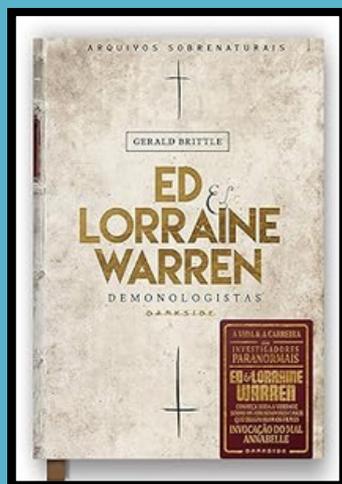

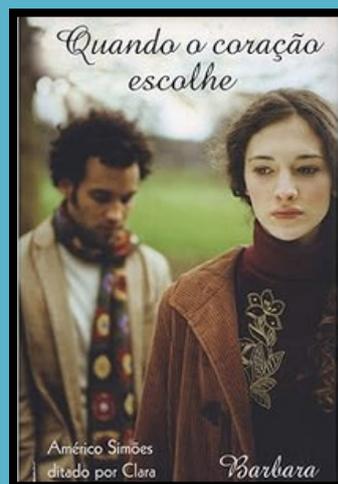

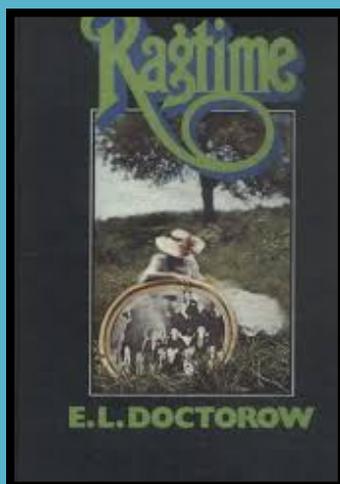

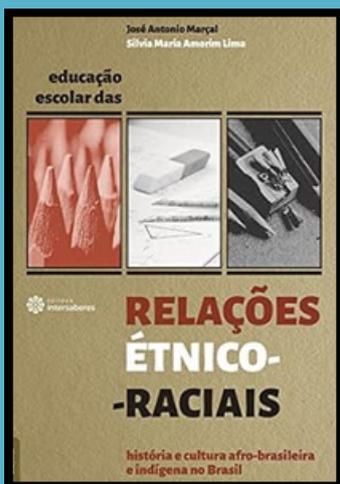

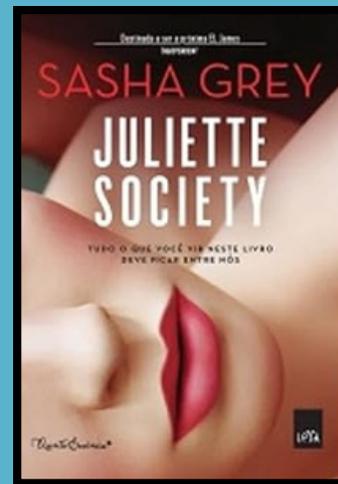

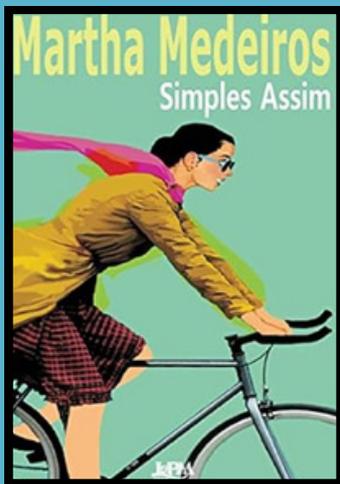

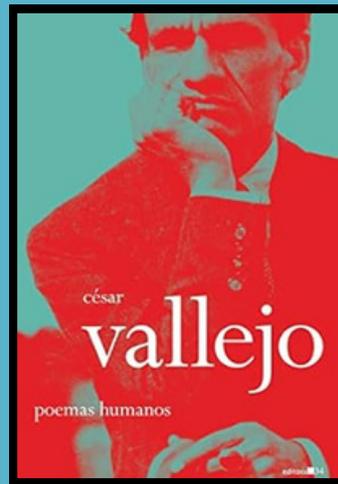

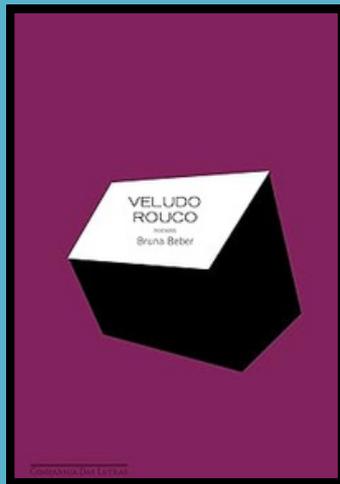

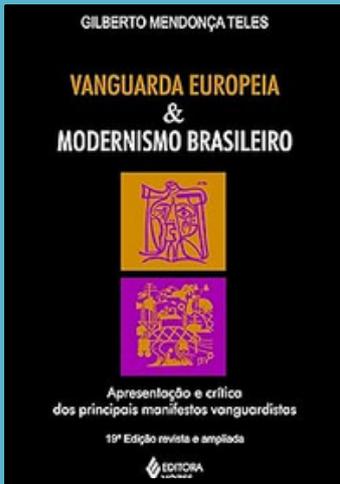

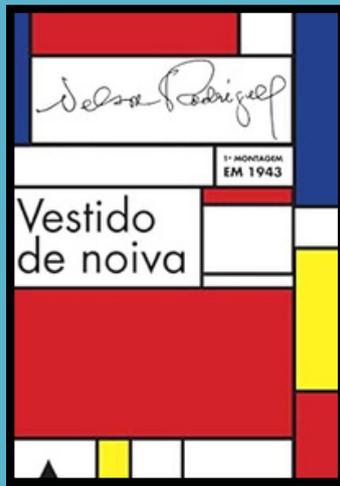

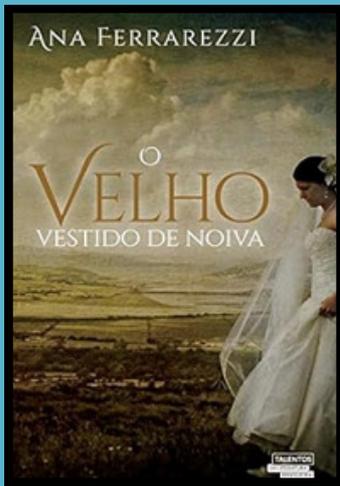

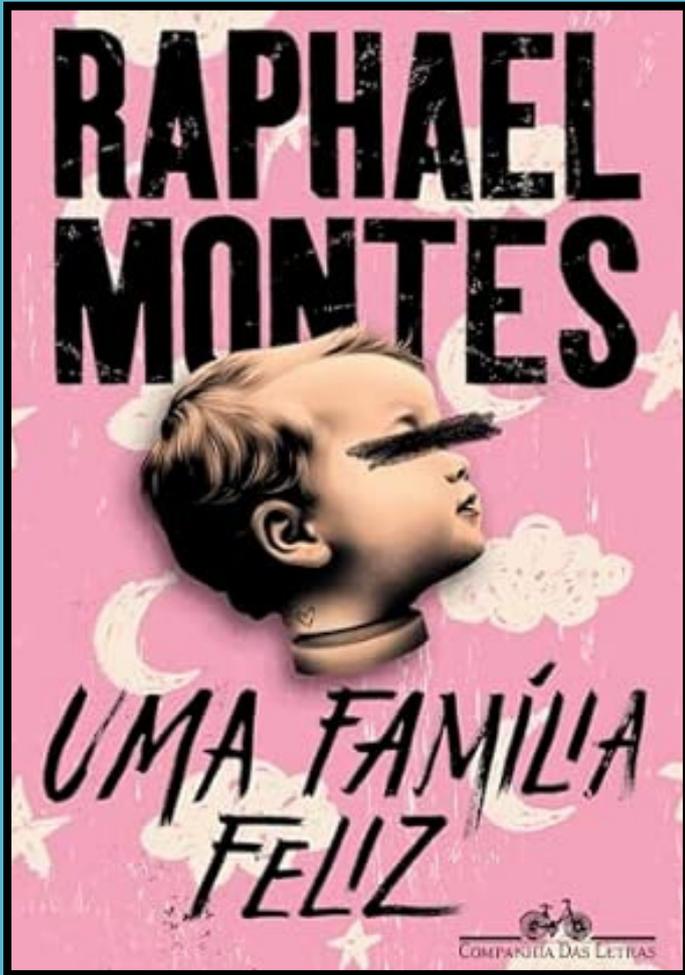

Colby Mills trocou o sonho de ser músico por uma vida como fazendeiro após uma tragédia. Anos depois, conhece Morgan Lee, uma aspirante a estrela country, e os dois vivem uma intensa conexão marcada pelo amor e pela música.

Enquanto isso, Beverly foge de um marido abusivo com seu filho e, em meio ao desespero, toma uma decisão que mudará tudo.

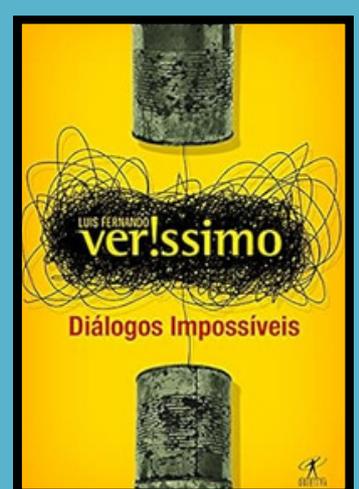

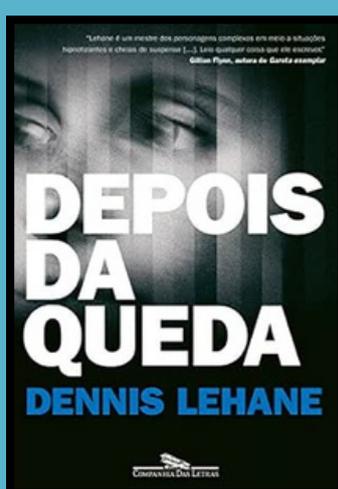

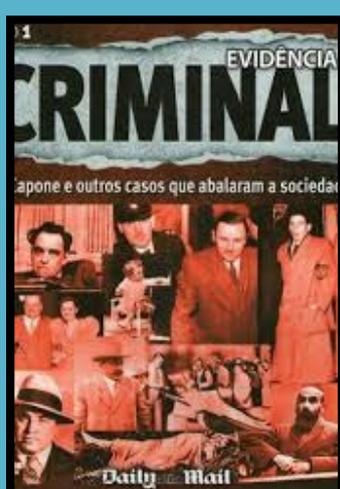

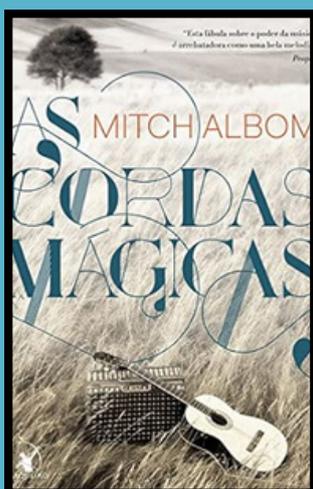

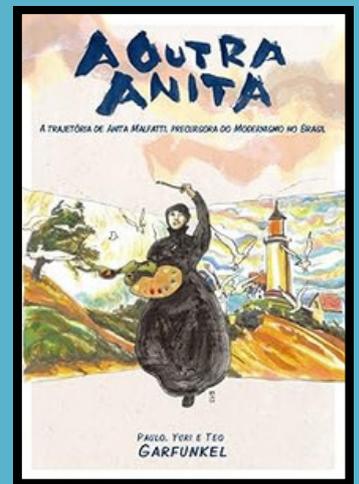

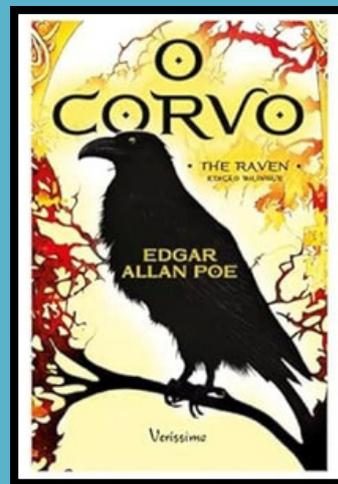

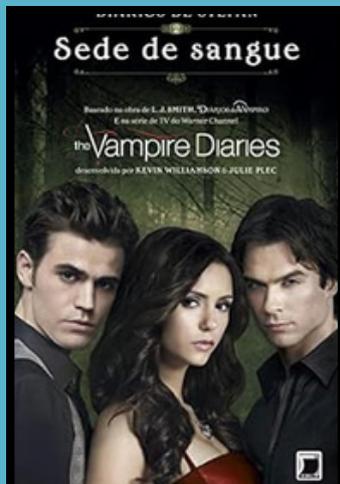

Em uma semana decisiva, os caminhos de Colby, Morgan e Beverly se cruzam de forma inesperada, fazendo-os enfrentar o passado e repensar o que é preciso para recomeçar.

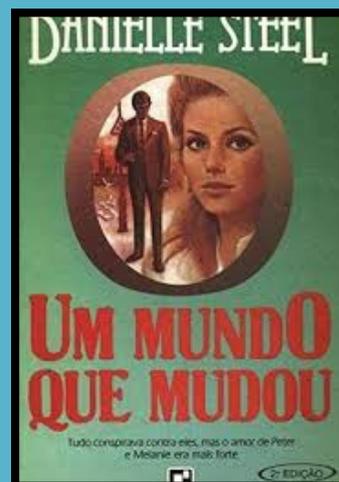

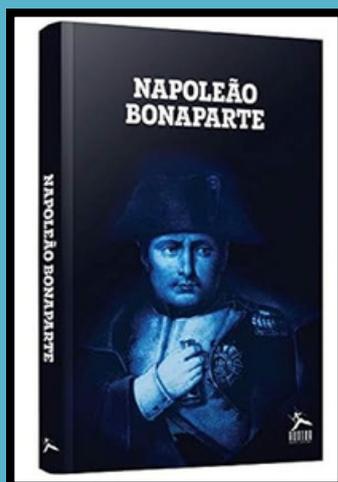

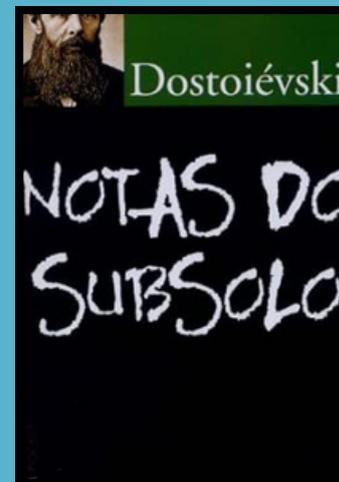

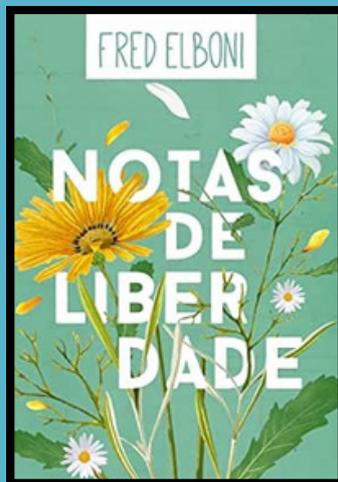

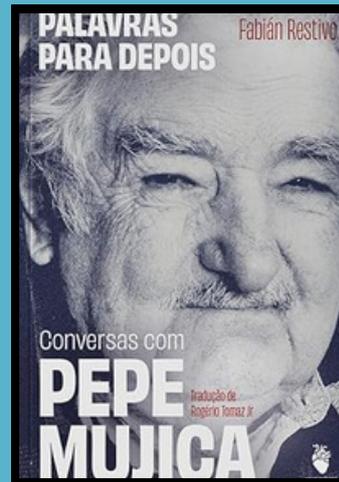

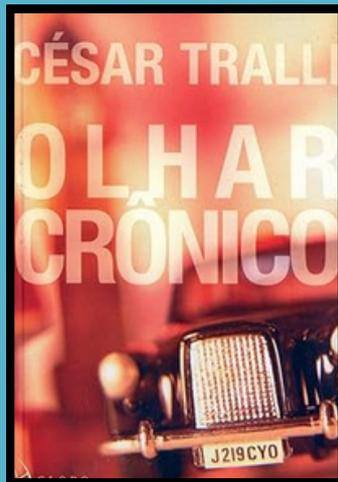

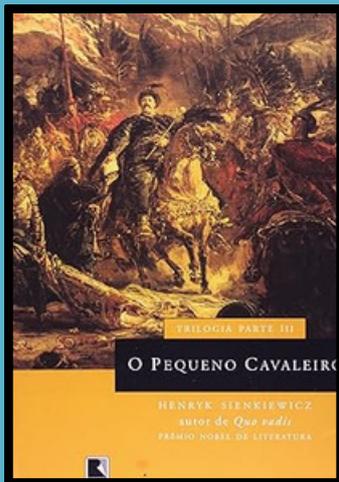

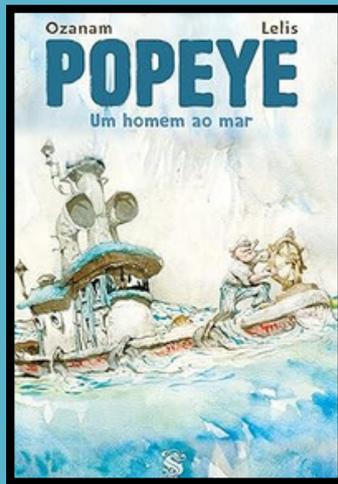

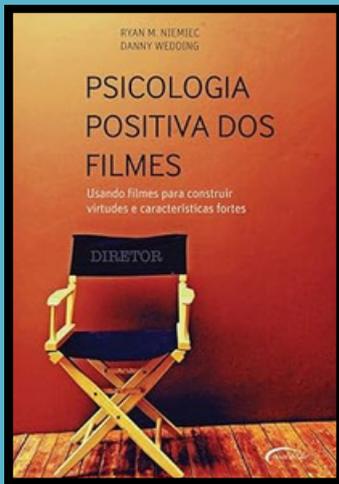

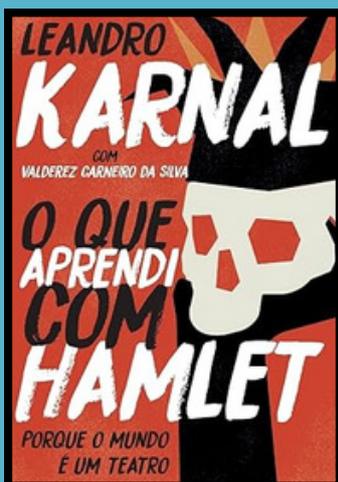

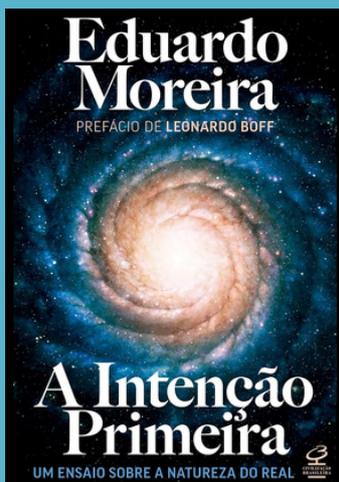

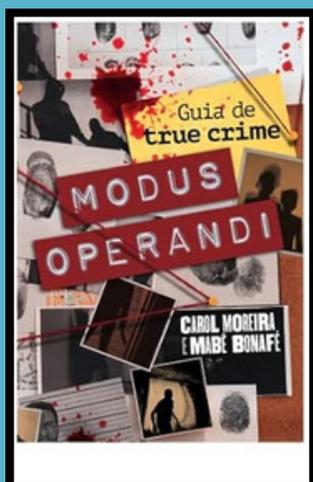

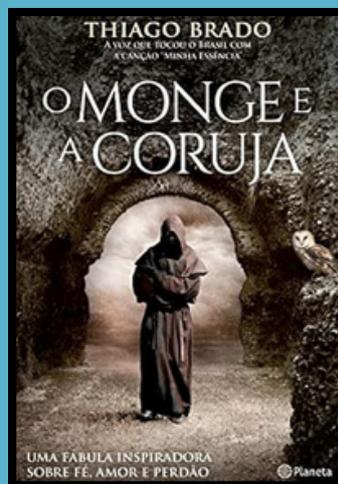

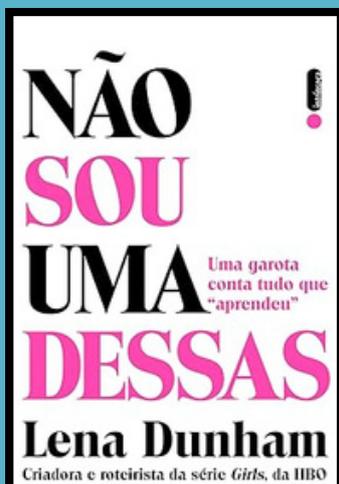

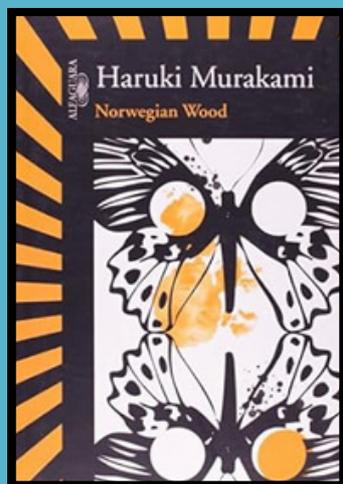

Eva leva uma vida perfeita até descobrir uma gravidez inesperada que abala seu mundo. No luxuoso condomínio Blue Paradise, tudo parece sob controle – até não estar mais. Neste thriller psicológico, Raphael Montes revela o desfecho logo no início, conduzindo o leitor por uma contagem regressiva tensa rumo a um final chocante.

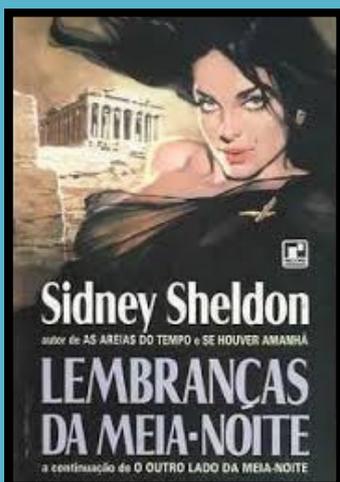

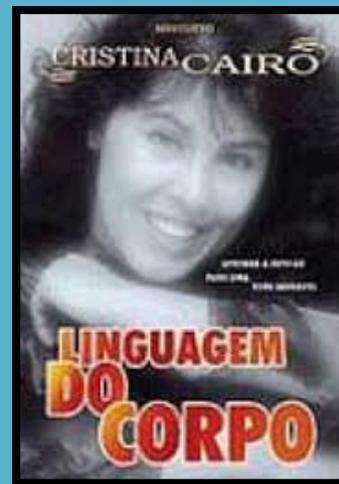

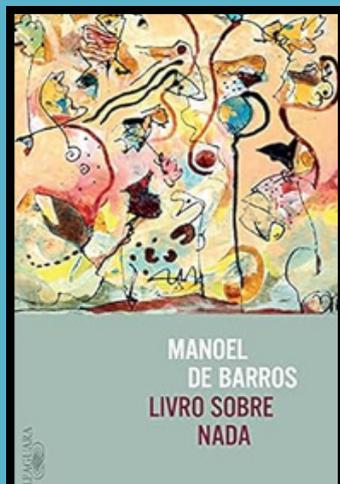

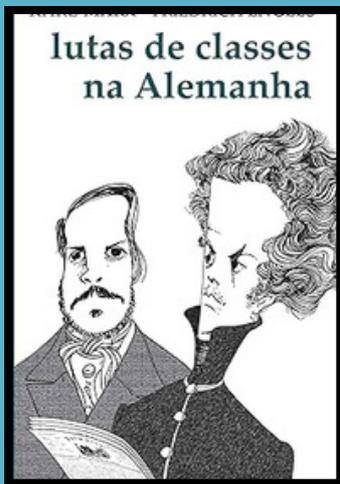

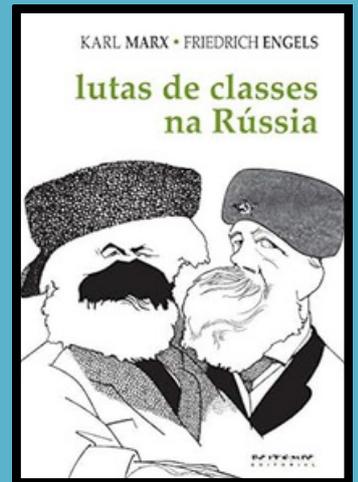

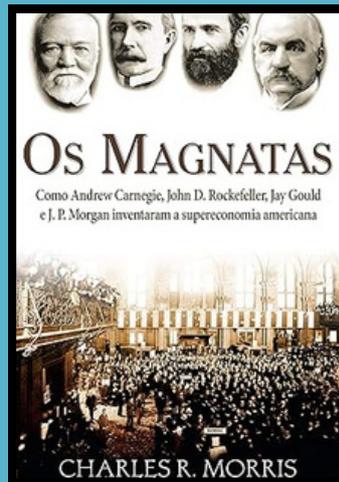

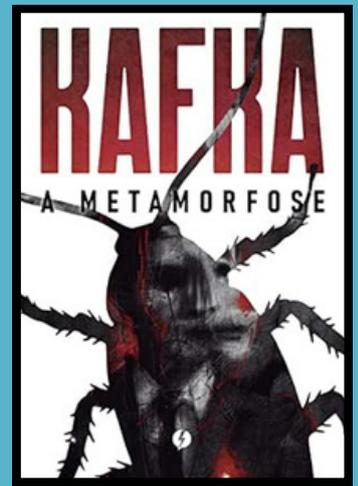

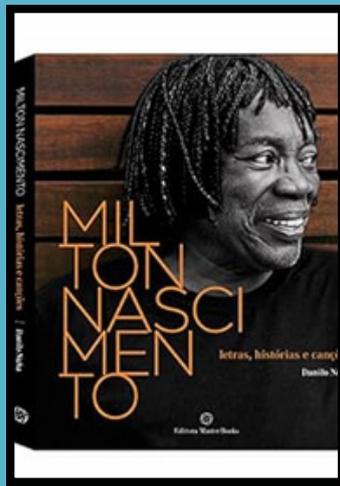

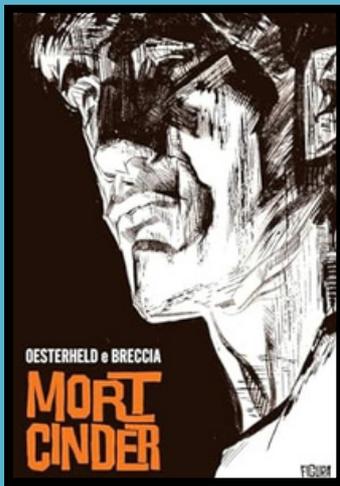

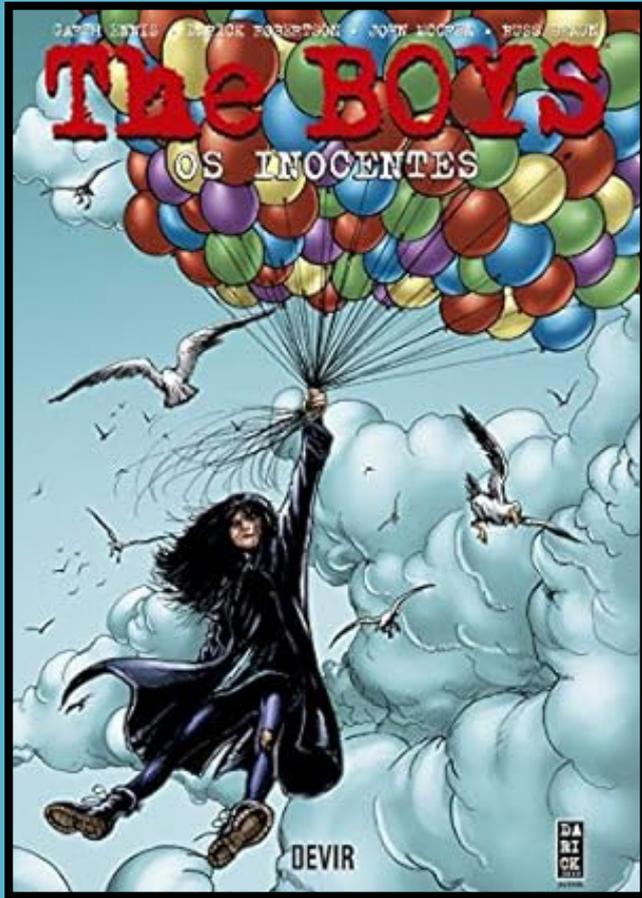

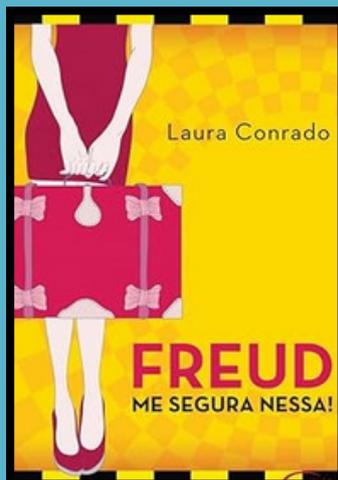

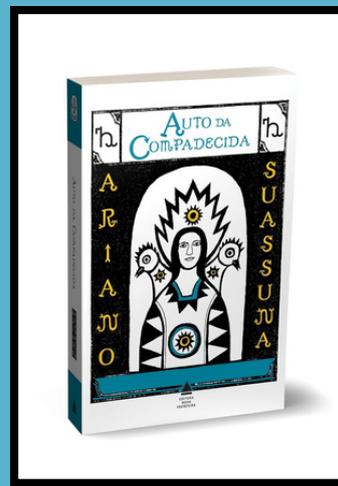

Quando perde o emprego na biblioteca, Nina Redmond decide recomeçar: compra uma van, transforma-a em livraria itinerante e parte rumo às Terras Altas da Escócia. Lá, entre livros, novos amigos e paisagens encantadoras, ela encontra coragem, romance e a chance de um novo começo – talvez até seu final feliz.

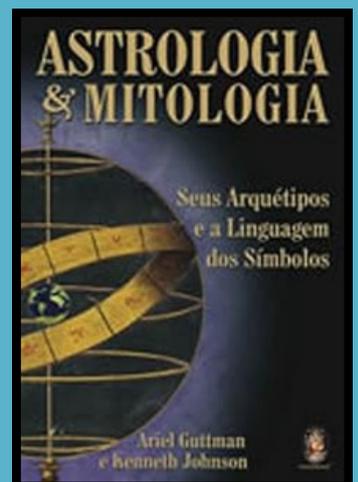

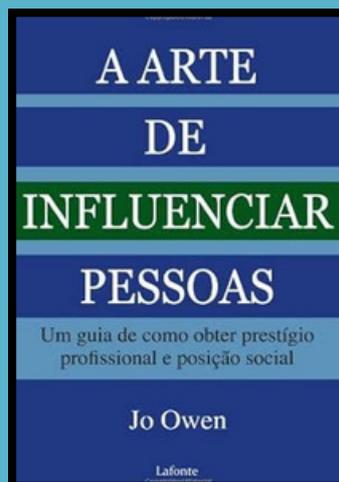

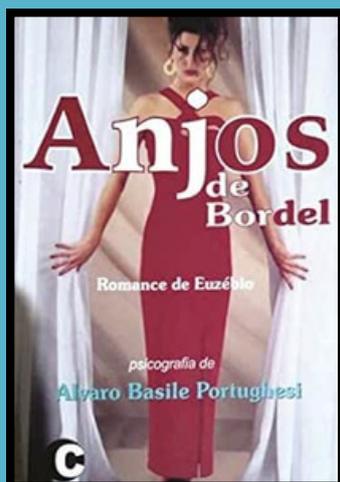

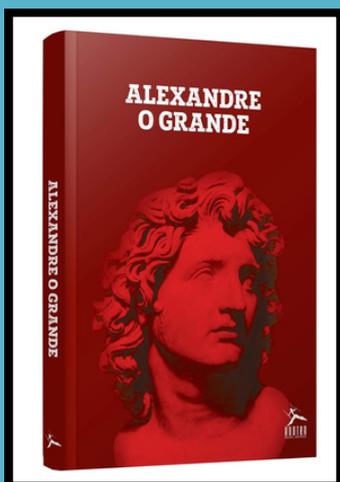

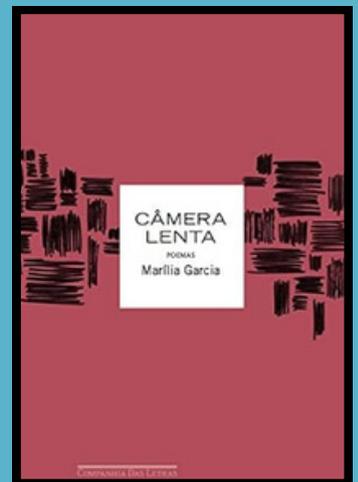

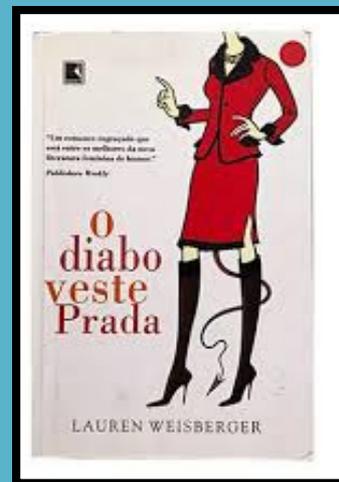

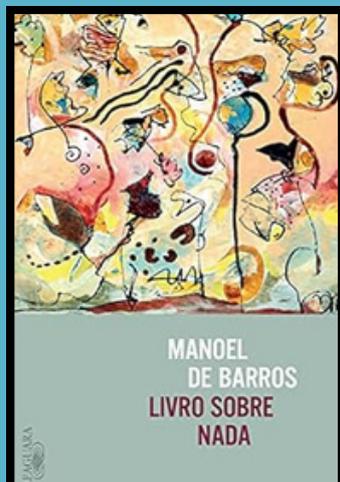

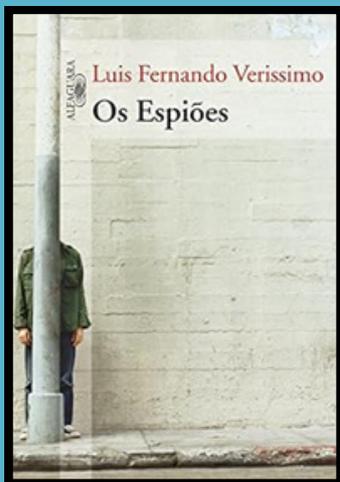

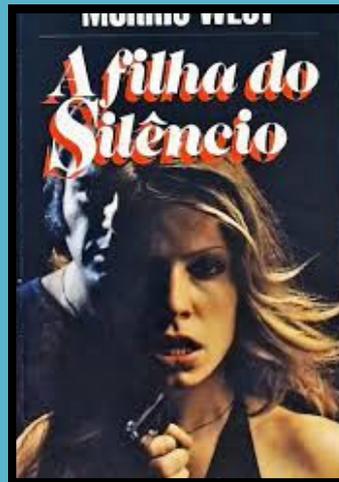

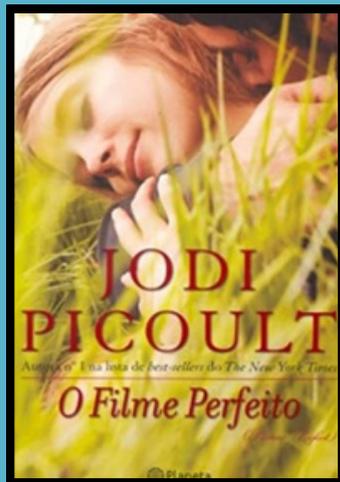

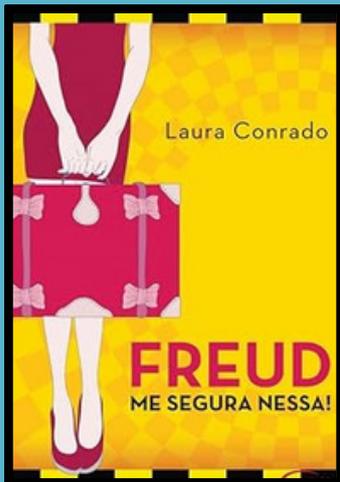

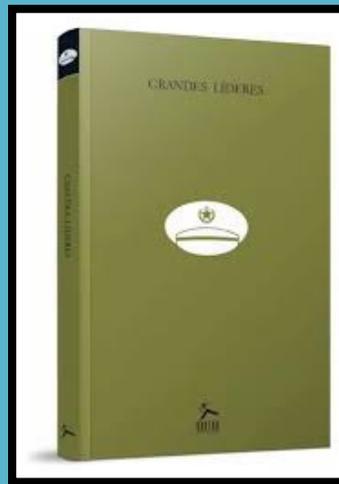

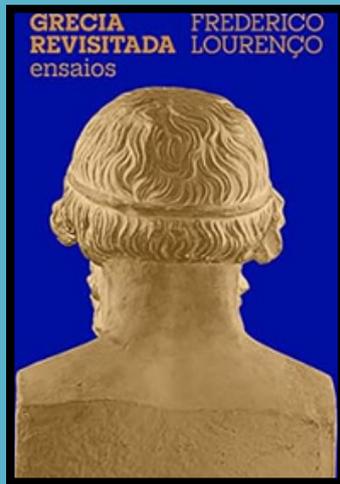

Em um mundo dominado por super-heróis corruptos, The Boys – uma equipe secreta da CIA liderada por Billy Carniceiro – está pronta para vigiá-los, controlá-los ou eliminá-los, se necessário. Quando Hughie se aproxima demais da verdade e seu romance com a heroína Estelar entra em crise, um plano sombrio se desenrola, ameaçando destruir a equipe de vez.
